3. **Recording at Meetings:-**

The Openness of Local Government Bodies Regulations 2014 now allows filming and recording by anyone attending a meeting. This is not within the Council's control. Some of our meetings are webcast. At the start of the meeting, the Chair will confirm if all or part of the meeting is to be filmed. If you would prefer not to be filmed for the webcast, please make yourself known to the camera operators. We request that those filming/recording meetings avoid filming public seating areas, children, vulnerable people etc; however, the Council cannot guarantee this will happen.

The Council will broadcast the images and sounds live via the internet www.bathnes.gov.uk/webcast. The Council may also use the images/sound recordings on its social media site or share with other organisations, such as broadcasters.

4. **Public Speaking at Meetings**

The Council has a scheme to encourage the public to make their views known at meetings. They may make a statement relevant to what the meeting has power to do. They may also present a petition or a deputation on behalf of a group. They may also ask a question to which a written answer will be given. **Advance notice is required not less than two full working days before the meeting. This means that for meetings held on Thursdays notice must be received in Democratic Services by 5.00pm the previous Monday.** Further details of the scheme:
