Cabinet Meeting Resolution

Children's Services Capital Programme Priorities 2013 -14

Date of Meeting	12-Jun-13
The Issue	To seek approval for projects to be included in the 2013/14 Children's Services capital programme
The decision	(1) To NOTE that the projects put forward for approval are in line with Children's Services capital programme priorities; and
	(2) To APPROVE the proposed Capital allocations for inclusion in the Capital Programme 2013/14 for projects at the following schools: (a) St Saviours Junior School, Bath - £1.85m for extra pupil places and replacement of poor condition temporary buildings; (b) Moorlands Federated Schools - £70k for conversion of IT space to provide extra pupil places.
Rationale for decision	The Council has a statutory duty to ensure sufficiency of pupil places to meet demand. Both these schemes are required to meet existing pupils who will be transferring from the feeder infant school.
Other options considered	The need is school specific and the proposals represent the best use of capital funding and outcomes for the schools.
Declarations of Interest	Councillor Dine Romero had declared a disclosable but non pecuniary interest (an "other interest") by virtue of being a Governor of Morelands Schools Federation and that she had a child who attended the school.
The Decision is subject to Call-In within 5 working days of publication of the decision
