Published in Forward Plan Jan 2011

Author/Contact: Carol Maclellan

Approval of capital projects for inclusion in the capital programme, not previously approved by Council in the Budget.

There has been an increase in thefts from waste sites resulting in damage to property and vehicles and to financial losses due to theft of diesel and other goods. Installation of CCTV would improve the overnight security arrangements for the Waste Operations depots and would produce efficiency savings through stopping the mobile patrols currently employed from an external security company.
