Saltford Station Business Case

Date of Meeting	13-Jun-12
The Issue	<i>Seek authority and finance to develop the business case for the re-opening of Saltford Station</i>
The decision	(1) To AGREE a budget of £100,000 to undertake a High Level Option Assessment as set out in the report, to be funded from the Council's Revenue Budget Contingency; and (2) To AGREE that any further requests for funding will be considered following completion and consideration of this Assessment.
Rationale for decision	There is wide spread support for the re-opening of Saltford Station which would provide a quick means of travelling into both Bristol and Bath allowing interchange to longer distance services. Transfer of car users to train use would reduce pressures on existing road and reduce congestion.
Other options considered	None
