65 MINUTES - 12TH NOVEMBER 2020 & 21ST JANUARY 2021

On a motion from Councillor Dine Romero, seconded by Councillor Alastair Singleton, it was

RESOLVED that the minutes of 12th November 2020 and 21st January 2021 be approved as a correct record, to be signed by the Chairman in due course.

66 ANNOUNCEMENTS FROM THE CHAIRMAN OF THE COUNCIL OR FROM THE CHIEF EXECUTIVE

The Chairman reminded Members that all votes on the budget are required to be a named vote.

At the Chairman's discretion, the Leader updated Council on the latest Covid situation in Bath & North East Somerset. She explained that case numbers are still falling locally and the vaccination programme is going well. Death rates remain relatively low and the Council is about to announce new testing sites in Bath, Midsomer Norton and Keynsham for which people will need to book. There is a new pressure, though, of the newly categorised clinically extremely vulnerable. 8th March is a return to schools and colleges and, although some people will have concerns about this, the Council has little say in this, or in specific groups for vaccinations. [For further information on the vaccination programme, Councillor Romero referred to a recent webinar (19.2.21) on the Council's YouTube channel]. With regard to the Government's route map out of lockdown, please be aware that this will be subject to change as needed, and urged everyone to remain careful.

67 TO ANNOUNCE ANY URGENT BUSINESS AGREED BY THE CHAIR

There were no items of urgent business.

68 QUESTIONS, STATEMENTS, PETITIONS AND DEPUTATIONS FROM THE PUBLIC

Statements were made by the following members of the public;

David Redgewell raised a number of aspects of transport policy with regard to the budget, whilst acknowledging that public transport is now split between the Council and WECA. He asked for adequate budget to ensure clean and covid secure bus shelters across the whole Council area. With regard to public toilets, he called for them to be maintained as visitors return to Bath. A copy of David's statement is attached to the minutes.

Martin Grixoni made a statement regarding the proposed local 'tip tax', charging for household waste such as plasterboard, and suggested that this measure would disproportionately affect the less well-off, reduce recycling and increase fly tipping. He referenced examples of this happening elsewhere in the UK. He urged the Council to reconsider this. Councillor Karen Warrington asked Martin what he thought the Council could do to encourage people to recycle this type of waste, to which Martin responded that the Council currently managed it well and so should continue to encourage, rather than discourage it by charging.

Bob Goodman addressed Council expressing his view that this Administration is mis-managing the climate & ecological emergency and pointing out that the development at Tufa field is still on hold and has not yet been not ceased. He made reference to the recent call-in and various recent property transactions which he felt highlighted how Council finances are being thrown away. He hoped that this would be further reviewed. Councillor Paul Myers asked Bob if he was aware that the Corporate Policy Development & Scrutiny is due to look at the corporate governance of the Council's companies. Bob replied that he was aware, and he felt this review was long overdue. Councillor Colin Blackburn asked Bob if he was aware that ADL & ACL now appear to have taken over the running of the Council's commercial estate * and if that was the original intention, to which Bob replied that he was not aware and, if that was the case, that was definitely not the rationale for setting up these companies.

Jonathan Tecks made a statement on behalf of the Friends of Englishcombe Lane Field, a copy of which is available attached to the minutes. He made reference to the recent application for development at the Planning Committee, which recommended acceptance, but was now pending a final decision. He described the valuable ecological aspects of the field and outlined the consistent and reasoned objections that had been raised, including a petition of 4,500 signatures. He urged the Council to decide against developing the site at all and to withdraw it from the Local Plan. He suggested the field could be handed over to the local community who would be happy to offer their support.

The Chairman thanked all speakers and referred the statements to the relevant Cabinet Members.

* *[Councillor Richard Samuel confirmed later in the meeting that that was not the case.]*

69 BUDGET & COUNCIL TAX 2021/22 AND FINANCIAL OUTLOOK

The Council considered a report presenting the revenue and capital budgets together with proposals for Council Tax and Adult Social Care Precept for 2021/22.

On a motion from Councillor Dine Romero, seconded by Councillor Paul Myers, it was **RESOLVED** that, in accordance with rule 16 (Suspension of Rules), the Council suspends Council rule 42 (Content and Length of Speeches) for the duration of this debate so as to enable variations to be permitted to the length of speeches by the Cabinet Member for Resources, the Conservative, Independent and Labour Group Leaders or their nominated Spokespersons, and the Chair of the Corporate Policy Development and Scrutiny Panel.

On a motion from Councillor Richard Samuel, seconded by Councillor Dine Romero, it was

RESOLVED that

1. The Council approves-

- a) The General Fund net revenue budget for 2021/22 of **£130.07m** and the individual service cash limits for 2021/22 as outlined in Annex 1 to the report.

- c) An increase in Council Tax of 1.99% in 2021/22 (an increase of £28.99 per Band D property or 56p per week).
- d) An increase of 3% to Council Tax for the Adult Social Care Precept is approved in recognition of the current demands and financial pressures on this service. This is equivalent to an increase of £43.70 on a Band D property (84p per week).
- e) The movement in reserves outlined in section 5.6 of the report and the adequacy of Un-earmarked Reserves at £12.59m within a risk assessed range requirement of £11.6m - £12.8m.
- f) The Efficiency Strategy attached at Annex 4 to the report.
- g) The Capital Programme for 2021/22 of £69.506m including new and emerging capital bids outlined in Annex 5(i), planned sources of funding in 5.8.2, and notes the programme for 2021/22 to 2024/25 and that any wholly funded projects coming forward during the year will be added to the Capital Programme in line with the Budget Management Scheme.
- h) The delegation of implementation, subject to consultation where appropriate, of the capital programmes set out in Annex 5(ii) to Annex 5(iii) to the relevant Director in Consultation with the appropriate Portfolio Holder.
- i) The Community Infrastructure Levy (CIL) allocations and amendments outlined in Annex 5(iv) of the report.

- j) The Capital & Investment Strategy attached at Annex 6 to the report.
- k) The MRP Policy attached at Annex 7 of the report.
- l) The Capital Prudential Indicators outlined in section 5.8.8 of the report.
- m) The Annual Pay Policy Statement at Annex 8 of the report.
- n) The Community Contribution Fund proposal outlined in Annex 10 of the report.
- o) The Council Tax Support Scheme for 2021/22 shown in the following link;

<https://beta.bathnes.gov.uk/sites/default/files/2021-01/Council%20Tax%20reduction%20scheme%20April%201%202021%20-%20March%2031%202022.pdf> and referred to in section 5.3.4 of the report.

- 2. The Council approves the technical resolutions that are derived from the budget report, and all the figures in that report, including the precepts for towns, parishes and other precepting bodies as set out in Annex 11 of the report.
- 3. Council note the S151 Officer's report on the robustness of the proposed budget and the adequacy of the Council's reserves outlined in section 5.7 of the report.
- 4. Authorisation be given to the Council's S151 Officer, in consultation with the Portfolio Holder for Resources, to make any necessary changes to the draft budget proposal for submission to Council.

THE COUNCIL APPROVES THE BUDGET AND COUNCIL TAX FOR 2021/22 AS INDICATED ABOVE AND ACCORDINGLY RESOLVES:

- 5. That the 2021/22 revenue expenditure is funded as follows:

	Total £
2021/22 Gross Expenditure	353,566,773
2021/22 Income (service income and specific grants)	182,554,919
Core Funding:	
Retained Business Rates*	61,726,651
Use of Reserves	7,244,759
2021/22 Gross Income	251,526,329
Council Tax Requirement (excluding Parish Precepts)	102,040,444

* Before Tariff Payment of £39.612m

- 6.

- a. That it be noted that on the 17th December 2020 the Director of Finance (as authorised section 151 officer) agreed 66,711.85 Band D property equivalent as the Council Tax Base for the year 2021/22 in accordance with regulation 3 of the Local Authorities (Calculation of Council Tax Base) Regulations 1992 made under Section 35(5) of the Local Government Finance Act 1992.
- b. The amounts calculated by the Council, in accordance with Regulation 6 of the Regulations, as the amount of its Council Tax Base for the year for dwellings in those parts of its area to which one or more special items relate is given as Annex 1 (1).
[Annex 1 (1) gives Band D Tax base by parish]
7. That the following amounts be now calculated by the Council for the 2021/22 financial year in accordance with Sections 31 to 36 of the Local Government and Finance Act 1992, as amended:
- a. **£356,512,749** (=£353,566,773 (gross expenditure including contribution to reserves) +£2,945,976 (Parish precepts)) being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(2) of the 1992 Act.
[This is the gross expenditure incurred in performing functions and charged to the revenue account, contingencies for revenue, any financial reserves to be raised, financial reserves to meet prior year deficit not yet provided for, any amounts transferred from its general fund to its collection fund in accordance with section 97(4) of the Local Government Finance 1988 Act, and any amounts transferred from general fund to collection fund under section 98(5) of 1988 Act.]
- b. **£251,526,329** (gross income) being the aggregate of the amounts which the Council estimates for the items set out in Section 31A(3) of the 1992 Act.
[This is the income estimated to accrue which will be credited into the revenue account for the year in accordance with proper practices, any amounts transferred in the year from the collection fund to the general fund in accordance with section 97(3) of the 1988 Act, any amounts which will be transferred from the collection fund to the general fund pursuant to a direction under section 98(4) of the 1988 Act and will be credited to the revenue account for the year, and financial reserves used to provide for items in Section 31A(2)]
- c. **£104,986,420** being the amount by which the aggregate at 7(a) above exceeds the aggregate at 7(b) above calculated by the Council in accordance with Section 31A(4) of the 1992 Act as its Council Tax requirement for the year.
- d. **£ 1,573.73** being the amount at 7(c) above divided by the amount at 6(a) above, calculated in accordance with Section 31B of the 1992 Act, as the basic amount of Council Tax for the year.
[This is the average Band D Council tax including B&NES and parish precepts]

- e. **£ 2,945,976** being the aggregate amount of all special items (Parish precepts) referred to in Section 34(1) of the 1992 Act.
[This is the total of parish precepts]
- f. **£1,529.57** being the amount at 7(d) above less the result given by dividing the amount at 7(e) above by the amount at 6(a) above, calculated by the Council, in accordance with Section 34(2) of the 1992 Act, as the basic amount of its council tax for the year for dwellings in those parts of its area to which no special item relates.

[This is the B&NES Band D Council tax only excluding parish precepts]

- g. The amounts given by adding to the amount at 7(f) above the amounts of special items or items relating to dwellings in those parts of the Council's area mentioned above divided in each case by the amount at 6(b) above, calculated by the Council, in accordance with section 34(3) of the 1992 Act, as the basic amount of its Council Tax for the year for dwellings in those parts of its area to which one or more special items relate are given at Annex 1 (3).

*[Annex 1 (3) gives the Band D Council tax for each area **including** the parish precepts]*

- h. The amounts given by multiplying the amounts at 7(g) above by the number which, in the proportion set out in Section 5(1) of the Act, is applicable to dwellings listed in a particular valuation band divided by the number which in that proportion is applicable to dwellings listed in valuation band D, calculated by the Council, in accordance with Section 36(1) of the 1992 Act, as the amounts to be taken into account for the year in respect of categories of dwellings listed in different valuation bands are given in Annex 1 (4).

[Annex 1 (4) shows the B&NES and parish Council Tax for all bands.]

Precepting Authorities

8. That it be noted that for the year 2021/22 the Police & Crime Commissioner for Avon and Somerset has determined the amount in precepts issued to the Council in accordance with Section 40 of the Local Government Finance Act 1992, for each of the categories of the dwellings shown below:-

9. Avon and Somerset Police

Valuation Bands

A	B	C	D	E	F	G	H
£160.80	£187.60	£214.40	£241.20	£294.80	£348.40	£402.00	£482.40

10. That it be noted that for the year 2021/22 Avon Fire Authority met on 10th February 2021 to determine the amounts in precepts issued to the Council in accordance with Section 40 of the Local Government Finance Act 1992, for each of the categories of the dwellings shown below:-

11. Avon Fire Authority

Valuation Bands

A	B	C	D	E	F	G	H

70 COUNCIL COMPANY ANNUAL ACCOUNTS

The Council considered the annual accounts of Aequus Developments Limited (ADL) and Aequus Construction Limited (ACL).

Various comments during the meeting highlighted that further clarity was needed for understanding Council company governance arrangements and the role of the Corporate Audit Committee and Corporate Scrutiny Panel in this. It was noted that the Corporate PDS Panel would be looking at this. Councillor Samuel acknowledged that it had been a challenge to increase transparency and accountability and welcomed a constructive approach to achieving this.

The Chairman requested that the Chair of Corporate Audit Committee circulate to Members recent correspondence on the need for ADL/ACL scrutiny.

On a motion from Councillor Richard Samuel, seconded by Councillor Mark Elliott, it was

RESOLVED unanimously

1. To note the ADL 2019/20 year end audited accounts (Appendix 1); and
2. To note the ACL 2019/20 year end audited accounts (Appendix 2).

71 TREASURY MANAGEMENT STRATEGY STATEMENT 2021/22

The Council considered a report which fulfilled the Authority's legal obligation under the Local Government Act 2003 to have regard to the CIPFA Code to approve a treasury management strategy before the start of each financial year. This report was scrutinised by the Corporate Audit Committee at the 4th February 2021 meeting, and reported to Cabinet on 11th February 2021.

On a motion from Councillor Richard Samuel, seconded by Councillor Sarah Warren, it was unanimously

RESOLVED to approve actions proposed within the Treasury Management Strategy Statement.

72 QUESTIONS, STATEMENTS, PETITIONS AND DEPUTATIONS FROM COUNCILLORS

There were none.

David Redgewell statement – Council 23rd February 2021

As all bus services have now been transferred from the city and county of Bristol, Bath and North east Somerset and south Gloucestershire Council to the Metro Mayor and the West of England Combined Authority is now the transport authority. But has no tax raising powers and their socially supported bus service budget needs to be passported from Banes council budget.

This is for bus services such as Keynsham Town services Bristol to Chew Valley bus service 672. Whitchurch to Keynsham service. 636

Bath spa bus and coach station to Peasedown St John, Radstock, Midsomer Norton, Paulton and Farmborough services for Evening and Sunday services.

172

D1 - Bath spa bus and coach station Bathampton, Winsley, Bradford on Avon, Trowbridge, Westbury, Warminster and Salisbury.

Some journeys funded jointly with Wiltshire council.

94 Bath spa bus and coach station city centre Freshford Westwood Wingfield and Trowbridge Town centre.

Funded jointly with Wiltshire.

D2 Bath spa bus and station to Frome via Milford, Norton St Phillips, Rode, Beckington and Frome.

Funded with local council s and Somerset County council.

Bath spa bus and coach station to wick yate bus station, Chipping Sodbury, Tetbury and Stroud bus station.

Midsomer Norton to Frome 414 424

Midsomer Norton Town service.

18 Bath spa bus station to Saltford, Keynsham, Willsbridge, Oldland Common North common, Warmley, Kingswood Hillfields, Staple hill, Downend, UWE Bristol bus station.

19 Bath spa bus and coach station Weston RuH, back entrance Kelson Bitton ,oidland common, Cadbury heath Warmley, Kingswood, Hillfields, staple hill Downend, UWE ,Bristol parkway station Patchway and Cribbs causeway bus station

179 Bath spa bus and coach station Timsbury, Midsomer Norton.

And some Bath city service it is very important that we maintain these bus service's are funded by Banes so WECA mayoral transport Authority can operate this network.

The rest of the network is funded in the Bath and Bristol city region and North Somerset council by covid 19 bus operators grants running at £27.5 million pounds a week.

There will need to be a recovery plan between the Department for Transport and WECA mayoral transport authority and North Somerset council to maintain bus service on covid 19 recovery this year.

It is very important that North Somerset council joins WECA Mayoral combined authority as soon possible after the May elections.

Public transport network improvements are important with walking and cycling to add climate change and to reduce car use with the new clean air zone.

The real issue in Bath is to many people make short journeys by the private car

Rather than walking and cycling and using public transport.

First group is refurbishing its bus fleet with the city and has brought in modern new buses on Bristol Salford Keynsham Bristol x39 39 service.

There is a split where all bus infrastructure bus shelters stops and interchange need to be transferred to the Director of Transport and infrastructure at the west of England combined authority. Peter Mann public transport team.

But needs a maintenance budget in Banes for Bus shelters clean castle kerbs maintenance especially in rural areas' stops.

Bus priority measures on key corridor in to Bath especially on the Chippenham, Corsham, Batheaston, Lambridge corridor.

Money upgrading street scape and more castle kerbs at Bus stops and drop kerbs and continuous pavements.

The lack of progress on setting up a railway executive at WECA mayoral Transport authority is very important.

Like the west Midlands and Greater Manchester.

This executive will improve railway service investment and develop a light rail system for Bristol and Bath city region without using consultants.

We welcome the new train service by Metro west starting December 2021 from Severn Beach, St Andrew road, Avonmouth, Portway Parkway new station, open December 2021 Shirehampton, sea mills, Clifton down station, Redland, Montpellier ,Stapleton road, Lawrence hill, Bristol Temple meads, Keynsham, Oldfield park, Bath spa, Freshford, Avoncliffe, Bradford on Avon, Trowbridge, Westbury, Frome or Warminster. With half hourly train service. Will require extra train units and subsidies.

This should be shown in WECA mayoral transport authority budget.

We need stations at St Anne's park station, Saltford railway reopening fund

Need support for Jacob Rees Mogg MP and Corsham, Wiltshire Council and the MP for Chippenham are putting this bid forward to WECA mayoral transport authority and Banes need to discuss this issue with Wiltshire Council, Corsham Town council and the MP.

All will help congestion in Bath city centre.

On public transport interchange facilities Bath spa is a good bus Coach rail interchange. Which is in need of modernisation with new waiting facilities seats and travel centre which we believe should be funded to redesign the travel centre with Tourist information centres for visit west.

Bath needs a budget for a new tourist information centre and combined travel centre facilities have been developed across Cornwall the shared facilities in Penzance and st Austell bus coach and rail interchanges.

Tourism is very important in Bath and North east Somerset and the Bristol Bath city region.

We also need a budget for maintenance and provide of Public toilets. Including disabled facilities. The lack of modern changing places for Disabled people in the city centre or at Bath spa bus coach or railway interchange.

Changing please are at Cribbs Causeway bus station shopping centre and Dursey may lane bus station.

But no investment in improving these facilities except at Keynsham hub library.

The mass transit system study between Bathford, Batheaston, Bath, Saltford Keynsham, Brislington, Bristol Temple meads and the city centre is very important.

But also rapid Transit system needs improvement to the Bath bus coach and railway stations, Peasedown St John Radstock, Midsomer Norton Paulton and Shepton Mallett.

Coach station facilities also need improvements in Bath city centre to replace Avon street coach station.

We welcome the Bath Transport study and plan but of course this will need, like the Bristol Transport study, to fit into the new joint local Transport plan from the WECA mayoral transport authority and North Somerset council.

And should look at electric buses gas bus rapid transit for the city region, and also electrification of the Railway from Chippenham through Bath spa to Keynsham, Bristol Temple meads and Bristol parkway and Patchway

We welcome the brownfield land approach to the local plan refresh in Bath and Keynsham but this will also need to improve active travel and public transport.

Their will need to improve public transport in the corridor Between Bath spa bus and coach station Peasedown St John, Radstock, Midsomer Norton and Paulton where further economic growth is required

And the A37 corridor Between Bristol city centre and Whitchurch.

With a park and ride site at Whitchurch.

Please bring our statement to the cabinet meetings and full council meeting of Bath and North East Somerset council.

David Redgewell, South west transport network and Railfuture Severnside.

The Proposed Development at Englishcombe Lane Field

Jonathan Tecks on behalf of the Friends of Englishcombe Lane Field (FELF)

February 2021

Chair, Members of Council,

On behalf of the Friends of Englishcombe Lane Field, thank you for your time.

Englishcombe Lane Field is home to a rare habitat known as a 'tufa' which occurs when water runs over a limestone base. It attracts a particular range of wildlife: (see the 'tufafield' website).

Sloping steeply, the area is dotted with springs. Much of the water is absorbed and held by the lush Field which acts as a natural sink and protects nearby properties.

The Field also forms part of an 'ecological corridor', linking Stirtingale Farm, Moorlands Park and Linear Park, from Bath's southern boundary down to the river. In short, it fulfils many functions.

There have been sporadic moves over the years to develop the Field. Last summer, the Planning Committee approved an application to build 37 units by a single (casting) vote. This, despite consistent and reasoned opposition.

The Council's own ecology officer objected to the development as non-compliant with (Placemaking) Policy NE3.

Residents resisted the development as designed to minimal standards (with a narrow access road and a single, narrow pavement). Above all, the natural protective sink would be replaced by hard surfaces and artificial drainage requiring perpetual maintenance.

Since the summer, a decision has been on hold. The Council, we understand, is considering its options. We thank Cllrs Romero and David for engaging with residents. In the meantime, a Petition to halt the development has attracted some 4,500 signatures.

The partial update of the Local Plan has given us all a pause for reflection.

We welcome proposed policy changes to better protect ecology and to preserve and enhance green corridors, as well as to promote more sustainable travel. This should mean higher environmental standards for future developments.

It also seems clear that future housing requirements could be met from other available sites. The impact of Covid-19 on the city centre, releasing vacant retail properties for residential use, points towards more city centre living.

For these reasons, the proposed development at Englishcombe Lane is neither necessary nor appropriate. We urge the Council to decide against it and, indeed, to remove this site from the Local Plan when the opportunity arises.

This would involve the Council cutting losses and giving up some potential gains. However, we strongly believe that the climate and ecological emergency requires a different way of thinking about natural assets. The Field should be valued for the many environmental functions it fulfils: a green lung along Englishcombe Lane; a home to bats, deer, and the plants and invertebrates associated with the Tufa flushes; and a vital holding space for water.

What should become of the Field?

We suggest a handover to the local community, following the model of Lyncombe Hill Fields. The 50-60 members of our Friends group feel passionately about the protection and good management of this local resource. They include many who would be keen to offer practical support.
