Spend of Community Infrastructure Levy Income

Date of Meeting	2-Dec-15
The Issue	<i>This report sets out the proposals for the spend of CIL income.</i>
The decision	RESOLVED (unanimously) that the Cabinet agreed that the strategic income from the Community Infrastructure Levy received in 2015/16 should not be allocated this financial year but rolled forward to be added to the spending commitments for 2016/17.
Rationale for decision	In light of the relatively limited amount of Community Infrastructure Levy income this year, rolling it forward to next year is the most appropriate option as it provides the opportunity to make the spend more effective.
Other options considered	The CIL income could be spent this financial year but it is considered that there is greater benefit in rolling it forward.
