**59 EXCLUSION OF THE PUBLIC**

**RESOLVED** that, the Committee having been satisfied that the public interest would be better served by not disclosing relevant information in accordance with the provisions of Section 100(A)(4) of the Local Government Act 1972, the public shall be excluded from the meeting for the following item of business because of the likely disclosure of exempt information as defined in paragraphs 1 and 2 of Part 1 of Schedule 12A of the Act, as amended.

**60 APPLICATION FOR HACKNEY CARRIAGE/PRIVATE HIRE DRIVER'S LICENCE - MR A R P**

Mr P confirmed that he had received and understood the procedure to be followed for the hearing.

The Senior Public Protection Officer summarised the report. He provided Members with copies of a Disclosure and Barring Service certificate relating to Mr P, a written

statement from him and two references. The hearing was adjourned to allow Members time to study these documents.

Mr P stated his case and was questioned by Members. Mr P did not wish to make a closing statement.

Following an adjournment, it was **RESOLVED** to grant Mr P a combined Hackney Carriage/Private Hire Driver's Licence.

### Reasons

Members have had to determine an application for a combined Hackney Carriage/Private Hire Driver's Licence. In doing so they took account of the Local Government (Miscellaneous Provisions) Act 1976, Human Rights Act 1998, case law and the Council's Policy.

In making a determination Members took account of the applicant's oral representations, his statement, and reference and balanced these against the information provided by the Disclosure and Barring Service.

The applicant indicated that the offence the subject of that caution arose out of particularly stressful personal circumstances. He informed the committee that in future, if a bad situation arises he has learnt to walk away. Aside from the caution on his record he indicated that he had never been in trouble and had an otherwise clean record.

Members noted from the Policy that the Council will expect that an applicant will not have been cautioned by the police for an offence during the previous two years. In this case Mr A R P was cautioned in 2010 for an offence which occurred in 2009.

Members took the view that the applicant was a fit and proper person to hold a combined Hackney Carriage/Private Hire Driver's Licence and accordingly, resolved to grant his licence.

## **61 HC/PH PROPRIETOR'S PROCEDURE**

The Sub-Committee returned to open session.

The Chair drew attention to the procedure to be followed for the next three items of business.

## **62 APPLICATION FOR A HACKNEY CARRIAGE PROPRIETOR'S LICENCE - MR D SCARAMANGA**

The Applicant confirmed that he had received and understood the procedure to be followed for the hearing.

The Senior Public Protection Officer presented the report.

The Applicant said that the officer's report was very comprehensive and that he had nothing to add to it. He did not wish to make a closing statement.

Following an adjournment, the Sub-Committee **RESOLVED** to grant the Hackney Carriage Proprietor's Licence subject to the standard conditions and the following 2 special conditions:

- (1) Any substitute vehicle must not be older than the currently licensed vehicle at the time of substitution.
- (2) Any substitute vehicle must be purpose-built to the same or higher accessibility standards and capable of catering for a range of disabilities including visual and aural impairments.

### Reasons

Members have had to determine an application for a Hackney Carriage Proprietor's Licence. In doing so they took account of the Town Police Clauses Act 1847, the Local Government (Miscellaneous Provisions) Act 1976, the Transport Act 1985, Human Rights Act 1998, case law, the Council's Policy and the Unmet Demand Survey.

In making a determination members also took account of the applicant's oral representations.

Members noted the results of BANES' unmet demand survey dated April 2015 which reported a demand for an additional 3 licences within zone 1. This application would go towards meeting that unmet demand. Furthermore, Members noted that the vehicle for which the proprietor's licence was sought would be of suitable size, type, design and age to be granted a licence.

For the reasons set out above members resolved to grant the Hackney Carriage Proprietor's Licence subject to the standard conditions and the following 2 special conditions:

- (3) Any substitute vehicle must not be older than the currently licensed vehicle at the time of substitution.
- (4) Any substitute vehicle must be purpose-built to the same or higher accessibility standards and capable of catering for a range of disabilities including visual and aural impairments.

## **63 APPLICATION FOR HACKNEY CARRIAGE PROPRIETOR'S LICENCE - MR N WYATT**

The applicant confirmed that he had received and understood the procedure to be followed for the hearing.

The Senior Public Protection Officer presented the report.

The applicant stated his case. He said that the only thing he wished to add to the officer's report was that the vehicle had been used for hospital work and had a very low mileage. He did not wish to make a closing statement.

A Member observed that the vehicle would be five years' old in four months' time, and asked the Senior Public Protection Officer whether he had inspected it. He replied that he had not, but there would be a mechanical inspection after the hearing as part of the usual application process. When Members requested that they inspect the vehicle, the applicant informed the Chair that it was not immediately available.

Following an adjournment the Sub-Committee **RESOLVED** to adjourn the determination of this application to the 14<sup>th</sup> October next in order that an inspection of the vehicle can take place.

#### **64 APPLICATION FOR HACKNEY CARRIAGE PROPRIETOR'S LICENCE - MR T SKACZKOWSKI**

The applicant confirmed that he had received and understood the procedure to be followed for the hearing.

The Senior Public Protection Officer presented the report.

The applicant stated his case. He did not wish to make a closing statement.

After an adjournment it was **RESOLVED** to grant the Hackney Carriage Proprietor's Licence subject to the standard conditions and the following 2 special conditions:

- (1) Any substitute vehicle must not be older than the currently licensed vehicle at the time of substitution.
- (2) Any substitute vehicle must be purpose-built to the same or higher accessibility standards and capable of catering for a range of disabilities including visual and aural impairments.

### **PLEASE NOTE:**

- Where the Committee considers it necessary the procedure may be varied.
- In circumstances where a party fails to attend the Committee will consider whether to proceed in absence or defer to the next meeting. Should a matter be deferred the deferral notice will state that the matter may proceed in a party's absence on the next occasion. In deciding whether to proceed all notices, communications and representations will be considered.
- Only in **exceptional circumstances** will the Committee take account of additional late documentary or other information and will be at the discretion of the Chair and on notice to all the other parties. No new representations will be allowed at the hearing.
- The Committee will disregard all information or representations considered irrelevant.
- The hearing will take the form of a discussion. The Committee will allow parties to the proceedings to ask questions. Formal cross examination will be discouraged and, should they be necessary, supplementary questions allowed for clarification purposes only.

#### **N.B.**

  3. Where an objection is made by an association or local residents group, a duly authorised person – as notified to the Licensing authority – may speak on behalf of that association or local residents group.
- The Chair may request that persons behaving in a disruptive manner should leave the hearing and their return refused, or allowed subject to conditions. An excluded person is however, entitled to submit the information they would have been entitled to present had they not been excluded.
  - Bath & North East Somerset Council is committed to taking decisions in an honest, accountable and transparent fashion. On occasion however, it may be necessary to exclude members of the press and public pursuant to the Local Government Act 1972 Schedule 12 (a). In those circumstances reasons for such decisions will be given.
  - If a person has special needs regarding access, hearing or vision, this should be brought to the Licensing Authority's attention prior to the hearing so that reasonable adjustments may be made.

Exempt Report Title: Application For Hackney Carriage/Private Hire Driver's Licence

Exempt Appendix Title:

**Annex A – Application Form**

**Annex B – Policy on Previous Convictions, Cautions and Fixed Penalty Notices**

The Report contains exempt information, according to the categories set out in the Local Government Act 1972 (amended Schedule 12A). The relevant exemption is set out below.

Stating the exemption:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the Report be withheld from publication on the Council website. The paragraphs below set out the relevant public interest issues in this case.

**PUBLIC INTEREST TEST**

If the sub-Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters.

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local Government Act 1972.

The officer responsible for this item believes that this information falls within the following exemptions and this has been confirmed by the Council's Information Compliance Manager.

The following exemptions are engaged in respect to this report:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

Exemptions 1 and 2 above must be considered in conjunction with the Principles of the Data Protection Act 1998 (DPA). It is considered that disclosure of the information in this report would breach the first principle of the DPA, which requires personal data to be fairly and lawfully processed. Further, as any information revealed by the Criminal Records Bureau check is likely to constitute sensitive personal data in terms of the DPA, this information cannot be disclosed by the Council without the explicit consent of the individual concerned.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. It is considered that there is a public interest in information about individuals applying for taxi licences in the area, and in particular, information as to the backgrounds of those individuals.

Other factors in favour of disclosure include:

- furthering public understanding of the issues involved;
- furthering public participation in the public debate of issues, in that disclosure would allow a more informed debate;
- promoting accountability and transparency by the Council for the decisions it takes;
- allowing individuals and companies to understand decisions made by the Council affecting their lives and assist individuals to challenge those decisions.

However there is a real risk that the first Principle of the DPA will be breached by this disclosure, and that the individual/s concerned could bring a successful action against the Council if the disclosure occurred. Therefore it is recommended that exemptions 1 and 2 in Schedule 12A stand. The Council considers that the public interest is in favour of not holding this matter in open session at this time and that any reporting on the meeting is prevented in accordance with Section 100A(5A)

Due to the factors outlined above, further consideration has not been given to the application of exemption 3 of Schedule 12A.

By virtue of paragraph(s) 1, 2, 3 of Part 1 of Schedule 12A  
of the Local Government Act 1972.
