| Licensing Committee | $\mathbf{1 2}$ | 5 | 5 | 1 | 1 | $L D$ |  |

## Notes

1. DC Cttee - informal arrangement in past few years has been that one LD place is filled by Lab (understand this will not continue)
2. Standards Cttee - informal arrangement in past few years has been that one LD place is filled by Lab [Neither of these is reflected in the committee numbers above]
