4 STATUTORY CONSIDERATIONS AND BASIS FOR PROPOSAL

4.1 In accordance with section 3 of the Local Government (Miscellaneous Provisions) Act 1982 ("the 1982 Act") Bath and North East Somerset Council have adopted Schedule 4 of that Act. In accordance with that Schedule the Council has designated all Streets / Highways within the authority as "consent street[s]" which means that street trading is

- 4.2 This application has been brought to the committee as an objection was received from a local resident.
- 4.3 When making a decision consideration needs to be given to the Human Rights Act 1998.
- 4.4 An Equalities Impact assessment (EqIA) has been completed. No adverse or other significant issues were found.

5 THE REPORT

- 5.1 An application has been received from Peter Heywood for Street Trading Consent at Chelsea Village Party on 16th May 2015. See **Annex A**.
- 5.2 The application is for a maximum of 10 stalls spread through Chelsea Road and Kennington Road.
- 5.3 Paragraph 7(2) of Schedule 4 to the 1982 Act provides that subject to sub-paragraph (3) the council may grant a consent if they think fit. Sub-paragraph (3) provides that a street trading consent shall not be granted-
 - (a) to a person under the age of 17 years; or

- 5.4 Paragraph 7(4) of Schedule 4 to the 1982 Act provides that when granting or renewing a street trading consent the council may attach such conditions to it as they consider reasonably necessary.
- 5.5 Each application for a Street Trading Consent will be considered in line with the Council's current Policy on Street Trading (**attached and Annex B**).
- 5.6 Bath and North East Somerset Council has current Street Trading Standard Conditions (**attached at Annex C**) which are applicable to all Street Trading Consents issued by the Council.

- 5.9 Notification of the application was also delivered to all residents / retail outlets in both locations. The application was also placed on the Council's website.
- 5.10 An objection has been received from a local resident Mr Cheadle. The grounds for the objection are
 - (1) It is not a Street Party or principally for the benefit of the residents. It is being imposed by a minority of local and outside traders for commercial advantage.
 - (2) There are no clear community benefits and it will cause considerable inconvenience and nuisance in terms of invasion of privacy, loss of parking, noise from music and the presence of large numbers of people not from the area but attracted by the prospect of eating and drinking in a confined space.

A copy of the letter is attached at **Annex F**

5.11 A supporting statement has been received from the applicant. A copy is attached at **Annex G**

Street Trading Policy

1 Purpose

- 1.1 Bath and North East Somerset Council understands that street trading is important to both the local environment and local economy. Street trading can provide vibrancy and interest to the local environment and an opportunity for small businesses to establish themselves and grow.
- 1.2 The Council's vision for Bath and North East Somerset is to create a street trading environment which:
- complements premises-based trading
 - is sensitive to the needs of residents
 - ensures that public spaces become active spaces
 - provides diversity and consumer choice;
 - seeks to enhance the character, ambience and safety of local environments
 - promotes healthy eating
 - provides local food

2 What is Street Trading?

- 2.1 Street trading means selling, exposing or offering for sale any article in a street. The term 'street' includes any road, footway or other area to which the public has access without payment.
- 2.2 The Council has adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 for the whole of its area and has designated all streets in the area as 'Consent Streets' for street trading purposes.
- 2.3 The effect of this designation is that street trading in any street is prohibited, subject to legal exemptions, without first obtaining a street trading consent from the Council.
- 2.4 Consents may also be issued to mobile artists who sketch or paint, sell their own work and move from location to location.
- 2.5 Street trading consents for buskers wishing to sell items associated with their performance (e.g. CD's) will be established
- 2.6 Consents may be issued to mobile vendors such as Ice Cream Traders to operate in specific locations outside of the central area of Bath.

3 Exemptions from the need to obtain a Consent

3.1 The Local Government (Miscellaneous Provisions) Act 1982 states that the following are exempt from the need to obtain Street Trading Consent:

- trading by a person acting as a pedlar under the authority of a pedlars' certificate granted under the Pedlars Act 1871
- anything done in a market or fair the right to hold which was acquired by virtue of a grant (including presumed grant) or acquired or established by virtue of an enactment or order
- trading in a trunk road picnic area
- trading as a news vendor
- conducting a public charitable collection
- trade carried out by roundsmen e.g. milkmen
- trade carried on at a petrol filling station, and
- trade carried on at premises used as a shop or in a street adjoining premises so used and as part of the business of the shop

4 Pitch assessment

4.1 The Council will maintain a map showing the location of street trading pitches. This map is available on the Council's web site at www.bathnes.gov.uk/services/business/street-trading

4.2 The Council may from time to time identify new pitches for street trading and will consider applications for new pitches. In determining whether to create a street trading pitch the Council will have regard to:

- an overriding public interest
- any effect on road safety, either arising from the siting of the pitch, or any loss of amenity caused by noise, traffic or smell
- existing Traffic Orders e.g. waiting restrictions
- any potential obstruction of pedestrian or vehicular access
- any obstruction to the safe passage of pedestrians; and
- the safe access and egress of customers and staff from the pitch and immediate vicinity
- any land owners permission which may be required from a private land owner or a relevant Council service e.g. Environmental Services (Open Spaces), Commercial Estates or Economic Regeneration

5 Application Process for a New Pitch

5.1 Before new pitches are created the Council will consult and seek written observations from:

- occupiers of premises immediately adjacent and opposite
- existing holders of street trading consents in the immediate area
- relevant ward councillors
- relevant parish or town councils
- Avon & Somerset Constabulary

- relevant Council Services including Development Control, Highways, Property Services, Environmental Services (Open Spaces), Commercial Estates, Trading Standards and Food Safety
- a relevant land owner
- any other stakeholder considered by the Council's Licensing Team to be relevant to the application

5.2 In addition to the above, public notices will be placed in a clearly visible location at the site of the proposed new pitch.

5.3 The Council will consider any responses received in relation to public notices and any objection from consultees will be assessed against the criteria in paras 1.2, 4.2 and Section 12 and may be referred to the appropriate Licensing Sub-Committee for determination.

5.4 Any proposed change to conditions attached to a consent will be in consultation with consent holders and others, as specified in 5.1 above, if relevant.

6 Application Process for an Existing Pitch

6.1 When an existing or new pitch becomes available, the Council will publish details of the vacancy, inviting applications for the pitch. The details will be published on the Council's website.

6.2 Applications will be determined by the Licensing Manager. If no suitable application is received then the pitch will be re-advertised.

6.3 In situations where there are competing applications then the Licensing Manager will decide the most appropriate applicant in consultation with the Service Manager. The pitch will be offered to the applicant whose proposal is considered the most suitable for the particular location.

7 Mobile Street Artists

7.1 Mobile street artist consents may be issued to persons who sketch or paint and sell their own work and move from location to location.

7.2 Applicants for mobile street artist consents must give a minimum notice period of 48 hours to the Licensing Team in relation to their application.

8 Mobile Traders

8.1 Any mobile trader e.g. ice cream vans, will require a street trading consent.

- 8.2 Before issuing a consent the Council will consult with relevant bodies, as specified in section 5.1, and will require details of the daily routes and times of the rounds.

9 Street Markets

- 9.1 The Council actively supports the provision of temporary street markets within the district and special consideration will be given to markets which are considered beneficial to the local area.
- 9.2 Applications for temporary street markets will be considered using the same criteria set out in Para 1.2 and in sections 4 and 5 of this policy.

10 Pitches for Buskers

- 10.1 The Council will issue Street Trading consents for use by buskers who wish to sell items associated with their performance (e.g. CD's).
- 10.2 Applications for pitches for buskers will be considered using the same criteria set out in Para 1.2 and sections 4 and 5 of this policy.

11 Pitches for Charitable Street Trading

- 11.1 The Council issues permits to enable charitable street trading. Charitable street trading must not be undertaken in any street or public place unless the Promoter has obtained a consent from the Council. The only exception to this is where the collection is exempt under schedule 4 of the 1982 Act (see section 3)
- 11.2 In relation to charitable street trading, the Council has a designated street trading pitch for this purpose at Kingston Parade, Bath. This pitch will be available to registered charities, or organisations demonstrating that they are a 'not-for-profit' organisation. Use of this pitch will be subject to the Council's standard street trading conditions.
- 11.3 The charity or organisation must obtain permission from the Principal Consent Holder responsible for the pitch at Kingston Parade whose details can be obtained from the Licensing Department.

12 Nature of Goods and Trading Hours

- 12.1 The nature of goods which may be sold from any pitch and the trading hours will be specified in the consultation process. Any subsequent application for a change in the nature or type of goods sold or the trading hours will require a further application and will be subject to the level of consultation as set out in section 5.1 above.
- 12.2 Until 1st April 2015, the Council will not normally grant a consent for the sale of goods or services which conflict with those provided by nearby shops or nearby street trading pitches. (After this date, changes to Schedule 4, Local Government [Miscellaneous Provisions] Act 1982 come into effect which promote open competition).

- 12.3 Goods will normally consist of craftwork, fresh flowers, fresh fruit and vegetables, ice cream or soft drinks. Other types of goods, including services, will be considered on a pitch by pitch basis and have particular regard to local needs, product diversity and balanced with other retailers in the immediate vicinity.
- 12.4 Street trading hours will normally mirror those of shops in the immediate vicinity. Extended trading hours will be determined on a pitch by pitch basis.
- 12.5 In the case of stalls selling hot food trading hours will be determined on a pitch by pitch basis.
- 12.6 Late night food traders operating after 11:00 pm will be subject to the requirements of the Licensing Act 2003 regarding the need for a Premises Licence. Greater consideration will be given to the impact on the night time environment and the possibility of crime and disorder on the streets as a result of the granting of a street trading consent.

13 Design and Appearance of Stall, Barrow, Van, Cart etc.

- 13.1 The design and appearance of the stall, barrow, van or cart etc. to be used must be agreed by the Council.
- 13.2 The Council has a preferred set of standards of design and appearance that they wish to achieve for all street trading pitches based in the central area of Bath.
- All new applicants will be required to use an approved design unless a suitable alternative is agreed
 - All existing Consent Holders will be required to change to an approved design by 1st January 2017, or upgrade the whole or parts of their units, as appropriate
- 13.3 The condition of all pitches will be monitored regularly to ensure that the required standards are maintained.
- 13.4 All consent Holders trading in food products are required to be registered and inspected by the Council's Food Safety Team. Contact details of the Food Safety team can be found on the Council's website.
- 13.5 All consent Holders are required to comply with relevant health and safety regulations including those relating to electrical and gas safety.

14 Issue of Street Trading Consents

- 14.1 An application for a street trading consent or the renewal of such a consent shall be made, in writing, to the Council. Applications can be e-mailed to the Council at: licensing@bathnes.gov.uk .
- 14.2 Consents will not normally be issued for a period of less than six days per week, unless the applicant can provide an alternative scheme acceptable to the Council.
- 14.3 Where a consent has expired the pitch will become subject to paragraphs 14.4 and 14.5 below.
- 14.4 When an existing or new pitch becomes available, the Council will publish a notice inviting applications for the said pitch on its website.
- 14.5 Applications for an existing pitch will be determined by the Licensing Manager or other authority delegated by the Council. Each pitch will be offered to the applicant whose proposal is considered most suitable for the particular pitch. If no suitable application is received then the pitch will be re-advertised.
- 14.6 Any application received by a person less than 17 years of age will be considered by taking into account the provisions contained in the Children and Young Persons Act 1933 and the Children and Young Persons Protection at Work Regulations 1998.
- 14.7 An application for an existing pitch may be refused or revoked if the applicant is found to be unsuitable to hold the consent by reason of having been convicted of a relevant offence, or for any other reason.
- 14.8 The issue of a street trading consent will not normally be delayed where other approvals, permits, licences are required by other departments or statutes except in the case where advice is required from the Council's Food Safety and Health and Safety teams.

15 Fee Structure

- 15.1 The Council may charge such fees as it considers reasonable having regard to pitch location, the size of the Pitch, trading days, hours and the description of goods offered for sale.
- 15.2 The fees will be reviewed and set on an annual basis and any variation advertised by notice in a local newspaper.
- 15.3 Fees for consents must be paid in full in advance:
- in the case of Direct Debits, on a monthly basis
 - all other methods, three months in advance

15.4 Failure to maintain payments as above may result in the consent not being renewed. Where a payment is not made by the due date the Council may charge an administration fee as determined by the Licensing Manager. This will include cheques or Direct Debit requests that are not honoured.

15.5 The Council cannot guarantee that pitches will be available every day and accepts no liability for the loss of earnings in relation to street trading consent holders or their employees.

15.6 In the event of road works, utility or service repairs and other genuine circumstances that affect the use of any pitch, the Licensing Manager will consider appropriate refunds on a case by case basis, provided a written request has been made by the consent holder.

16 Street Trading Consents for which fees are not payable

16.1 The Council will not require the payment of fees for the following street trading activities:

- fetes, carnivals or similar community based and run events
- non-commercial or charitable events
- farmers markets (producer-managed marketplace for local producers to sell their own produce direct to local people); and
- sale of articles by householders on land contiguous with their homes

17 Conditions and Enforcement

17.1 Standard conditions will be attached to every street trading consent detailing the holder's responsibilities to maintain public safety, avoid nuisance and generally preserve the amenity of the locality.

17.2 Specific conditions will also be attached such as the days and hours when street trading is permitted, the goods which may be sold and the size of the pitch.

17.3 Failure to comply with conditions may lead to revocation or non-renewal of a consent.

17.4 Persons trading without a consent and who are not exempt (see 3 above for examples) will be the subject of enforcement action in accordance with the Council's Enforcement Policy. Copies of the Enforcement Policy can be obtained from the Council's Licensing team or website.

17.5 The consent Holder is required to obtain and maintain their own Public Liability Insurance to a minimum of £5m. This will be required to be produced for inspection before any consent is issued and on demand when requested by an officer of the Council.

- 18.3 The Council will take positive steps to stop any unfair/unlawful discrimination, and will carry out positive action where discrimination is found.

Environmental Protection and Licensing Manager

Dear Ms Humphries,

Chelsea Village Party – Application Ref: 15/01369/STTRAD

I live opposite the Methodist church within the immediate area affected by the above application and wish to object to it on the following grounds:

- a. It is **not** a street party in the accepted sense of that term. It is **not** principally for the residents of the two streets affected. It is being imposed on them by a minority of local and outside traders for commercial advantage.
- b. There is no clear community benefit. On the contrary the event will result in considerable inconvenience and nuisance in terms of invasion of privacy, loss of parking, noise from music and the presence of large numbers of people not from the area but attracted by the prospect of eating and drinking in a confined space.
- c. A similar event last year claimed that surplus funds would be donated to charity but it is not clear whether this happened nor what amounts were involved. There is no clarity or transparency on this aspect of the event. Last year the event exceeded its agreed time limits.

Yours faithfully,

A handwritten signature in black ink, appearing to read "David Cheadle".

Dear Mr Tapper,

This Party is a local community event, helping to bring a sense of friendship and community to the area. It gives many people a chance to meet each other and to have fun together.

Chelsea Road is well endowed with good food outlets, and the Party allows them for one day a year to sell their food out on the street in a party atmosphere.

Financially, the prime purpose is not to raise money, but to cover costs. Last year there was a small surplus, which has gone into the fund to plant trees in Chelsea Road. Any profit from this year's event will go to the same fund.

The Party will be stopping this year at 9.00pm rather than 10.00pm.

Yours sincerely,

Peter Heywood
