32 CONSIDERATION OF VEHICLE SUITABILITY TO BE LICENSED AS A PRIVATE HIRE VEHICLE

Applicant: Mr P Buckland

The applicant confirmed that he understood the procedure to be followed for the hearing.

The Senior Public Protection Officer presented the report. The applicant had applied for a grant of a Private Hire Vehicle licence. At the time of the application, the applicant's vehicle was 5 years and two months old, and so fell outside the Council's policy. The policy provides that at the time of first licence a vehicle must normally be less than 5 years old and that "any vehicle presented for licensing which is older than 5 years at the date of application will be referred to the relevant Council Licensing Sub-Committee for determination." The vehicle was fully compliant in every other respect with the Private Hire licence conditions, and had passed a licensed vehicle mechanical compliance check at an authorised garage. The applicant had believed

that because the vehicle was first registered in 2012, the vehicle would be within the five years criterion.

The Sub-Committee adjourned so that Members could inspect the vehicle.

After the Sub-Committee reconvened, the applicant stated his case. He said that he had known of the five-year rule, but that he had believed that the car was within the limit because it was a 2012 vehicle. He thought the five-year period ran from year to year, and had not realised it was calculated from the registration date. He was outside the 5-year limit by two months. In response to a question from the Chair he stated that he was already a licensed driver, and that the vehicle was a replacement for his current vehicle. Responding to the Senior Public Protection Officer, he explained that the vehicle was wheelchair-accessible and that he had for 12 years specialised in providing a service to wheelchair users, adding that there were few wheelchair accessible private hire vehicles in service.

Following an adjournment the Sub-Committee **RESOLVED** to grant the application, subject to the submission by the applicant of required documentation. Authority was delegated to the Senior Public Protection Officer accordingly.

Reasons

Members have had to determine an application for a Private Hire Vehicle Licence. In doing so they took account of the Local Government (Miscellaneous Provisions) Act 1976, Human Rights Act 1998, the Council's Policy and the applicant's oral representations. Members also had the benefit of an inspection of the vehicle.

The applicant stated that he had misunderstood the Policy and thought it was registration year rather than first licence that was the important date. He and bought a wheelchair accessible vehicle because there are not many of them in the Private Hire sector as he specialises in that market. It was accepted that the vehicle does not meet the requirements of the council's standard conditions.

Members reminded themselves of the Local Government (Miscellaneous Provisions) Act 1976 and the Council's Private Hire Vehicle Licence general conditions. These state they must be satisfied that the vehicle is suitable in type, size and design for use as a private hire vehicle and furthermore is safe, comfortable and less than 5 years old when first licensed.

Having inspected the vehicle Members found the vehicle in exceptionally good condition and were satisfied that the vehicle was suitable in type, size and design. Given that the vehicle was only 2 months outside the Policy at the time of application, has low millage, is wheel chair accessible and there is a shortage of wheelchair accessible vehicles in the PHV sector Members take the exceptional step on this occasion of departing from their Policy on this occasion. Members therefore delegate authority to the licensing officer to issue the license subject to all necessary certification being provided.

The meeting ended at 10.32 am

N.B.

1. Where there is more than one party making relevant representations the time allocated will be split between those parties.
 2. Where several parties are making the same or similar representations it is suggested that one representative is appointed to avoid duplication and to make the most efficient use of the allocated time.
 3. Where an objection is made by an association or local residents group, a duly authorised person – as notified to the Licensing authority – may speak on behalf of that association or local residents group.
- The Chair may request that persons behaving in a disruptive manner should leave the hearing and their return refused, or allowed subject to conditions. An excluded person is however, entitled to submit the information they would have been entitled to present had they not been excluded.
 - Bath & North East Somerset Council is committed to taking decisions in an honest, accountable and transparent fashion. On occasion however, it may be necessary to exclude members of the press and public pursuant to the Local Government Act 1972 Schedule 12 (a). In those circumstances reasons for such decisions will be given.
 - If a person has special needs regarding access, hearing or vision, this should be brought to the Licensing Authority's attention prior to the hearing so that reasonable adjustments may be made.

Exempt Report Title: Application For Hackney Carriage/Private Hire Driver's Licence

Exempt Appendix Title:

Exempt Annex A – Application Form

Exempt Annex B - Policy on Previous Convictions, Cautions and Fixed Penalty Notices.

The Report contains exempt information, according to the categories set out in the Local Government Act 1972 (amended Schedule 12A). The relevant exemption is set out below.

Stating the exemption:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the Report be withheld from publication on the Council website. The paragraphs below set out the relevant public interest issues in this case.

PUBLIC INTEREST TEST

If the sub-Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters.

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local Government Act 1972.

The officer responsible for this item believes that this information falls within the following exemptions and this has been confirmed by the Council's Information Compliance Manager.

The following exemptions are engaged in respect to this report:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

Exemptions 1 and 2 above must be considered in conjunction with the Principles of the Data Protection Act 1998 (DPA). It is considered that disclosure of the information in this report would breach the first principle of the DPA, which requires personal data to be fairly and lawfully processed. Further, as any information revealed by the Disclosure and Barring Service (DBS) check is likely to constitute sensitive personal data in terms of the DPA, this information cannot be disclosed by the Council without the explicit consent of the individual concerned.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. It is considered that there is a public interest in information about individuals applying for taxi licences in the area, and in particular, information as to the backgrounds of those individuals.

Other factors in favour of disclosure include:

- furthering public understanding of the issues involved;
- furthering public participation in the public debate of issues, in that disclosure would allow a more informed debate;
- promoting accountability and transparency by the Council for the decisions it takes;
- allowing individuals and companies to understand decisions made by the Council affecting their lives and assist individuals to challenge those decisions.

However there is a real risk that the first Principle of the DPA will be breached by this disclosure, and that the individual/s concerned could bring a successful action against the Council if the disclosure occurred. Therefore it is recommended that exemptions 1 and 2 in Schedule 12A stand. The Council considers that the public interest is in favour of not holding this matter in open session at this time and that any reporting on the meeting is prevented in accordance with Section 100A(5A)

Due to the factors outlined above, further consideration has not been given to the application of exemption 3 of Schedule 12A.

By virtue of paragraph(s) 1, 2, 3 of Part 1 of Schedule 12A
of the Local Government Act 1972.

Exempt Report Title: FAILURE TO RETURN REQUIRED DBS CERTIFICATE

Exempt Appendix Title(s):

**Exempt Annex A – Current Combined Hackney Carriage/Private Hire
Drivers Licence**

Exempt Annex B – Letter dated 27th June 2017.

Exempt Annex C – Letter dated 27th July 2017.

**Exempt Annex D - Policy on Hackney Carriage and Private Hire
Licensing Standards – Drivers, Vehicles and Operators**

The Report contains exempt information, according to the categories set out in the Local Government Act 1972 (amended Schedule 12A). The relevant exemption is set out below.

Stating the exemption:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the Report be withheld from publication on the Council website. The paragraphs below set out the relevant public interest issues in this case.

PUBLIC INTEREST TEST

If the sub-Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters.

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local Government Act 1972. The officer responsible for this item believes that this information falls within the following exemptions and this has been confirmed by the Council's Information Compliance Manager.

The following exemptions are engaged in respect to this report:

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information)

Exemptions 1 and 2 above must be considered in conjunction with the Principles of the Data Protection Act 1998 (DPA). It is considered that disclosure of the information in this report would breach the first principle of the DPA, which requires personal data to be fairly and lawfully processed. Further, as any information revealed by the Disclosure and Barring Service (DBS) is likely to constitute sensitive personal data in terms of the DPA, this information cannot be disclosed by the Council without the explicit consent of the individual concerned.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. It is considered that there is a public interest in information about individuals applying for taxi licences in the area, and in particular, information as to the backgrounds of those individuals.

Other factors in favour of disclosure include:

- furthering public understanding of the issues involved;
- furthering public participation in the public debate of issues, in that disclosure would allow a more informed debate;
- promoting accountability and transparency by the Council for the decisions it takes;
- allowing individuals and companies to understand decisions made by the Council affecting their lives and assist individuals to challenge those decisions.

However there is a real risk that the first Principle of the DPA will be breached by this disclosure, and that the individual/s concerned could bring a successful action against the Council if the disclosure occurred. Therefore it is recommended that exemptions 1 and 2 in Schedule 12A stand. The Council considers that the public interest is in favour of not holding this matter in open session at this time and that any reporting on the meeting is prevented in accordance with Section 100A(5A)

Due to the factors outlined above, further consideration has not been given to the application of exemption 3 of Schedule 12A.

By virtue of paragraph(s) 1, 2, 3 of Part 1 of Schedule 12A
of the Local Government Act 1972.
