**40 LICENSING PROCEDURE**

The Chair explained the procedure to be followed for the next item of business.

**41 APPLICATION TO VARY PREMISES LICENCE FOR THE LOCH FYNE RESTAURANT, 24 MILSOM STREET, BATH BA1 1DG**

Applicant: Greene King, represented by Simon Griffiths (Business Development Manager) and Josh Margarrson (Designated Premises Supervisor and House Manager)

Responsible Authority: Avon and Somerset Police, represented by Martin Purchase (Liquor Licensing Officer)

The parties confirmed that they understood the procedure to be followed for this hearing.

The Publication Protection Team Leader summarised the application. The applicant was seeking to extend the hours for the sale and supply of alcohol and to remove a condition from the premises licence. Because the premises were situated within the Cumulative Impact Area, the Police had made a representation proposing that the condition the applicant wished to be removed, namely

*“the supply and consumption of alcohol to be by waiter/waitress service to persons seated at tables.”*

should be replaced by the following condition:

*“save for the bar area the supply and consumption of alcohol to be by waiter/waitress service to persons seated at tables.”*

The Applicant had agreed to accept this condition.

Mr Griffiths confirmed that the applicant was seeking to modify the licence and had accepted the condition proposed by the Police.

A Member asked Mr Griffiths why the applicant wanted to begin serving alcohol at 08:00. He replied that they wished to be able to serve alcohol from that hour on special occasions and to accompany the brunch menu.

The Chair asked why the applicants had not consulted the Police before the application had been submitted. Mr Griffiths replied that he did not know, as he had not been involved in that part of the process.

Mr Purchase stated the case for the Police. He said that he had discussed the application with Hannah Loynds, the Greene King Licensing Manager. He said that he had proposed the replacement condition because the premises were huge and situated in the Cumulative Impact Area. The proposed condition was a precaution, and had in no way been prompted by concerns about the current impact of the premises. The applicant had agreed to retain the current condition, provided that the bar area would be exempt. The Police were happy with this.

Neither party wished to sum up.

Following an adjournment the Sub-Committee **RESOLVED** to allow the variation with the additional condition requested by the Police.

### Decision and reasons

Members have today determined an application to vary a premises licence at Loch Fyne, Milsom Street, Bath. In doing so they have taken into consideration the Licensing Act 2003, Statutory Guidance, the Council's Policy and the Human Rights Act 1998.

Members are aware that the proper approach under the Licensing Act is to be reluctant to regulate in the absence of evidence and must only do what is appropriate and proportionate in the promotion of the licensing objectives based on the information put before them. In this case, however, Members noted the premises are situated in the Cumulative Impact Area. As the Council has a Cumulative Impact Policy a rebuttable presumption is raised that such applications should be refused unless the applicant demonstrates that the application promotes the licensing objectives and would be unlikely to add significantly to the cumulative impact being experienced.

The applicant stated they would like to serve alcohol with the brunch menu and on special occasions.

The Police stated they had negotiated with the applicant who had apologised for not liaising with them at an earlier stage. It was stated the representation in no way reflected on the operation of premises but rather was to ensure the premises, given its size and location, does not evolve into a vertical drinking premises.

Members noted the applicant had agreed to the condition suggested by the Police. Accordingly it was determined that with the addition of the condition that granting the variation would not increase the cumulative impact already experienced. The application would therefore be granted with conditions consistent with the operating schedule, the mandatory conditions and the following agreed condition:-

*Save for the bar area the supply and consumption of alcohol to be by waiter/waitress service to persons seated at tables*

Authority is delegated to the Senior Public Protection Officer to issue the licence.

The meeting ended at 10.15 am

### **PLEASE NOTE:**

- Where the Committee considers it necessary the procedure may be varied.
- In circumstances where a party fails to attend the Committee will consider whether to proceed in absence or defer to the next meeting. Should a matter be deferred the deferral notice will state that the matter may proceed in a party's absence on the next occasion. In deciding whether to proceed all notices, communications and representations will be considered.

- Parties will have an equal amount of time to present their cases. Whilst time limits are at the Chair's discretion, in the interests of cost and efficiency, presentations will not normally exceed **twenty minutes** to include summarising the case. Time limits will not include the time taken for questions.

#### **N.B.**

1. Where there is more than one party making relevant representations the time allocated will be split between those parties.
  2. Where several parties are making the same or similar representations it is suggested that one representative is appointed to avoid duplication and to make the most efficient use of the allocated time.
  3. Where an objection is made by an association or local residents group, a duly authorised person – as notified to the Licensing authority – may speak on behalf of that association or local residents group.
- The Chair may request that persons behaving in a disruptive manner should leave the hearing and their return refused, or allowed subject to conditions. An excluded person is however, entitled to submit the information they would have been entitled to present had they not been excluded.
  - Bath & North East Somerset Council is committed to taking decisions in an honest, accountable and transparent fashion. On occasion however, it may be necessary to exclude members of the press and public pursuant to the Local Government Act 1972 Schedule 12 (a). In those circumstances reasons for such decisions will be given.
  - If a person has special needs regarding access, hearing or vision, this should be brought to the Licensing Authority's attention prior to the hearing so that reasonable adjustments may be made.

**Exempt Report Title: Application For Hackney Carriage/Private Hire  
Driver's Licence:- Mr T**

Exempt Appendix Title:

**Annex A – Application Form**

**Annex B – Policy on Previous Convictions, Cautions and Fixed Penalty  
Notices**

The Report contains exempt information, according to the categories set out in the Local Government Act 1972 (amended Schedule 12A). The relevant exemption is set out below.

Stating the exemption:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the Report be withheld from publication on the Council website. The paragraphs below set out the relevant public interest issues in this case.

**PUBLIC INTEREST TEST**

If the sub-Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters.

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local

Government Act 1972. The officer responsible for this item believes that this information falls within the following exemptions and this has been confirmed by the Council's Information Compliance Manager.

The following exemptions are engaged in respect to this report:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

Exemptions 1 and 2 above must be considered in conjunction with the Principles of the Data Protection Act 1998 (DPA). It is considered that disclosure of the information in this report would breach the first principle of the DPA, which requires personal data to be fairly and lawfully processed. Further, as any information revealed by the Criminal Records Bureau check is likely to constitute sensitive personal data in terms of the DPA, this information cannot be disclosed by the Council without the explicit consent of the individual concerned.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. It is considered that there is a public interest in information about individuals applying for taxi licences in the area, and in particular, information as to the backgrounds of those individuals.

Other factors in favour of disclosure include:

- furthering public understanding of the issues involved;
- furthering public participation in the public debate of issues, in that disclosure would allow a more informed debate;
- promoting accountability and transparency by the Council for the decisions it takes;
- allowing individuals and companies to understand decisions made by the Council affecting their lives and assist individuals to challenge those decisions.

However there is a real risk that the first Principle of the DPA will be breached by this disclosure, and that the individual/s concerned could bring a successful action against the Council if the disclosure occurred. Therefore it is recommended that exemptions 1 and 2 in Schedule 12A stand. The Council considers that the public interest is in favour of not holding this matter in open session at this time and that any reporting on the meeting is prevented in accordance with Section 100A(5A)

Due to the factors outlined above, further consideration has not been given to the application of exemption 3 of Schedule 12A.

By virtue of paragraph(s) 1, 2, 3 of Part 1 of Schedule 12A  
of the Local Government Act 1972.
