Update:

The Conservation Officer has provided a brief email update which has been published on the file and website. This email clarifies that there is no objection to the scheme.

Condition 5 has been amended to include the wording '*The works shall thereafter take place in accordance with these approved details*'. This is shown in full below:

No development or other building operations shall commence until a detailed methodology and plan have been submitted demonstrating how the historic boundary wall will be protected during construction. The works shall thereafter take place in accordance with these approved details
