**Naming of Streets in Keynsham Redevelopment Site**

<b>Decision maker/s</b>	Cllr Katie Hall
<b>The Issue</b>	<i>The Developer decides on names of streets and in this case the Council is Developer when acting in that capacity.</i>
<b>Decision Date</b>	7-Jul-14
<b>The decision</b>	The Cabinet Member decides not to object
<b>Rationale for decision</b>	The Developer found names put forward as part of the public consultation unacceptable and has therefore proposed a single name for the street created as part of the new development. In light of the concerns expressed about the Developers choice of name it is necessary for a decision to be made on whether to object to the proposal. Having given consideration to the consultation responses, the Cabinet member has decided that there is no ground for objection against the proposal.
<b>Financial and budget implications</b>	None
<b>Other options considered</b>	The options available were to object or not object to the name 'Market Walk'
