8 Application for a Premises Licence for Pizza La Vita, 6 Cork Place, Upper Bristol Road, Bath, BA1 3BB

Applicant: Pizza La Vita, 6 Cork Place, Upper Bristol Road, Bath, BA1 3BB, Claire Burford (owner) and Yasser Ibrahim (shop manager).

The Licensing Officer summarised the application which was for a new Premises Licence. The details of the application were set out in paragraph 4.2 of the report.

The Licensing Officer confirmed that one representation had been received from a local resident regarding the prevention of public nuisance particularly, noise and

odours. She stated that additional information from the applicant had been circulated to all parties in advance of the hearing in respect of the representation.

The applicant stated her case and explained that they wished to provide late night refreshment until 1am on Friday, Saturday and Sunday evenings to improve their business. If the additional opening hours did not prove successful they would close at 12 midnight. She believed the majority of orders would be made on line at this time and therefore be delivery only. She had been operating in the premises since July with A5 planning use and said that they had had no disturbances in that period. In respect of the complaint about the noise outside from staff using mobile phones and the radio, she had spoken to them about this and they would do this inside and keep the doors shut. She stated that the premises had been inspected by the Council and fully discharged.

The interested party and councillors asked some questions of the applicant and her responses are summarised below:

- She believed orders would be placed on line and not by people on the way back from town;
- Oil in the deep fat fryers was changed twice weekly, the fryer was a small table top one with a flue;
- Staff no longer used their phones outside or the radio;
- Vehicles were used for delivery and parked at the front of the premises and they employed one driver full-time and one part-time;
- She confirmed that other nights the premises closed at 11pm.

The interested party presented her case and stated that 2 hours later opening would, she believe, attract more customers late at night on their way home from town. She did not believe that the majority of orders would be on line. Her young daughter had been disturbed by noise at the back of the premises. In respect of the odours from the fryer it was not possible for her to sit in the back yard in the summer or open her windows. She had lived in her property for 13 years and there had not been any previous problems.

The councillors and the applicant asked questions of the interested party and her responses are summarised below:

- The interested party had not contacted the Council's Environmental Health but had contacted Planning, it was suggested that she contact Environmental Health as they would investigate any problems;
- Her property was set back from the road so she was not unduly disturbed from people walking home from town, occasionally larger groups of people;
- The previous pizza business did not use a fryer;
- Cars would pull up outside for pizza mainly on Saturdays.

The Licensing Officer stated that she had informed the interested party about contacting Environmental Health about the odours from the premises. She added that the hours of opening on the planning permission for the premises were 9.00pm Monday to Saturday and 8.30pm on a Sunday and there were restrictions on the appliances to be used. She suggested that the applicant should contact Planning in respect of the planning permission for the premises.

In summing up the applicant stated that they wished to come to an agreement with the interested party and wanted to keep their neighbours happy, they only wished to extend the hours at the weekend. Her manager added that they would do whatever was asked of them and the other flat nearby was happy with the application. The interested party concluded by stating that she was not sure what agreement could be reached in respect of the odours.

Following an adjournment it was

RESOLVED to refuse the application for a premises licence for Pizza La Vita, 6 Cork Place, Upper Bristol Road, Bath BS1 3BB.

Reasons for decision

Members have today determined an application for the grant of a new premises licence for Pizza La Vita, 6 Cork Place, Upper Bristol Road, Bath.

In doing so they took into account of the Licensing Act, Human Rights Act, the Council's Policy and the Statutory Guidance.

Members were aware that the proper approach under the Licensing Act was to do only what was appropriate, necessary and proportionate to promote the licensing objectives in light of what was presented to them.

Members considered the relevant oral and written representations and took account of the evidence put before them. They were careful to balance the competing interests of the applicant, and those of the Interested Party, in reaching a decision.

Members noted that representations had been made by the Interested Party who was an adjoining neighbour to the premises, on the basis that there might be an increase in noise an anti-social behaviour, if the application was granted. She had also stated that she was disturbed by noise from employees using their mobile phones and smoking outside the premises and by customers, parked on the public highway. The issue of noise caused by customers parked on the public highway did not fall to be considered under the Licensing Act and so Members disregarded this.

The Interested Party also alleged that smell nuisance was being emitted from the premises to the extent that she could not open her windows or sit in her back yard in the summer. Members noted that no representations had been made by the Environmental Services Officer and that the Interested Party had not contacted the Officer.

Members noted the written response from the applicant on the representations that had been made. The applicant had stated that the premises were on a busy road and, in the application, that the buildings opposite were empty warehouses. The applicant also stated that it was her intention to open on a Friday, Saturday and Sunday to 01.00 the following morning and that if this did not work the premises would close at 12.00 midnight on these days. She stated that signage was displayed asking the customers to respect the neighbours and to leave quietly and she had already asked her employees to be quiet when using their mobile phones outside the

premises. She also confirmed that the premises had a full ventilation system which had been checked by the Council.

However, Members considered that the representations made regarding smell nuisance had such a negative impact on the promotion of the licensing objective of the prevention of public nuisance, that they decided to refuse to grant the application.

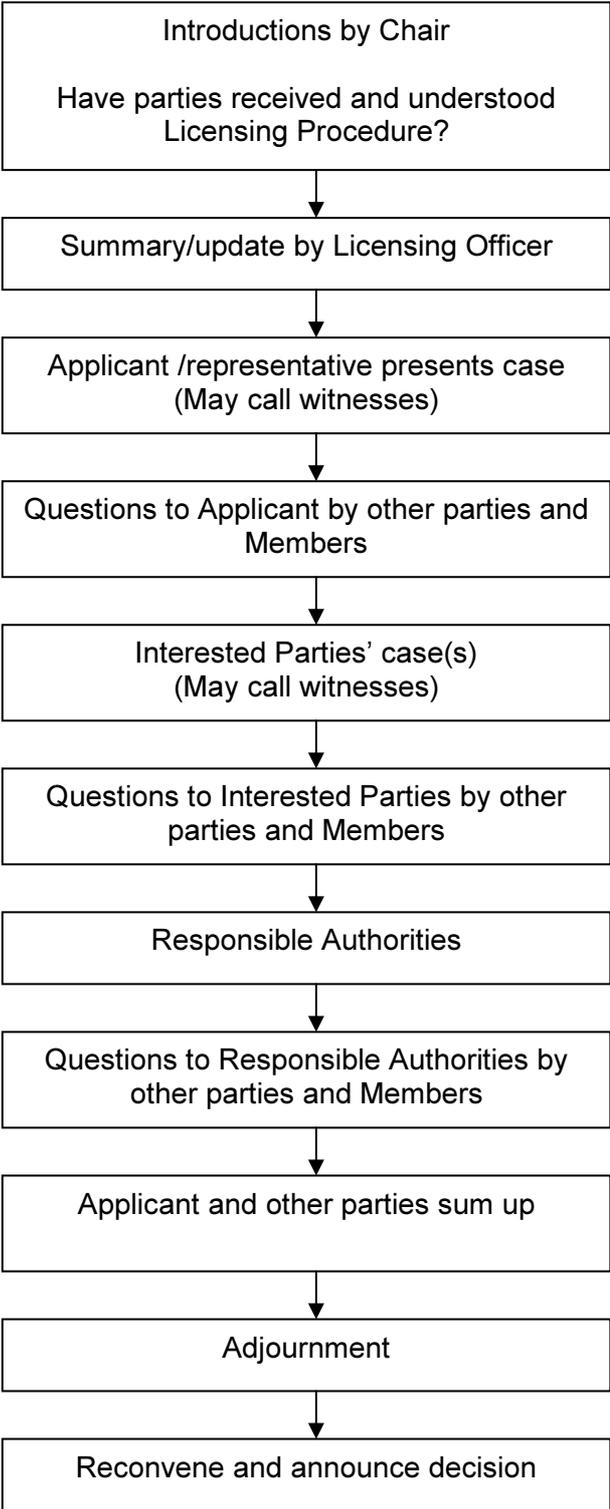

The meeting ended at 3.06 pm

4.5 The Licensing Act 2003 (Section 4) states that it is the duty of all Licensing Authorities to carry out their functions under the Act with a view to promoting the licensing objectives. The licensing objectives are:-

- a) The Prevention of Crime and Disorder.
- b) Public Safety.
- c) The Prevention of Public Nuisance, and
- d) The Protection of Children from Harm.

Each objective is of equal importance; there are no other licensing objectives so these four are of paramount consideration at all times. When considering applications/representations /notifications the Licensing Authority will have regard to these licensing objectives.

4.6 The Licensing Authority may vary and grant the application with or without additional conditions.

4.7 The Licensing Authority can refuse the variation or part of the variation as it considers necessary for the promotion of the licensing objectives.

4.8 The Licensing Authority may not however do anything to reduce the effect of the rights guaranteed by the existing premises licence.

4.9 Section 4(3) Licensing Act 2003 states that the Licensing Authority should also have regard to the Council's Licensing Policy, the Statutory Guidance issued under Section 182 of the Licensing Act 2003, and the Licensing Act itself, and in particular to:-

- a) Paragraphs 3, 5, 6, 9,10, 16, 17, 18, 19, 20, 23, 24, 28, 30, 33, 35, 36, 37, 41 to 44 inclusive of the policy.
- b) Chapters 8, 9 and 10 of the Statutory Guidance (as revised October 2012)
- c) Sections 4, 9, 10, 13, 34, 35, 36, 182 and 183 of the Act.

4.10 The Licensing Authority recognises that Licensing and Planning are separate regimes. Where an application is granted by the Licensing Authority which would require planning permission this would not relieve the applicant of the need to obtain that permission. It will still be necessary for the applicant to ensure that he/she has **ALL** the necessary permissions in place to enable them to run the business within the law.

4.11 If the application is refused the applicant may appeal within 21 days of the notification to the Magistrates Court.

If the application is granted the person making the relevant representation may appeal within 21 days of the notification to the Magistrates Court.

On appeal the court may either dismiss the appeal; substitute the decision appealed against for any other decision which could have been made by the Licensing Authority, or remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court. The court may make such order for costs as it thinks fit.

- 4.12 In accordance with the requirements of the Act the applicants served copies of the application upon the Police, the Fire Authority, Environmental Health, Development Control, Trading Standards, the Director of Public Health and the Child Protection Agency.
- 4.13 The applicant is required to place a notice at the premises for a period of 28 days starting the day after the application is made and place an advert in a local newspaper within 10 working days of submitting the application to the licensing authority.
- 4.14 **Representations** have been received from local residents concerned that the applicant's proposals will undermine the licensing objectives relating to the prevention of crime and disorder and the prevention of public nuisance (Annex D).
- 4.15 This report has not been sent to the Trades Union because they would have no involvement in this application.

5 RISK ASSESSMENT

- 5.1 A risk assessment related to the issue and recommendations has been undertaken, in compliance with the Council's decision making risk management guidance.

6 EQUALITIES

- 6.1 An Equality Impact Assessment (EqIA) has been completed. No adverse or other significant issues were found.

7 CONSULTATION

- 7.1 In accordance with the Licensing Act 2003 (Premises Licence and Club Premises Certificate) Regulations 2005, the applicant has given notice of the application to all the relevant Responsible Authorities and has advertised the application in the manner prescribed, both at the premises and within a local publication.

8 ISSUES TO CONSIDER IN REACHING DECISION

- 8.1 When reaching a decision, the licensing authority must carry out its functions with a view to promoting the four licensing objectives.
- 8.2 Consideration must be given to the Human Rights Act 1998 and the "convention rights".

9 ADVICE SOUGHT

- 9.1 The Council's Monitoring Officer (Divisional Director – Legal & Democratic Services), s.151 Officer (Divisional Director – Finance) and the Divisional Director have had the opportunity to input to this report and have cleared it for publication.

b) The prevention of crime and disorder

CCTV will be installed and working to the satisfaction of the Police and Licensing Authority. The CCTV equipment will work at all times the licence is in operation and records must be maintained for a minimum of 28 days. If the CCTV equipment fails the Police and Licensing Authority must be informed as soon as possible and immediate steps will be taken to put the equipment back into action. The Designated Premises Supervisor will maintain a register containing the full name, SIA badge number and the time the door supervisor is on and off duty. This register will only be used for this purpose and will be maintained for a period of 12 months. It will be made available for inspection by the police and licensing authority.

c) Public safety

d) The prevention of public nuisance

Doors and windows will be kept closed during the provision of indoor regulated entertainment, except for access to and egress from the premises.

During regulated entertainment staff will regularly check the outside of the premises to ensure the noise levels are within acceptable levels.

e) The protection of children from harm

A challenge 21 policy will be employed whereby those individuals who appear to be under the age of 21 and are attempting to purchase alcohol will be asked to provide identification. The only type of identification that will be accepted is a passport, photo driving licence or any PASS accredited identification. Try to be as specific as possible and give examples e.g. *On 1 February I could hear loud music from the premises between 10pm and 1 am. I am concerned that if the premises open until 2 am this will cause a nuisance to me and other residents of the street.*

I/We have already made a written representation and have no further comments

I have lived within 100 metres of the Warwick Arms for the past sixteen years, and am accustomed to general pub/restaurant noise.

However, the concept of amplified music played regularly, late into the night; the inevitable shrieks and yells of people frequenting the premise and passing close to my property in the hours of darkness; the potential for increased, care-free driving on a stretch of road where a number of accidents have occurred in the recent past, and where the speed restriction is seldom adhered to, are all anathema to me.

And what of the ten warden-assisted properties immediately opposite the Warwick Arms, many of whose residents are elderly, frail and house-bound? Should they be subjected to this?

Badly done, Greene King! Badly done!

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

Try to be as specific as possible and give examples e.g. On 1 February I could hear loud music from the premises between 10pm and 1 am. I am concerned that if the premises open until 2 am this will cause a nuisance to me and other residents of the street.

I/We have already made a written representation and have no further comments

I AM CONCERNED ABOUT THE NOISE.
WE HAVE ACROSS THE ROAD ELDERLY

IS TOTALLY UNACCEPTABLE. YOUNG PEOPLE
HANGING ROUND IN THE CARPARK BEING

KIND OF ANTI-SOCIAL BEHAVIOUR, SOMETIMES
DOING DAMAGE TO PROPERTY

We have suffered in the past from noise after midnight from people leaving the premises and have had our car damaged resulting in a cracked windscreen. This incident occurred before the last franchise Taylor Made Steaks.
We are very concerned that extended drinking hours will result in noise and disturbance especially for the elderly residents living in sheltered accommodation immediately opposite the Warwick Arms.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

I live directly opposite The Warwick Arms.
I am very concerned that if the premises remain open untill 2 am with loud music & flashing lights the residents of Warwick Gardens who are all elderly will not be getting very much sleep.

My Concerns are for my family and neighbours, most of whom are elderly. Our street is 10 residential homes directly across from the Warrick Arm. The noise plus traffic from the car park at 2am will be intolerable. People wandering around drunk and noisy. Vanderalism is no stranger to these Ports. No late Bus Service, the chances of a fatal accident are very high. No local Police if a problem develops.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

A) This proposal is situated opposite elderly sheltered accommodation.

B) This road is lethal to cross as it is and a new pedestrian crossing has been implemented just down from this building for children and adults to cross and people have been killed crossing from this pub at the normal opening times.

C) Will encourage drink drivers as the taxi fares from bristol or bath is extortionate. We are quite consistently woken by cars wheel spinning out of the car park and this is normal pub hours. Also Clutton is a tiny village and will be used as a cut through for people getting back to Bath and surrounding areas.

D) Will encourage anti social behaviour (cars have already demolished our walls over the years and we have bottles thrown in our garden constantly)

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.
