P Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

With the exception of staff still undergoing training, all staff will be trained in those aspects of their job relating to the prevention of crime and disorder, the prevention of public nuisance, and will be aware of those aspects of the Health and Safety at Work etc. Act 1974 which relate to their role within the business

b) The prevention of crime and disorder

We will not employ any staff unless they have been properly trained in those aspects of their job which may have an impact on crime and disorder. The only exception will be for staff still undergoing training, providing that they are closely supervised when serving customers

CCTV does cover the store inside and out footage shall be kept for a minimum of 60 days, this footage will be made available to the Police if they request it at any time A alarm will be fitted that has panic buttons linked to the local Police station We would like it also noted that we have many years of experience operating our Newbury and Swindon stores until 5am without causing concern for the local Authorities this is due to our staff being trained to a high standard

c) Public safety

The public Safety side of our business is governed by the Health and Safety at Work etc. Act 1974 and in general we well not be doing anything extra to satisfy the requirements of the Licensing act 2003. We will take care not to leave dangerous items such as dinner knives and glass containers within the reach pf customers at night, when some of them may have consumed alcohol elsewhere before entering the premises
The premise is covered by CCTV and the alleyway at the side of the store is floodlight

d) The prevention of public nuisance

The sale of heated food on our premises does not cause any noise problem in itself. We will make sure that our customer door does not bang shut, and that any alert used to signal that the door has been left open does not create a noise problem for neighbours.

1. Relevance of Licensing Conditions:

The store will ensure that the conditions of the Premises Licences are strictly adhered to. The store will be operated to encourage customers to leave as quietly as possible and deliveries to be made as quietly as possible.

2. Notices at Exit:

Highly visible notices are placed at the entrance asking customers to leave quietly and to respect neighbours and their property

3. Delivery vehicles:

- No delivery vehicles will be moped^{after} midnight.

- All drivers have a label in their car stating "Do not slam car doors, rev engines or play loud music;
- Any member of staff found to be contravening any of the above policies or otherwise creating a nuisance will be subject to the Company's disciplinary procedures;
- No more than five delivery vehicles will be used from 11:30pm Sundays and 01:00 Monday to Saturday

4. Internal noise:

- No music is played in the store
- All doors and windows are kept shut except for access and egress;

5. The name and contact number of the Store Manager is displayed in a position where it can be seen by the public without having to enter the store.

6. Rubbish:

The store sends out a 'Rubbish Patrol' during trading and following closure. They pick up bottles and food wrappings in a designated area. (These are very likely to be from sources other than the store – but they will be collected and disposed of.)

On rare occasions this patrol may be faced with the result of antisocial behaviour such as vomiting and urination. This will be cleared by use with a mop and bucket containing a disinfectant solution.

7. Staff:

Consideration will be given to procedures for staff departures at the end of the evening.

8. Training:

Training at all levels will be conducted to ensure understanding and implementation of this plan.

e) The protection of children from harm

The sale of heated food has no direct relevance to protecting children from harm and we will discharge our responsibilities under the Licensing Act simply by being good citizens.

Dominos Pizza, Long Acre, London Road Bath

Operational Plan

Introduction

It is acknowledged that there may be a conflict between the legitimate right of Dominos to provide hot food and drink beyond 23:00 and other licensable activities and the equally legitimate right of neighbours to enjoy their homes and businesses without disturbance.

It is also acknowledged that takeaways are potential sources of nuisance, antisocial behaviour and crime which may create concern for the immediate neighbourhood, its residents and the authorities.

Definition

This Plan is designed to make the maximum contribution (by using pro-active measures), to reduce disturbance or nuisance to neighbours, both residential and business, and to make the minimum impact upon the neighbourhood in relation to potential nuisance, antisocial behaviour and crime.

This plan is specific to Domino's Pizza, Long Acre, London Road, Bath and its locality, but it includes a number of measures which are common to other Dominos.

This Plan is subject to review and will address problems and concerns as they are identified in order to establish a permanent reduction or elimination of nuisance, antisocial behaviour and crime.

Measures

1. Relevance of Licensing Conditions:

The store will ensure that the conditions of the Premises Licences are strictly adhered to. The store will be operated to encourage customers to leave as quietly as possible and deliveries to be made as quietly as possible.

2. Notices at Exit:

Highly visible notices are placed at the entrance asking customers to leave quietly and to respect neighbours and their property

3. Delivery vehicles:

- No delivery vehicles will be mopeds after midnight.
- All drivers have a label in their car stating "Do not slam car doors, rev engines or play loud music;
- Any member of staff found to be contravening any of the above policies or otherwise creating a nuisance will be subject to the Company's disciplinary procedures;
- No more than five delivery vehicles will be used from 11:30pm Sundays and 01:00 Monday to Saturday

4. Internal noise:

- No music is played in the store

- All doors and windows are kept shut except for access and egress;
5. The name and contact number of the Store Manager is displayed in a position where it can be seen by the public without having to enter the store.

6. Rubbish:

The store sends out a 'Rubbish Patrol' during trading and following closure. They pick up bottles and food wrappings in a designated area. (These are very likely to be from sources other than the store – but they will be collected and disposed of.)

On rare occasions this patrol may be faced with the result of antisocial behaviour such as vomiting and urination. This will be cleared by use with a mop and bucket containing a disinfectant solution.

7. Staff:

Additional Conditions for Domino's Pizza**

1. The Premises Licence Holder will adhere to the attached Operational Plan;

I/We have already made a written representation and have no further comments

At the back of Domino's Pizzeria we have some concerns about the delivery boys way of parking. The problems are not so bad early afternoons but from about 5pm onwards they park on double yellow lines, sometimes in the middle of the road and on occasions have blocked in (and out) local residents who are parked in the spaces outside what have. If emergency vehicles had been needed they would not have clear access on most nights which is of some concern. If they are allowed extra opening the problems will be a lot worse, as people collecting pizzas also park round the back - there is no room.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

I/We have already made a written representation and have no further comments

As we asserted to the Licensing Committee in our objections to Domino's previous application, vehicular movement and management AND parking are integral to Domino's business, involving both home deliveries and take away. Thus these matters should be considered by the committee.

London Road is the historic Roman and Georgian entry to Bath. Its many Listed houses testify that it is also RESIDENTIAL in character. The northern slopes are entirely residential as is the Snow Hill estate.

When B&NES Planning Services gave permission (10/01644/FUL) to Domino's on 25.8.10, it included conditions :- eg "2) The use hereby approved shall not be carried on and no customer shall be served or remain on the premises outside of the operational hours of 09:00- 01:30 commencing on the days from Monday to Saturday and 10:00-23:30 hours on Sundays and Bank holidays.

REASON: TO SAFEGUARD THE AMENITIES OF NEARBY OCCUPIERS"

"3) No service vehicles unloading at the premises shall arrive outside the hours of 09:00 to 15:00 hours Monday to Friday. There shall be no unloading on Saturday and Sundays.

REASON: TO SAFEGUARD THE AMENITIES OF NEARBY OCCUPIERS."

"8) Prior to the use commencing, a final Travel Plan shall be submitted to and approved in writing by the Local Planning Authority and shall be implemented in accordance with the approved details. **REASON: IN THE INTERESTS OF HIGHWAY SAFETY AND SUSTAINABLE DEVELOPMENT."**

"9) Before works commence, plans showing the designated delivery vehicle and staff parking spaces and service vehicle loading bay in addition to a secure and sheltered cycle parking area (providing for 5 cycles) shall be submitted to and approved in writing by the Local Planning Authority. These areas shall be marked and installed prior to the use commencing and shall not be used other than for the parking of vehicles in connection with the development hereby permitted. **REASON: IN THE INTERESTS OF HIGHWAY SAFETY AND SUSTAINABLE DEVELOPMENT."**

Domino's last Licensing application Operational Plan stated on page 19 box d) point 3 "After 11:30 on Sundays and 01:00 Monday to Saturday, all delivery vehicles will park in the bay at the FRONT of the store on the main London Road TO REDUCE any potential disturbance to residents ."

In other words in January, Domino's acknowledged in its Operational Plan that the site is residential.

However the current application reads differently - please see page 19 box d) point 3 . It now wants to park 5 vehicles BEHIND the store ie regardless of possible disturbance to

residents of Walcot House. Furthermore, the Planning Decision Notice stated :-
 "10) Notwithstanding the approved plans no more than FOUR delivery vehicles shall be parked within the site at any one time. REASON: IN THE INTERESTS OF HIGHWAY SAFETY AND AMENITY."

Since the last hearing Domino's has opened. There have been repeated instances of parking on the pavement IN FRONT of the store eg :- 1) On the evening of 15.02.11 (the day the blue notices were properly repositioned) the pavement was completely blocked by 3 parked vehicles so that pedestrians had to step into and walk along London Road -at 20.45. 2) at 11am on Monday 7th March a large delivery lorry was parked in the roadway outside Domino's facing oncoming eastbound traffic which was obliged to pull out and cross the middle of the road in the face of westbound traffic. We believe the consequence is dangerous and further adds to London Road's congestion. In addition, there have been numerous examples of cars parked illegally on the pavement at the front presumably pizza buying customers.

These points should all be properly addressed by the Licensing Committee and Law Enforcement Authorities. There is no justification for approving Domino's latest attempts to circumvent the Planning Authority decision.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

I am concerned about this application for the following reasons:

London Road experiences inner city problems of late night noise and disorder, whilst not enjoying the advantage of city centre night time supervision. Ever late opening hours will only encourage more people to congregate, bringing with them increased probability of disorder, noise and crime.

London Road and the Snow Hill Estate are residential areas: they are not incidental appendages of the London Road thoroughfare. Late night delivery vehicles arriving and departing will further disturb residents. It should be noted that according to Somer's estate manager (12.2.11) five flats in Chelsea House have resident children and in Walcot House 10 flats have resident children.

The London Road is already too well provided with late night food venues, and with the filling station thrown in for good measure, I am beginning to wonder whether we are soon to be designated as a motorway service station.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.
