Norton-Radstock Regeneration Traffic Regulation Orders

Date of Meeting	14-Sep-11
The Issue	<i>To consider the Traffic Regulation Orders required for the proposed highway improvement works associated with the Norton Radstock Regeneration Project, and either agree, alter, or remove some of the proposed elements</i>
The decision	(1) To DEFER consideration of the Traffic Regulation Orders until a future date
Rationale for decision	The Cabinet wishes to take further opportunities to listen to representations from the community and to consider the available survey data. Deferral will not prejudice the intention to regenerate Radstock.
Other options considered	A number of alternative options were evaluated as part of the planning process, which will all be taken fully into account when the item returns to Cabinet
The Decision is subject to Call-In within 5 working days of publication of the decision
