Key messages

This report summarises the findings from my 2011/12 audit of the Pension Fund financial statements which is substantially complete.

As at 11 September 2012 I expect to issue an unqualified audit opinion.

The accounts were produced to a good standard in line accounting Code of Practice and supported by good quality working papers. I have requested no material adjustments to the accounts.

As part of the audit I review reports produced by the auditors to the fund managers on the financial controls at these institutions. This is to gain assurance on the controls at the fund managers and therefore to provide comfort over the information provided for Avon Pension Fund. For some fund managers who work for a large number of local government pension funds this review of control reports is done centrally by the audit commission. I am awaiting the outcome of this work.

Before I give my opinion

My report includes only matters of governance interest that have come to my attention in performing my audit. I have not designed my audit to identify all matters that might be relevant to you.

Independence

I can confirm that I have complied with the Auditing Practices Board's ethical standards for auditors, including ES 1 (revised) - Integrity, Objectivity and Independence.

I am not aware of any relationships that may affect the independence and objectivity of the Audit Commission, the audit team or me, that I am required by auditing and ethical standards to report to you.

The Audit Commission's Audit Practice has not undertaken any non-audit work for the Pension Fund during 2011/12.

I ask the Corporate Audit Committee to:

- take note of the matters referred to in the financial statements section of this report; and
- approve the letter of representation (appendix 2), on behalf of the Pension Fund before I issue my opinion.

Financial statements

The Pension Fund's financial statements are an important mechanism for the Pension Fund to account for its stewardship of public funds. As Members you have final responsibility for these statements. It is important that you consider my findings before you adopt the financial statements.

Opinion on the financial statements

Subject to satisfactory clearance of outstanding matters, I plan to issue an audit report including an unqualified opinion on the financial statements included within the Authority's Statement of Accounts and the financial statements included within the Pension Fund Annual Report. Appendix 1 contains copies of my draft audit reports.

I have not requested any changes to the monetary amounts disclosed in the accounts.

Significant risks and my findings

In my Audit Plan issued in January 2012 I identified one significant risk I regarded as relevant to my audit of your financial statements. In Table 1 I report to you my findings against this risk.

Table 1: Risk and findings

Risk	Finding
<p>Pooled investment vehicles</p> <p>Avon pension fund has some £2 billion of units in pooled investment securities. A large portion of these investments is in unquoted securities. There is an inherent risk to the valuation of these investments because there is no direct market to independently check the valuation of these units, although we understand the underlying securities are quoted.</p>	<p>My review of reports by the auditors to the fund managers responsible for the pooled investment vehicles has not identified any material risks and confirms the effectiveness of controls at the institutions. (This work is almost complete at September 12 2012).</p> <p>I have also considered the controls at Avon Pension Fund over the work of the fund managers, for example the work of the investment panel to evaluate the performance of the fund managers.</p> <p>I have tested the amounts in the pension fund accounts to the fund managers reports and to the Custodians records.</p> <p>I have tested a sample of funds to the underlying quoted securities.</p> <p>During the course of my audit I have noted that officers do considerable cross checking of records to ensure accuracy.</p> <p>I have not identified any issues that impact on the valuation of these securities in the net assets statement.</p>

Internal control

It is the responsibility of the Pension Fund to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. My responsibility as your auditor is to consider whether the Pension Fund has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

I have tested the controls of the Pension Fund only to the extent necessary for me to complete my audit. I am not expressing an opinion on the overall effectiveness of internal control. Based on my work I have not identified any significant weaknesses in internal control.

Other matters

I am required to communicate to you significant findings from the audit and other matters that are significant to your oversight of the Pension Fund's financial reporting process including the following.

- Qualitative aspects of your accounting practices.
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions.
- Other audit matters of governance interest.

I report the following relatively minor matters.

Table 2: **Other matters**

Issue	Finding
<p>Accounting policies</p> <p>The statement of accounts includes a section, the accounting policies which set out the basis for including amounts and disclosures. Sufficient detail is required to ensure the reader of the accounts understands the approach adopted.</p>	<p>I have agreed additional disclosure will be added:</p> <ul style="list-style-type: none"> ■ to explain the basis for including events after the balance sheet date; ■ provide some explanation of the financial instruments note; and ■ to further explain the approach to accounting estimates.
<p>Accounts disclosures</p> <p>The accounting Code of Practice requires the disclosure of payments to key management, including pension benefits. The guidance issued with the accounting Code of Practice suggests key management is likely to include officers.</p>	<p>Avon has decided that key management of the pension fund rests with the Pension Fund Committee. This is a judgement. The notes to the accounts should include more information on accrued pension benefits for those deemed to be responsible for managing the Fund. This should be considered for next year.</p>

Pension Fund Annual Report

The Pension Fund prepared its Annual Report and made it available to me on 7 September. As a result I have not yet completed my review and report on the financial statements included in the Annual Report. However I expect to complete this by 30 September.

Fees

I reported my planned audit fee in the Audit Plan.

I will complete the audit within the planned fee of £46,622.

Appendix 1 – Draft independent auditor’s reports

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF BATH AND NORTH EAST SOMERSET COUNCIL

Opinion on the Authority financial statements

I have audited the financial statements of Bath and North East Somerset Council for the year ended 31 March 2012 under the Audit Commission Act 1998. The financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and Collection Fund and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

This report is made solely to the members of Bath and North East Somerset Council in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010.

Respective responsibilities of the Divisional Director of Finance and auditor

As explained more fully in the Statement of the Divisional Director of Finance’s Responsibilities, the Divisional Director of Finance is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. My responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority’s circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Divisional Director of Finance’s; and the overall presentation of the financial statements. In addition, I

read all the financial and non-financial information in the explanatory foreword to identify material inconsistencies with the audited financial statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Opinion on financial statements

In my opinion the financial statements:

- give a true and fair view of the financial position of Bath and North East Somerset Council as at 31 March 2012 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

Opinion on other matters

In my opinion, the information given in the explanatory foreword for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which I report by exception

I report to you if:

- in my opinion the annual governance statement does not reflect compliance with 'Delivering Good Governance in Local Government: a Framework' published by CIPFA/SOLACE in June 2007;
- I issue a report in the public interest under section 8 of the Audit Commission Act 1998;
- I designate under section 11 of the Audit Commission Act 1998 any recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response; or
- I exercise any other special powers of the auditor under the Audit Commission Act 1998.

I have nothing to report in these respects.

Opinion on the pension fund financial statements

I have audited the pension fund financial statements for the year ended 31 March 2012 under the Audit Commission Act 1998. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

This report is made solely to the members of Bath and North East Somerset Council in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010.

Respective responsibilities of the Divisional Director of Finance and auditor

As explained more fully in the Statement of the Divisional Director of Finance's Responsibilities, the Divisional Director of Finance is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. My responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Divisional Director of Finance; and the overall presentation of the financial statements. In addition, I read all the financial and non-financial information in the explanatory foreword to identify material inconsistencies with the audited financial statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Opinion on financial statements

In my opinion the pension fund's financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2012 and the amount and disposition of the fund's assets and liabilities as at 31 March 2012; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom.

Opinion on other matters

In my opinion, the information given in the explanatory foreword for the financial year for which the financial statements are prepared is consistent with the financial statements.

Conclusion on Authority's arrangements for securing economy, efficiency and effectiveness in the use of resources

Respective responsibilities of the Authority and the auditor

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

I am required under Section 5 of the Audit Commission Act 1998 to satisfy myself that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires me to report to you my conclusion relating to proper arrangements, having regard to relevant criteria specified by the Audit Commission.

I report if significant matters have come to my attention which prevent me from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. I am not required to consider, nor have I considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

I have undertaken my audit in accordance with the Code of Audit Practice, having regard to the guidance on the specified criteria, published by the Audit Commission in October 2011, as to whether the Authority has proper arrangements for:

- securing financial resilience; and
- challenging how it secures economy, efficiency and effectiveness.

The Audit Commission has determined these two criteria as those necessary for me to consider under the Code of Audit Practice in satisfying myself whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2012.

I planned my work in accordance with the Code of Audit Practice. Based on my risk assessment, I undertook such work as I considered necessary to form a view on whether, in all significant respects, the Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of my work, having regard to the guidance on the specified criteria published by the Audit Commission in October 2011, I am satisfied that, in all significant respects, Bath and North East Somerset Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2012.
