Cabinet Meeting Resolution

Core Strategy for recommendation to Council

| Date of Meeting | 10-Jul-14 |
|--------------------------|---|
| The Issue | The Inspector has completed his examination of the B&NES Core Strategy. The Council must decide whether it accepts the Inspector's recommendations thereby enabling it to formally adopt the Core Strategy. |
| The decision | (1) To RECOMMEND to Council: |
| | a) To accept the main modifications listed in Attachment 1 that the Inspector considers are needed to make the Plan sound in accordance with section 23 (3) of the Planning and Compulsory Purchase Act 2004; |
| | b) To agree the Minor Modifications listed in Attachment 2 to the B&NES Core Strategy which are needed to ensure consistency and accuracy in the Plan; |
| | c) To adopt the B&NES Core Strategy (Local Plan Part 1) as modified in (a) and (b) above for the purposes of section 38(6) of the Planning & Compulsory Purchase Act; |
| | d) To agree that the B&NES Policies Map is amended in line with (a) and (b) above, and |
| | e) To agree that the adopted Supplementary Planning Documents/ Guidance listed in Attachment 3 should supplement the Core Strategy. |
| Rationale for decision | Adoption of the Core Strategy brings with it significant benefits and reduces other risks to the Council. In particular; Once adopted the Council can give full weight to the Core Strategy in planning decisions thereby reducing the vulnerability to harmful planning applications, It enables progress to be made on the preparation of the CIL which has to be in place by early Spring 2015 in order to maximise income for the Council It facilities delivery of corporate objectives by providing clarity on key development locations and on the delivery of housing and economic growth It provides certainty to local communities and the development industry on the location of new development. |
| Other options considered | The options open to the Council are set out in s.23 of the Planning & Compulsory Purchase Act 2004. If the Council rejects one or more of Inspector's recommended modifications, it cannot then proceed to adopt the Core Strategy. The Council therefore has three options: (a) adopt the Core Strategy with the modifications recommended by the Inspector; or (b) adopt the Core Strategy with the modifications recommended by the Inspector and the minor modifications recommended by officers; or (c) resolve not to adopt the Core Strategy. |

In the case of (c), the Council would need to withdraw the Core Strategy and begin preparation of a new style Local Plan. Because the Duty to Cooperate would now apply, this work would need to be done in conjunction with adjoining authorities as part of a wider review of West of England plans. It would be a number of years before a new Local Plan could be put in place.
