

ROSSITER ROAD  
INFORMAL CONSULTATION

Name	Date	Comments	Opinion		Councils' response	Is it a relevant objections?
			For	Against		
POLICE	22/04/14	Generally in favour:- <u>20mph limit</u> - should be appropriate and self-enforcing, but will encourage more engineering measures. <u>7.5T weight limit</u> - is it a structural or engineering requirement? Should be self-enforcing. <u>Waiting restrictions</u> - enforced by B&NES.	✓		The 20mph speed limit is in accordance with Council policy and will incorporate traffic calming features in Pulteney Road(south) and in Widcombe Parade so that it will be self-enforcing. The 7.5 tonnes weight limit will be imposed on Widcombe Parade and Pulteney Road(south) for environmental reasons and to ensure continuity of existing weight limits on Widcombe Hill, Prior Park Road and Lyncombe Hill.
