68 EXCLUSION OF THE PUBLIC

69 TAXI PROCEDURE

The Chair explained the procedure to be followed for the next item of business.

70 CONSIDERATION OF FIT AND PROPER - 1901260TAXI

The licensee confirmed that he understood the procedure to be followed for the hearing.

The Senior Public Protection Officer presented the report. He explained that the licensee had twice failed to comply with the condition of his licence requiring him to produce to the Licensing Section a new MOT certificate within seven working days of the expiry of the previous certificate. It was noted that on the latest occasion there had been a gap in MOT cover of seven days from the expiry of the old certificate to the issue of a new certificate. He was awarded 4 penalty points, warned that a subsequent failure would result in the matter being referred to the relevant Council Sub-Committee and asked to submit within seven days a written explanation of the gap in cover. He failed to submit a written explanation and failed to reply to two further letters asking him to submit an explanation within seven days. No letter of explanation had been received, and accordingly he had been referred to the Sub-Committee.

The licensee stated his case. He said that he had deliberately not replied to the letters because he wanted to come before the Sub-Committee to address Members directly about his dissatisfaction with the absence of a taxi rank in his area. Without a rank he had to keep driving round and round wasting fuel. He had tried to speak to Public Protection and various Council departments about this without success. The Chair advised him that this was not an appropriate forum in which to raise this matter; the Sub-Committee could only deal with the matters set out in the report.

In reply to questions from Members the licensee stated that at the time the MOT certificate had expired he had asked his driver Mr BH to attend to the matter, but the driver had gone on holiday for seven days and had not done so. The licensee further stated that when Mr BH returned from holiday, he had again directed him to attend to the matter, and he done so as soon as he had returned. The licensee again referred to his frustration at the lack of a taxi rank in his area.

The Licensing Officer explained to the Sub-Committee that following a request to Cathryn Brown regarding the provision of the existing taxi rank in his area, the Council had looked into the matter and decided that in the absence of any documentation from the former Wansdyke Council legitimising the existing taxi rank the best course of action was for B&NES to formally adopt the existing rank. This process was implemented, and a public notice was issued for consultation and in the absence of objections the taxi rank was formally appointed. As far as licensing was aware Highways had installed the required markings and signs and the licensee was aware that this process had been completed following his request. The licensee stated that Highways had done some work and that the new rank was there from September, but because B&NES had made it a clearway all B&NES were interested in was issuing parking tickets to taxis on the rank.

In his summing up the licence holder said that he had never broken any law relating to taxis. He had been a license holder for over thirty years, had a clean driving licence and had never been the subject of any complaints from the public.

Following an adjournment, the Sub-Committee **RESOLVED** that the licensee remained a fit and proper person to hold a combined Private Hire/Hackney Carriage Driver's Licence.

Decision and reasons

Members have had to consider whether or not the licensee remains fit and proper to hold a combined Hackney Carriage/Private Hire Driver's licence for failure to comply with a condition of his Hackney Carriage vehicle licence regarding MOT certificates and repeated failures to provide an explanation for the breach of condition. In doing so Members took account of the Local Government (Miscellaneous Provisions) Act 1976, Human Rights Act 1998, case law and the Council's Policy.

Members took account of the licensee's oral representations and balanced this against the information contained in the report before them.

The licensee told members that he was aware of the condition to provide a new MOT certificate within 7 days of the old one expiring. In this instance, the licensee explained that the MOT expired on 25th July 2019 and the driver in charge of the vehicle should have taken it in for MOT but did not as he went away on holiday. It was taken for MOT straight away when the driver in charge returned from holiday and it was MOT'd on 2nd August. The licensee explained to members that the reason he had not responded to the Senior Public Protection Officer's requests for an explanation regarding the 7-day gap between MOT certificates was that he wanted to come before the LSC to explain his concerns regarding the lack of taxi rank in his area. Members reminded the licensee that the issue before them today was whether or not he was a fit and proper person to hold a licence and separate unrelated issues should be raised with the relevant council department or his Ward Member.

Members noted that according to the conditions of his Hackney Carriage Vehicle Licence the licensee should have provided the Council within a copy of his new MOT Certificate within 7 days of expiry of the previous certificate whereas the certificate was provided nearly a month after the previous one had expired. They took account of the fact that there was a 7-day gap between the previous certificate expiring and the new one being granted. Members found the reason for the 7-day gap between MOT certificates to be plausible and noted that the vehicle was not in use during this time; they noted however, that this does not excuse the breach of condition nor his failure to comply with Public Protection's requests for an explanation for the delay. Members noted further that this was the second occasion on which the licensee had failed to produce an MOT certificate within the 7 days period prescribed by condition. Members were disappointed to note that the licensee had a history of failing to comply with reasonable requests for information by the Public Protection Team and this certainly is not the conduct that they would expect from a BANES licensed driver. That said, they balanced this against the explanation provided by the licensee, in so far as it was relevant, and his long service as a licensed driver, the fact that there were no complaints on his record from members of the public, his clean DVLA licence and clean police record.

In the light of this and based on what Members had heard and read, they consider the licensee to be a fit and proper person to continue hold a combined Hackney Carriage/Private Hire Driver's licence however, they considered a final warning to be appropriate and they had considered all options against the licensee, including revocation.

This is a final warning against the licensee that:

He should be in no doubt that he must comply with the terms and conditions of his Private Hire and Hackney Carriage licenses with BANES.

He should comply with requests of the Public Protection Team (or any successor team) in the timescales given in the administration and enforcement of his licences.

He should be civil and professional in his dealings with the Council and its representatives.

If he comes before the LSC again in relation to his future conduct, against this background, he will be at strong risk of revocation.

Note

If there is just reason why the licensee cannot respond to a request in writing, he should try to agree a way forward with the officer making the request in an agreed timeframe and this should be documented in the interests of all parties.

The licensee should not use wider grievances as an excuse for non-compliance with the terms and conditions of his licences. It is suggested that any grievances or concerns he has should be raised with the relevant council department and/or his Ward Member.

The meeting ended at 11.43 am

public safety;

the prevention of public nuisance; and

3.8 The Licensing Authority may grant the application with or without additional conditions.

3.9 Section 4(3)Licensing Act 2003 states that the Licensing Authority should also have regard to the Council's Licensing Policy, the Statutory Guidance issued under Section 182 of the Licensing Act 2003, and the Licensing Act itself, and in particular to:-

The court may make such order for costs as it thinks fit.

3.12 In accordance with the requirements of the Act, copies of the application were forwarded to the Police, the Fire Authority, Environmental Health, Development Control, Trading Standards, Health Authority and the Safeguarding Children and Young Persons Team.

3.15 As relevant representations have been received, the Licensing Sub Committee must determine the application in accordance with the Licensing Act 2003.

Subject: Licensing Application Reference: 20/00821/LAPRE

As a homeowner atHolcombe Lane I object to the proposed opening times of Licensing application ref: 20/00821/LAPRE.

There are numerous reasons for my objection as follows:

1. NOISE

This a very quiet residential road with very little traffic as it is not a through road. Traffic is generally local residents traffic only especially after the surgery is closed. Having an off-license/shop open until 23:00hrs is likely to tempt non-local visitors to the shop, creating traffic noise including noise peaks when parking and starting engines.

A noise survey before the shop opens must be carried out by an independent specialist to establish what the normal noise levels are up to 23:00. If the application is granted a subsequent noise survey should be carried out once normal usage of the premises is obtained. This should be paid for by the applicant and open for review by all local residents. It should also be reviewed by inde qualified assessors.

**2.
FAMILIES**

There are many families in the immediate vicinity of the shop including my own with 3 children whose ages are 8, 5, and 1. The 1 year has a bedroom at the front of the house and settles down for bed at 19:00. Peak noise caused by cars frequently stopping and starting in the evening will disturb many residents, not just our children.

**3.
HEN/STAG PARTIES**

A local problem encountered over the last few years is the increase of stag and hen parties on narrow boats turning up at the local pub The George. Persistent rowdiness of these parties led to The George banning stag and hen parties. If these parties know there is an outlet for alcohol a few hundred meters from their boat they will all ascend through the village with the usual noise and unruliness associated with stag and hen parties. Again a greater than usual noise level.

**4.
FLATS ABOVE**

There are flats above the shop and adjacent properties that are currently on the market for sale! The noise generated by a door opening and closing will reverberate to upstairs, also with potential for a door alarm for stolen items to generate high noise levels.

5.

PREVIOUS ATTEMPTS

Unfortunately, for all of us the last few businesses that occupied the premises failed to succeed in being profitable enough to succeed. This is because we all use online or go to the supermarket instead of paying more staying local! I cannot see how this will work, License granted til 23:00 or not.

As stated above I object to the application.

I would be grateful for a shop to occupy the premises during the day, but shut at a sensible time of say 20:00 instead of 23:00. From previous shopkeeper attempts the shop closed at 19:00 as there was no demand after this.

Any questions please contact me.

Chris Leng

Subject: Application for an Alcohol Licence for new Spar shop 21-23 Holcombe Lane, Bathampton

To the Licensing Officer

I understand that there is an application for a licence for the sale of alcohol at the above premises. As I am self-isolating at the moment I have not been able to read any notice or take down any reference number. I also have heard that the licence application is for permission to sell alcohol for the full proposed opening hours of 6.00 am to 11.00pm.

Since 1985/6, I have been a Bathampton resident at....., Bathampton Lane, BA2 6SP (tel). Whilst I am not living adjacent to the above Spar premises, I object strongly to such a long alcohol licensing period, which can only be an attempt to attract addictive and obsessive drinkers into the village to buy cheap alcohol at hours when such alcohol is not readily available elsewhere in the near area. Tesco Express on Bathwick Hill is probably the nearest competing outlet but it has significantly shorter hours for selling alcohol, even though it is nearer the centre of Bath and on a major traffic route into and out of the city.

Holcombe Lane is a narrow village street into a number of small roads which form an effective cul de sac for which there is no other way in or out. All traffic wishing to come from outside the area would have to turn round and exit along the same entry lane, which for a large part of the way is effectively a single traffic lane because of the parked cars on the Northern side. The inhabitants of this effectively enclosed area have plenty of time in the day to buy from the new shop and are largely of an older age group.

Although It may seem that I would be unaffected by late drinkers, this is not really the case. Many drinkers from canal boats or The George, in non-coronavirus times, travel in and out of Bath along the towpath or on boats.

Some get rid of the empty bottles or cans by throwing them into my garden which runs down to the canal and their singing and shouting is also disturbing. The village does not need any other centre for out of hours riotous drinkers because, otherwise, it is normally a quiet and peaceful village mainly of an older generation occupation.

Yours faithfully

Re Proposal for the retail Sale of Alcohol for consumption off the premises every day from 06.00 to 23.00. I wish to object to the above proposal for an alcohol license after 7.00pm for the following reasons:

1. Holcombe Lane is a residential no through road with many young families and elderly people. The main entrance to the park is also on this road. Anyone who visits the shops by car will have to reverse in order to leave the area. During the summer months the park is used by many young children in the evenings often unaccompanied by adults as it is deemed a safe place to walk to, children use bikes and scooters too. Introducing a late night licence will mean that cars will continue to reverse across the road at a time when children will be playing.
2. Cars late at night will increase noise pollution in the area and will cause a disturbance to the local neighbourhood.
3. Throughout the year Bathampton is visited by many hundreds of narrow boats, the majority being an asset to the village and the addition of a shop will be useful for both residents and boaters alike, however there are a significant number of boats that are hired for the purpose of stag and hen parties. As a

result of the disturbances caused to The George Public House the landlady has now refused to have them in the pub as it is a 'family pub'. At the moment there is very little disturbance from them along Holcombe Lane, Holcombe Close, and Dark Lane as there are no shops open in the evening. Having an off license will, in my opinion, bring the boaters into Holcombe Lane. In general stag and hen parties on boats cause a considerable amount of trouble along the canal and there have been constant complaints to the Canal and River Trust as well as the Police over the last few years because of their behaviour. There is no reason to suppose that this behaviour will be good whilst they walk to the off license to buy yet more alcohol. They are not local, there is no accountability.

At the very least we can expect noise pollution, and probably vomiting, urinating, litter and pranks.

Holcombe Lane can be accessed from the canal both from Dark Lane and from the pathway from the swing bridge on the canal at the end of Holcombe Lane, there are no litter bins en route to the swing bridge so we can expect litter including glass to become a problem along that route, Litter is never a good thing but glass dropped on grass footpaths will be difficult to see and may result in injuries to animals and people alike.

We do not have a regular police presence during the day and there is none in the evening. To say that the off license will carry out checks to the people they sell alcohol is at best disingenuous, when a group of people are involved there is often one who can pass the alcohol checks and as you have stated it is not the responsibility of the applicant to be made responsible for the actions of others once they are beyond the control of the premises.

Re: Proposal for the retail Sale of Alcohol for consumption off the premises every day from 06.00 to 23.00.

Dear Terrill Wolyn,

I wish to object to the above proposal for an alcohol license for 21-23 Holcombe Lane after 5.30pm for the following reasons.

1. Additional traffic having to reverse and turn around.

Holcombe Lane is a residential area with numerous families with young children living next door to, near to and opposite the proposed shop. Cars coming into the village to purchase alcohol will be obliged to turn around outside my house to leave the village as it is a no through road. There will therefore have to be cars reversing and turning for anyone visiting the shop by car at night. In the summer there are children out playing, going to and from the park. Currently there is very little traffic especially in the evening: if traffic increases there are no safe crossing points for children returning from the park in the evening on Holcombe Lane. There are also only a limited number of parking places.

2. Noise pollution at night

I am concerned about the noise pollution associated with the sale of alcohol late into the evening and at night. Both my children have bedrooms at the front of the house. The noise of doors slamming from cars and people potentially talking loudly as they come to the shop to buy alcohol would disturb them and they have said they would find this frightening.

3. Change of character of this area

This is a residential village community and it has always been very quiet in the evening here. The proposal is entirely out of character with the area. I have lived in Bathampton for several decades and there is no precedent of shops being open in the evening nor of evening alcohol sales taking place here in the evening nor at night.

4. Litter

The Parish Council has not in the past had a budget for clearing up litter. I am a former Parish councillor and litter has been cleared a volunteer basis by members of the village. The village does not have the infrastructure to clean up additional litter associated with an increase in sale of alcohol and it is unreasonable to expect volunteers to have to deal with this.

5. Potential for antisocial behaviour

Parties on the canal (typically stag and hen parties on rented boats) have in the past caused antisocial behaviour in the Pub "the George" in Bathampton, as well as vomiting outside Bathampton Primary School near the bins. This is known to the police as well as the Canal and River Trust and to the Pub. Having such non-local visitors come up into the residential part of the village to stock up on alcohol would constitute a significant social problem if it becomes known that alcohol can be purchased here. There is no police presence in the village in the evening and the village does not have the infrastructure to clear up after them.

The area is a no through road with children living in almost every house in the immediate vicinity of the proposed shop for selling alcohol. There are also vulnerable older residents living in the village who would find such a change difficult.

I do not have a CCTV camera and I am a widow with young children, and I would feel vulnerable myself to antisocial behaviour happening here. I live at ... Holcombe Lane and I am concerned about noise at night, antisocial behaviours including the potential for litter or glass bottles to be pushed through my hedge.

It is for these reasons that I wish to object to the proposal for an alcohol licence for 21-23 Holcombe Lane until 11pm at night. The suggestion that this should also be every day means that there will never be any let up from the disturbance - not even at weekends nor on Sundays. This would constitute a marked change to the character of this area and is without precedent.

Yours faithfully

Subject: Spar - REPRESENTATION from Harriet and Edward Evetts

Dear Sir / Madam,

I am writing to object to the application for a late licence to sell alcohol for the Spar shop that is set to open in Bathampton Village soon.

I live opposite the shop with my husband and three children. We object because we feel it is unnecessary to have the extra noise that is likely to come from this in a residential area with young families. My children's bedrooms overlook the shop and we don't want to hear car doors slamming at 11pm and people shouting and car engines running. We feel that this is not acceptable in a residential area.

We hope you will give this due consideration.

With kind regards,

Harriet and Edward Evetts

My/our representation is relevant to the following licensing objective(s):

- ~~Prevention of crime and disorder~~ ☐
- Prevention of public nuisance** ☐
- ~~Protection of children from harm~~ ☐
- Public safety** ☐

Making Bath & North East Somerset an
even better place to live, work and visit

Please detail your objection(s) as fully as possible in the box below. If you do not then the Committee may not understand why you have objected.

Please attach supporting documents/further pages as necessary and number all extra pages.

Try to be as specific as possible and give examples e.g. *On 1 February I could hear loud music from the premises between 10pm and 1 am. I am concerned that if the premises open until 2 am this will cause a nuisance to me and other residents of the street.*

I/We have already made a written representation and have no further comments

We are looking forward to the return of a local shop and full time Post Office to Bathampton. We have felt the impact that the lack of a shop over the last few years has had on the village. However whilst previous shops have had alcohol licenses, we feel the hours requested in this application are inappropriate for its location.

The Kennet & Avon Canal runs through Bathampton and it is home to not only long term boaters but also many passing boats. Whilst the majority of boaters are considerate and quiet, there is still a portion of them who are not.

We have lived in the village for 12 years next door to the shop and cannot remember the shop's previous three owners opening beyond 7pm so we have no evidence to prove there have been problems in the past, therefore we are forced to rely on testimonies and anecdotal evidence of those living on or overlooking the canal:

There are several instances a year of noisy boaters reported to the local council. There has been a sign outside The George for about a year stating that stag parties were no longer allowed in due, we understand, to a stag party that caused a lot of disturbance. The area outside The George was designated as a Quiet Zone about 5 years ago due to the number of instances of noise after 11pm.

Our concern based on the experience of others in the village is that there will be a marked increase in public nuisance incidents caused by the sale of alcohol for consumption off premises by The Spar. Whilst it would be possible to build a relationship with the long term boaters and work with them to reduce these tensions, there is clearly no recourse for holiday boats, many of which are hired by stag and hen parties.

One can well envisage all residents along Dark Lane, Holcombe Vale and Holcombe Lane having their nights interrupted by noisy groups stocking up on alcohol for the evening to continue the party into the night. And who could blame them for wanting to relive their youth and having a quick play in the children's play park situated less than 200m from the shop while they're there?

In conclusion we feel it would be more appropriate to stop selling alcohol at 19:00. This will still allow everyone to benefit from the shop but it will stop people who will already have been drinking from creating an atmosphere of intimidation in the village.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

I would like to make a representation opposing the long hours applied for the new Spar shop on Holcombe Lane. The proposed alcohol licence is from 6:00 - 23:00 for sale of alcohol for consumption off the premises.

Although I welcome the provision of a permanent shop to the village and feel that this would be a great asset to Bathampton, I am concerned about the long hours proposed for the alcohol licence. In particular, I am concerned about the suggested long evening hours, with the shop proposing to sell alcohol until 23:00. My objection to the long evening hours when alcohol will be available for sale is on the grounds of both the prevention of public nuisance as well as the prevention of crime and disorder, as per the Licensing Act 2003.

My objection relates specifically to the location of the Spar shop on Holcombe Lane and the close proximity (within a couple of minutes' walk) to both the sheltered housing complex St Nicholas' Court and the village playing field and playground. St Nicholas' Court is home to elderly and vulnerable residents of the village and there have been numerous issues relating to drunk youths causing disturbance to these vulnerable residents, including tampering with key safes, especially at evenings and nights. Furthermore, I am especially concerned that as these vulnerable residents are currently shielding due to the coronavirus, they will have been unable to get out to see the licence application and make their views on this application known. Were this licence to be granted in its current state, with the long evening opening hours till 23:00, I feel that this could have a detrimental effect on the quality of life of these residents and their safety, considering the occurrence of alcohol related incidents at late hours.

The close proximity of the proposed Spar shop to the village playing fields and playground is also of concern. Last summer in the late evenings, I was the victim of alcohol-related verbal abuse whilst pregnant from youths on the playing field, which was reported to the police. If the long evening licensing hours were to be granted, I am concerned that there would be further alcohol-related public disturbance in this area. Furthermore, as this village playing field is adjacent to the village playground, littering of the area with bottle waste could be dangerous for the children of the village. In my experience (I have lived in the village since 2016), alcohol-related disturbance incidents in our village field tend to occur at later hours, so would likely be exacerbated if alcohol was for sale at the Spar shop late at night.

I would also like to draw to the Council's attention the licensing hours which have been granted to village shops of similar size villages in the Bathavon North district. The Bathford Village Shop (licence number 16/01413/LAPRE) is licenced for the sale of alcohol Mon-Sat 07:30-21:00 and Sun 08:00 - 21:00, and the Freshford Galleries Shop & Café (licence number 18/04067/LAPRE) is licensed for the sale of alcohol Mon-Sat 08:00-20:00 and Sun

09:00-14:30. In addition the previous shop on this premises in Bathampton had licensing hours until 20:00 without causing obvious additional public nuisance, crime or disorder.

Based on the previous incidents in our village and the licensing hours of similar village shops in our area and the previous alcohol license granted to the premises, I feel that licensing hours till 20:00 at night would be more suitable and would help to avoid additional alcohol-related incidents.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

I understand that a company called Amahar Ltd has applied for a licence to sell alcohol in a new Spar shop in Holcombe Lane, Bathampton. I live nearby and know the area well. I welcome the opening of a small grocery shop, including the sale of alcohol. However, the licence application covers a period from 6.00 to 23.00 hours.

My objection relates to the lengthy proposed hours of the licence to sell alcohol which begin very early and continue into the late evening. This is likely to cause a considerable public nuisance for the following reasons.

- 1) The shop is located in a residential area opposite private homes and a children's playground, next to various community amenities. Selling alcohol at such an early hour, and especially so late into the evening, is likely to cause substantial noise and disruption.
- 2) Holcombe Lane is on a cul de sac and a shop selling alcohol is likely to attract additional traffic to a quiet residential area. The proposed length of the licence would increase the level of public nuisance, especially late into the evening up to 23.00 hours.
- 3) At a time of continued concern for public health and safety due to COVID-19, with many public houses likely to be closed or operating at limited capacity, people might use the late licence to buy alcohol and congregate on the nearby playing field at night.

In addition, other shops of comparable size that sell alcohol for consumption off the premises are not open for such a lengthy period. The Co-op in Larkhall is open from 7.00 to 20.00 hours and the Tesco Express on Bathwick Hill is open from 8.00 to 21.00 hours, both excluding Sundays. These shops are not so close to private homes as the proposed shop in Bathampton and they are both located on busier roads. Granting a licence to the Spar shop in Bathampton would therefore be an exception.

Important Information About Your Representation

Why do I need to fill in this form?

While we can accept any written representation, we ask that you complete this form in order to assist the Licensing Sub Committee at the hearing.

Representations made under the Licensing Act must be made public, and by signing this form you give permission for your details to be disclosed. That is why we ask you to complete this form even if you have already made a written representation.

What if I do not want my details to be disclosed?

Anonymous representations will not normally be accepted.

If you think there are exceptional circumstances that would justify you making an anonymous representation, such as the threat of intimidation or violence from the applicant, then please contact the Licensing Office on 01225 396719 to discuss the matter.

Alternatively, you can ask your Parish Council or local Residents' Association to make a representation instead. If you choose to do this, there is no need to complete this form; the Parish Council or Residents' Association will do it if they decide to make a representation.

What do I need to know when writing my representation?

The Licensing Act 2003 sets out four 'licensing objectives', which are listed on the front of this form. Your representation should state how you think the application will affect one or more of these licensing objectives.

What if I want to supply extra information in support of my representation?

You can include the information with your representation form. If you have already made a representation and now want to give us extra information in support of it, you need to send copies of it to the Licensing Office *and* the applicant. This should be done at least 5 working days before the hearing.

If you arrive at the hearing with extra information that has not been sent to the Licensing Office and the applicant, it will only be considered if the applicant and the Committee agree to it. We recommend that you bring at least 10 copies of the information with you to the hearing.

I want to make a representation about traffic/planning issues

Unfortunately, representations about traffic or parking can not be accepted. This is because the licence holder can not be held responsible for the use of the public highway outside of the premises.

The licensing regime is separate from other local government functions, including the planning department. If a Premises Licence is granted for a building, this will not exempt the licence holder from having to obtain the necessary planning permission. We are therefore unable to accept representations that simply refer to the need for planning permission.

Whilst Bathampton Parish Council welcome the return of a shop to the village we are concerned at the prospect of alcohol being sold until 11pm and the noise associated with the early morning deliveries. The shop is in a quiet residential area but it is very close to the Kennet and Avon Canal. The canal attracts a large number of hen and stag parties on boats. Due to previous experience of unacceptable behaviour, the local Pub 'The George', no longer allows hen and stag parties into their pub and signage regarding this is placed outside of their premises.

We are also home to a large boating community. While most of that community are considerate and respectful members of our community, some of the non-local boaters with continuous cruising licences, are less so.

There is a concern that if alcohol is available in the village shop it could attract hen and stag groups and non local boaters that will cause substantial noise in the area around the shop. Further to this, we have been informed by a resident at St Nicholas Court, (sheltered housing accommodation near to where the premises is requesting a licence) that there have been problems, associated with people drinking alcohol within that area, in the past.

Those issues aside, a shop opening until 11pm would also attract cars into the area with associated noise disturbance to those living nearby.

In view of the above, we would request that the evening hours are restricted. The previous shops that operated within the premises over the last decade, closed at 6 or 7pm. Whilst we do not want to suggest that this is the extent of the licence we would ask that a 9pm restriction would be appropriate with no evening deliveries after 8pm. Additionally we would ask that morning deliveries are not before 7am and 8am on Sunday's to help reduce noise disturbance to nearby residents during the earlier hours.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

I would like to object to the licensing request.

I would like to recommend a sensible time of 8 and not the requested 11, as this was the licensing hours for the last spar shop there.

The grounds for the complaint are that the shop is in the centre of a residential area and reducing the licensing hrs will help prevent potential public nuisance and prevent potential anti social crime and disorder. This is in line with government advice on reasonable reasons to curtail licensing hours.

Bathford shop (licence number 16/01413) and Freshford shop (licence number 18/04067) are both at a similar sensible time and are villages of a similar size.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

 I object to the length of

 6am to 11pm - The shop
