E3425 Adoption of Waste Strategy – Towards Zero Waste 2030 (WL)

Cabinet Member for Neighbourhood Services

Author/Contact: Sarah Alder

Decision made and published: 19th March 2024

Call-in deadline: 26th March 2024

The Council's original Zero Waste Strategy was adopted in July 2005 and although it has been revised and updated at intervals since, requires a full update.

The Towards Zero Waste 2030 strategy reflects the latest information available and provides an assessment of the key drivers for the period to 2030.

Adoption of the new strategy will focus on working with residents to maximise reducing waste, reuse and recycling, making our neighbourhoods cleaner and greener, and delivering objectives of the climate and nature emergency.
