1.	<p>Working Together: Our Budget, Our Plans and Our Communities</p> <p>We look forward to welcoming members of the Bath City Forum, CAM Valley Forum, Bathavon North Forum and the 3rd Sector Group to the Councils Budget Presentation on 10th December 2018.</p> <p>This will build on last year's budget discussion in which the challenges which the Council faces were set out. This year's presentation will focus on the Council's current priorities and provide examples of how some savings have already been met, including successful community initiatives. This is a meeting that is also open to the public, please share these details with anyone in your network who may wish to attend.</p> <p>To aid the discussion, you may like to review the Council's Medium Term Financial Strategy which was presented to Cabinet on 31st October https://democracy.bathnes.gov.uk/documents/s53201/E3003z%20BATHNESMTFS.pdf</p> <p>Also, the paper on Influencing the Central Government Policy agenda which was presented to Full Council on 8th November https://democracy.bathnes.gov.uk/ielssueDetails.aspx?IId=26880&PlanId=0&Opt=3#A122786. Some amendments to this were made at Council and the document will be updated in due course.</p> <p>There will be further opportunity comment on the Council's Budget at the Scrutiny Panels taking place in January and February 2019. Further information on the panels can be found here. Also at Full Council on 19th February 2019.</p>
