77 EXCLUSION OF THE PUBLIC

RESOLVED that, the Committee having been satisfied that the public interest would be better served by not disclosing relevant information in accordance with the provisions of Section 100(A)(4) of the Local Government Act 1972, the public shall be excluded from the remainder of meeting business because of the likely disclosure of exempt information as defined in paragraphs 1 and 2 of Part 1 of Schedule 12A of the Act, as amended.

78 APPLICATON FOR HACKNEY CARRIAGE/PRIVATE HIRE DRIVER'S LICENCE - MR A G D

The Applicant confirmed that he had received and understood the procedure to be followed for the hearing.

The Senior Public Protection Officer summarised the report. A DBS check had revealed that Mr AGD had received a formal police caution within the previous three years contrary to paragraph 5(d) of the Council's Policy on Convictions, Cautions and Fixed Penalty Notices. He provided Members with copies of a DBS certificate in respect of Mr AGD, a statement from him and three references given on his behalf. The hearing was adjourned to allow Members time to study these documents.

After the adjournment the Applicant stated his case and was questioned by Members. He also made a closing statement.

Following a further adjournment the Sub-Committee **RESOLVED** that Mr AGD was a fit and proper person to hold a combined Hackney Carriage/Private Hire Driver's Licence.

Reasons

Members have had to determine an application for a combined Hackney Carriage/Private Hire Driver's Licence. In doing so they took account of the Local Government (Miscellaneous Provisions) Act 1976, Human Rights Act 1998, case law and the Council's Policy.

With regard to the offence Mr AGD said he made a mistake after which he called the police and wanted to be dealt with. He stated that it was a one off incident, that he does not have a problem with anger and that he hoped it would not happen again.

In making their determination Members took account of the applicant's oral representations, his statement, references and balanced these against the information provided by the Disclosure and Barring Service.

Members noted that the Council's Policy stated where an applicant has a conviction for an offence such as an assault they are expected to have remained free from conviction for a period of 3 years. Members were, however, mindful that each case should be decided on its own merits and that they may depart from the policy where there are reasons for doing so. In this case the formal police caution was received in 2014. Whilst this falls squarely within the policy Members felt it was a one off incident and was very unlikely to occur again. Members therefore found Mr M a fit and proper person to hold a combined Hackney Carriage/Private Hire Driver's Licence and grant the application.

79 CONSIDERATION OF CONVICTION OBTAINED - MR Z M

The Applicant stated that he had not received the procedure to be followed for the hearing or a copy of the agenda report. He had emailed the Senior Public Protection on 7th November enquiring about the time and location of the hearing and had received an automatic out-of-office response. He had only received a response on 16th November, to which he had replied stating that he had not received the procedure or the report. Now that he had received the procedure and report, he requested that the hearing be deferred to allow him the opportunity to read the report, familiarise himself with the procedure to be followed and perhaps take advice from his union, the GMB, whom he had already contacted.

Following an adjournment the Sub-Committee **RESOLVED** to defer the hearing to 1st December 2015 when Mr M should attend and present his case.

Reasons

Members considered the applicant's request to defer the meeting for him to consider the hearing procedure which he had received yesterday. In all the circumstances and in the interests of openness, transparency and fairness Members resolved to defer the meeting until 1 December 2015 where the licensee should present his case.

The meeting ended at 11.45 am

PLEASE NOTE:

- Where the Committee considers it necessary the procedure may be varied.
- In circumstances where a party fails to attend the Committee will consider whether to proceed in absence or defer to the next meeting. Should a matter be deferred the deferral notice will state that the matter may proceed in a party's absence on the next occasion. In deciding whether to proceed all notices, communications and representations will be considered.
- Only in **exceptional circumstances** will the Committee take account of additional late documentary or other information and will be at the discretion of the Chair and on notice to all the other parties. No new representations will be allowed at the hearing.
- The Committee will disregard all information or representations considered irrelevant.
- The hearing will take the form of a discussion. The Committee will allow parties to the proceedings to ask questions. Formal cross examination will be discouraged and, should they be necessary, supplementary questions allowed for clarification purposes only.
- Parties will have an equal amount of time to present their cases. Whilst time limits are at the Chair's discretion, in the interests of cost and efficiency, presentations will not normally exceed **twenty minutes** to include summarising the case. Time limits will not include the time taken for questions.

N.B.

1. Where there is more than one party making relevant representations the time allocated will be split between those parties.
 2. Where several parties are making the same or similar representations it is suggested that one representative is appointed to avoid duplication and to make the most efficient use of the allocated time.
 3. Where an objection is made by an association or local residents group, a duly authorised person – as notified to the Licensing authority – may speak on behalf of that association or local residents group.
- The Chair may request that persons behaving in a disruptive manner should leave the hearing and their return refused, or allowed subject to conditions. An excluded person is however, entitled to submit the information they would have been entitled to present had they not been excluded.
 - Bath & North East Somerset Council is committed to taking decisions in an honest, accountable and transparent fashion. On occasion however, it may be necessary to exclude members of the press and public pursuant to the Local Government Act 1972 Schedule 12 (a). In those circumstances reasons for such decisions will be given.
 - If a person has special needs regarding access, hearing or vision, this should be brought to the Licensing Authority's attention prior to the hearing so that reasonable adjustments may be made.

Exempt Report Title: CONSIDERTION OF FIT AND PROPER PERSON IN THE ABSENCE OF A VALID DBS CERTIFICATE
 Exempt Appendix Title:
Annex A – Current Combined Hackney Carriage/Private Hire Drivers Licence
Annex B – Letter dated 8th June 2015.
Annex C – Letter dated 23rd July 2015.
Annex D - Policy on Hackney Carriage and Private Hire Licensing Standards – Drivers, Vehicles and Operators

The Report contains exempt information, according to the categories set out in the Local Government Act 1972 (amended Schedule 12A). The relevant exemption is set out below.

Stating the exemption:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the Report be withheld from publication on the Council website. The paragraphs below set out the relevant public interest issues in this case.

PUBLIC INTEREST TEST

If the sub-Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters.

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local Government Act 1972. The officer responsible for this item believes that this information falls within the following exemptions and this has been confirmed by the Council's Information Compliance Manager.

The following exemptions are engaged in respect to this report:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

Exemptions 1 and 2 above must be considered in conjunction with the Principles of the Data Protection Act 1998 (DPA). It is considered that disclosure of the information in this report would breach the first principle of the DPA, which requires personal data to be fairly and lawfully processed. Further, as any information revealed by the Criminal Records Bureau check is likely to constitute sensitive personal data in terms of the DPA, this information cannot be disclosed by the Council without the explicit consent of the individual concerned.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. It is considered that there is a public interest in information about individuals applying for taxi licences in the area, and in particular, information as to the backgrounds of those individuals.

Other factors in favour of disclosure include:

- furthering public understanding of the issues involved;
- furthering public participation in the public debate of issues, in that disclosure would allow a more informed debate;
- promoting accountability and transparency by the Council for the decisions it takes;
- allowing individuals and companies to understand decisions made by the Council affecting their lives and assist individuals to challenge those decisions.

However there is a real risk that the first Principle of the DPA will be breached by this disclosure, and that the individual/s concerned could bring a successful action against the Council if the disclosure occurred. Therefore it is recommended that exemptions 1 and 2 in Schedule 12A stand. The Council considers that the public interest is in favour of not holding this matter in open session at this time and that any reporting on the meeting is prevented in accordance with Section 100A(5A)

Due to the factors outlined above, further consideration has not been given to the application of exemption 3 of Schedule 12A.

By virtue of paragraph(s) 1, 2, 3 of Part 1 of Schedule 12A
of the Local Government Act 1972.
