Youth Service Vision & Young People's Pledge

Date of Meeting	14-Mar-12
The Issue	<i>This is a report to seek the approval of the Youth Service Vision & Young People's Pledge following a full review of the service in 2011. This will help to promote to all partners what we are aiming to deliver now and who we aim to work with.</i>
The decision	(1) To ADOPT the Youth Service Vision and Young People's Pledge; and (2) To AGREE that both the Youth Service Vision and Young People's Pledge can be used as part of the publicity campaign to effectively communicate to young people, their parents and wider stakeholders what we aim to achieve when working with young people in Bath and North East Somerset Youth Service and the outcomes we plan to deliver and the approach we will take.
Rationale for decision	This work has been an on-going process over the last year; the work has been developed through a robust process and has been widely consulted upon. Much of the wording has come direct from staff and young people themselves. Therefore the Cabinet has been asked to adopt both documents in full.
Other options considered	No other options were considered.

The Decision is subject to Call-In within 5 working days of publication of the decision
