LICENSING SUB-COMMITTEE

Thursday, 9th July, 2020

Present:- Councillor Manda Rigby (Chair), Councillor Steve Hedges and Councillor Sally Davis

Also in attendance: Carrie-Ann Evans (Deputy Team Leader (Barrister)) and Terrill Wolyn (Senior Licensing Officer)

8 WELCOME & INTRODUCTIONS

The Chair welcomed those present to the meeting and introduced the other members of the Sub-Committee and the officers in attendance.

9 APOLOGIES FOR ABSENCE AND SUBSTITUTIONS

There were none.

10 DECLARATIONS OF INTEREST

The Chair explained that she had previously carried out some casework for David & Jeanette Carr a number of years ago when she was a councillor in their area, but stressed that she did not consider this precluded her sitting on the panel and that she had not had any prior conversations with them regarding the application before the Sub-Committee today.

The Chair also informed those present that she had been copied in on an email from Councillor Sue Craig regarding The Provenist, querying Planning matters and making some observations in relation to the licensing application. She added that she had only acknowledged receipt of the email and had not discussed the application with Councillor Craig and had disregarded any observations made as Councillor Craig had not made a valid representation in relation to the application. The Chair indicated that she had an open mind in relation to the application and would not make her mind up until she had considered the report, all relevant factors contained within it and heard all points of view at the hearing.

11 TO ANNOUNCE ANY URGENT BUSINESS AGREED BY THE CHAIR

There was none.

12 MINUTES OF PREVIOUS MEETING - 25TH JUNE 2020

These were approved as a correct record.

13 LICENSING PROCEDURE

The Chair explained the procedure for the meeting to all parties who were present.

The parties confirmed that they understood the procedure to be followed for the hearing.

14 PROVENIST, THE TRAMSHED, BEEHIVE YARD, BATH. BA1 5BB - APPLICATION - VARIATION OF EXISTING PREMISES LICENCE

The Senior Licensing Officer outlined the application from Provenist Limited to the Sub-Committee. She explained that it was to vary an existing premises licence to add the sale of alcohol for consumption off the premises between the hours of 08:00 – 21:45 every day.

She stated that Provenist was a licensed café within Neptune, a furniture and kitchen retail establishment.

She informed the Sub-Committee that eight representations of objection had been received from interested parties within the statutory period.

She confirmed that none of the Responsible Authorities had made any representations relating to the application.

Ed Taylor, Head of Operations for Neptune stated the case for the applicant and was questioned by Members and the interested parties present.

Dr Jennifer Sleep, Mrs Valerie Lockley and David & Jeanette Carr stated the case on behalf of the interested parties and they were questioned by Members and the applicant.

Decision and reasons

Members have determined an application to vary the Premises Licence for Provenist, The Tramshed, Beehive Yard, Bath, BA1 5BB. In doing so, they have taken into consideration the Licensing Act 2003, Statutory Guidance, the Council's Policy, Human Rights Act 1998 and case law.

Members are aware the proper approach under the Licensing Act is to be reluctant to regulate in the absence of evidence and they must only do what is appropriate and proportionate on the information before them.

The Applicant

Ed Taylor Head of Operations at Neptune indicated that the purpose of the application is to try and get more covers for the business to enable them to continue

to trade with social distancing measures and government guidelines in place. He explained to members that the terrace is used currently as a show area for garden furniture from Neptune and it is intended with the licence that customers will be able to have lunch or breakfast with a glass of wine or half a pint of beer. The premises do not anticipate greater footfall if the licence is granted; will work with residents regarding concerns over access and have a meeting with residents scheduled next week to discuss issues arising.

Mr Taylor indicated to Members that the premises do not run alcohol promotions; they are not a pub or bar and there will be no sale of spirits. Mr Taylor indicated that the reason for off sales being sought to 9:45pm was to enable events to take place however, he would be agreeable to reducing the hours for off sales of alcohol to 6:00pm if that is helpful to residents.

Responsible Authorities

There were no representations received from Responsible Authorities.

Interested Parties

There have been eight representations from residents living in the vicinity of the premises objecting to consumption of alcohol within the external seating area on the basis that this will undermine the prevention of public nuisance and public safety licensing objectives.

Objectors expressed concerns regarding safety and access issues for residents – particularly disabled people - in relation to the external seating area. They indicated that use of the external area was problematic in any event but felt that it would be worsened as a result of customers drinking alcohol.

Furthermore, they were concerned by the nuisance they would be caused from noise generated by customers sitting in the external seating area and consuming alcohol as late as 9:45pm, given that they live in apartments above the premises.

Members

Members noted that this variation application was to add the sale of alcohol for consumption off premises to allow the operation of an alcohol delivery service and

for customers to consume alcohol purchased in the indoor café within the external seating area.

Members found that none of the Interested Parties had objected to off sales for the purpose of the operation of the alcohol delivery service; concerns and objections centred around the consumption of off sales in the external seating areas of the premises.

Whilst Interested Parties raised concerns in relation to planning issues Members reminded themselves that planning and licensing are separate regimes and that the onus is on the applicant to ensure that they have all necessary permissions in place to run their business within the law.

Members were mindful that any concerns raised regarding covenants between the landlord and tenant were a private matter and not the remit of the LSC for whom the licensing objectives are paramount.

Furthermore, members had sympathy with the Interested Parties for the concerns raised in relation to access for residents with disabilities. They reminded themselves again though, that the licensing objectives were paramount in their decision making for this application.

Members understood the concerns raised by the Interested Parties however, they did not find on the information before them that the proposed variation application would have a detrimental effect on the licensing objectives raised, which could not be adequately mitigated by the measures offered in the application. Members noted however, that the Interested Parties could call for a review of the licence at any time were there to be evidence that the licensing objectives were being undermined.

Accordingly, authority is delegated to the Licensing Officer to issue the licence with conditions consistent with the operating schedule which members found to be appropriate and proportionate in the promotion of the licensing objectives of prevention of public nuisance and promotion of public safety.

Note

Members noted that any business that provides goods, facilities or services to members of the public are required in accordance with the Equality Act 2010 to

make reasonable adjustments to ensure their premises are accessible to disabled people.

Whilst members did not take the forthcoming meeting into account in reaching their decision, they welcome the fact that the premises representatives are meeting with residents and encourage them to resolve the issues and concerns raised around access.

The meeting ended at 12.10 pm

2 RECOMMENDATION

- 2.1 The Committee is asked to determine the application.

3.4 The following measures have been offered by the applicant within the Operating Schedule to promote the licensing objectives:

- Staff training. All staff to be trained in the prevention of underage sales to a level commensurate with their duties. The training should be clearly documented and signed and dated by both the trainer and the member of staff receiving it. The documentation shall be available for inspection on request by an authorised officer of the licensing authority or police.
- The Premises Licence Holder shall require the Designated Premises Supervisor or in his/her absence other responsible person to keep an incident/refusal logbook in a bound book in which full details of incidents are recorded. 3.5 The plan of the proposed premises and a site plan are attached at Annex B.

3.6 The Licensing Act 2003 (Section 4) states that it is the duty of all Licensing Authorities to carry out their functions under the Act with a view to promoting the licensing objectives. The licensing objectives are:

the prevention of crime and disorder;

public safety;

the prevention of public nuisance; and

the protection of children from harm

3.7 Each objective is of equal importance. As there are no other licensing objectives, these four are of paramount consideration at all times. When considering applications, representations or notifications, the Licensing Authority will have regard to these licensing objectives.

3.8 The Licensing Authority may grant the application with or without additional conditions.

3.9 Section 4(3) Licensing Act 2003 states that the Licensing Authority should also have regard to the Council's Licensing Policy, the Statutory Guidance issued under Section 182 of the Licensing Act 2003, and the Licensing Act itself, and in particular to:

Paragraphs 3-6, 8-10, 13-14, 17-24, 29, 33-36, 38-41 of the 2020 Policy.

Chapters 2, 8, 9 and 10 of the Statutory Guidance as revised April 2018;

Sections 4, 9, 10, 11, 12, 13, 16, 17, 18, 23, 182, and 183 of the Act

3.10 The Licensing Authority recognises that Licensing and Planning are separate regimes. Where an application is granted by the Licensing Authority which would require planning permission this would not relieve the applicant of the need to obtain that permission. It will still be necessary for the applicant to ensure that he/she has **ALL** the necessary permissions in place to enable them to run the business within the law.

3.11 If the application is refused the applicant may appeal within 21 days of the notification to the Magistrates' Court. If the application is granted the person making the relevant representation may appeal within 21 days of the notification to the Magistrates' Court. On appeal the court may either dismiss the appeal, substitute the decision appealed against for any other decision which could have been made by the Licensing Authority, or remit the case to the Licensing Authority to dispose of in accordance with the direction of the court. The court may make such order for costs as it thinks fit.

3.12 In accordance with the requirements of the Act, copies of the application were forwarded to the Police, the Fire Authority, Environmental Health, Development Control, Trading Standards, Health Authority and the Safeguarding Children and Young Persons Team.

3.13 The applicant was required to place a notice at the premises for a period of 28 consecutive days starting the day after the application was made, and to place an advert in a local newspaper within 10 working days of submitting the application to the licensing authority.

3.14 Twenty-four representations of objection have been received within the statutory period from Other Persons all expressing concern that the applicant's proposals are likely to have a detrimental effect on the Prevention of Public Nuisance licensing objective; three of these representations of objection also make reference to the Public Safety licensing objective (Annex C).

3.15 As relevant representations have been received, the Licensing Sub Committee must determine the application in accordance with the Licensing Act 2003.

4 STATUTORY CONSIDERATIONS

4.1 An Equality Impact Assessment (EqIA) has been completed. No adverse or other significant issues were found.

4.2 Consideration must be given to the Human Rights Act 1998 and the "convention rights".

4.3 The Sub Committee have been delegated authority to determine the application on behalf of the Licensing Authority in accordance with the Licensing Act 2003.

4.4 When reaching a decision, the Licensing Authority must carry out its functions with a view to promoting the four licensing objectives.

- 1) PIPLEY BARN IS LOCATED IN A PEACEFUL, TRANQUIL SETTING ON THE COTSWOLD WAY. ALCOHOL WILL ENCOURAGE MORE CUSTOMERS. THE ACCESS IS POOR, LARGER CROWDS WOULD MAKE IT IMPOSSIBLE TO SOCIAL DISTANCE WHILST WALKING THE COTSWOLD WAY. ALCOHOL FUELED CROWDS ARE GENERALLY NOISY AND TROUBLESOME AS PROVEN BY CITY CENTRE PUBS. SUNDAY NIGHT MUSIC WITHOUT ALCOHOL IS ALREADY PROOF OF THIS PROBLEM.
- 2) INCREASED TRAFFIC FROM DRINKERS ALONG AN UNMADE ROAD, WOULD CAUSE PROBLEMS TO WALKERS AND ANIMALS. THE SURFACE IS RUTTED AND UNSUITABLE FOR SAFE TRAVEL.
- 3) A LICENCE WOULD ATTRACT ALL TYPES OF PEOPLE TO THE AREA, WHICH IS PART OF THE PEACEFUL COTSWOLD WAY. WE WOULD LIKE IT KEPT TO SERIOUS WALKERS AND FAMILIES WHO ENJOY THE PEACE & QUIET.

I frequently visit Brockham End and enjoy walking in Piple Wood. It has always been an extremely peaceful experience and it's an ideal location for a quiet evening walk through the woodland. There has sadly been a change to this tranquility since the opening of Piple Wood café, with an increase in the noise levels in the surrounding woodland.

I am concerned about the potential for increased noise nuisance that the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening will have on myself and on the local residents.

Whilst I am aware that Planning and Licensing are separate regimes, to promote the licensing objectives, I want this licence restricted to the hours of the Planning Permission provision i.e. 9.00 to 16.00hrs (see application no:14/02484/FUL). These hours were a condition of the planning permission "to safeguard the amenities of nearby occupiers".

As a former resident at Brocton End and still frequent walker and visitor, I have heard much noise when visiting former neighbours/friends. The noise clearly comes from Pipley Barn. I am concerned about the impact that granting an alcohol licence could have on the well-being of those who live in Brocton End, from the resultant additional noise. Perhaps the alcohol licence could be restricted to between 09:00 and 16:00 as a compromise.

I live in Brockham End, which is a small cluster of houses at the head of a very steep valley. The shape of the valley seems to make sound amplify and echo, which means that we have to be more considerate of our neighbours and the local wildlife with regard to noise. Since opening on 09 May 2020 Piple Barn has had a noticeable impact on the tranquility of this area. Whether it is a group of 20 people cheering at a juggling act, or a small group of musicians playing folk music, we can clearly hear it in our garden. During the winter, when the trees have dropped their leaves, or when the air is still and little else is happening at night, I believe the noise will be even more noticeable.

I appreciate that the cafe intends to be a "family orientated premise (that) appeals to walkers and to those who are appreciative of nature and wildlife." and I am supportive of them selling alcoholic drinks during the day. However, I am concerned about the potential for increased noise nuisance, for myself and the neighbourhood, if an alcohol license is granted to supply alcohol for consumption both on and off premises late into the evening.

Whilst I am aware that Planning and Licensing are separate regimes, to promote the licensing objectives, I request that this licence is restricted to the hours of the Planning Permission provision (see application no:14/02484/FUL), where it was stated that "The café use hereby approved shall not be carried on and no customer shall be served or remain on the premises outside the hours of 09:00 and 16:00. These hours were a condition of the planning permission "to safeguard the amenities of nearby occupiers." According to planningportal.co.uk, 'amenity' is taken to mean "A positive element or elements that contribute to the overall character or enjoyment of an area. For example, open land, trees, historic buildings and the inter-relationship between them, or less tangible factors such as tranquillity." As tranquillity is a much valued amenity for the residents of Brockham End, and can be defined as 'without noise', I believe the same rationale is relevant to both the Planning and Licensing Authorities, and that the closing time of Piple Barn Café should remain at 16:00 every day of the week.

Pipley Barn Café is located on the edge of Pipley Woods and at the head of a valley. Pipley Wood is extremely important from a wildlife perspective e.g. rare bats and birds. The valley means that any sound created in the area echoes around. Pipley Barn Café opened on 9th May 2020 and its activities since opening (i.e. live music, fire eating and juggling) can currently be heard clearly within Brockham End and the surrounding valley.

☐

Prevention of Public Nuisance

The premises are in a sensitive rural area directly on the Cotswold Way, and adjacent to Piple Wood, where walkers, cyclists and golfers come to enjoy a peaceful location. This will be significantly altered if alcohol is served all day long and raises particular concerns about public nuisance due to:

- Noise: as this is a quiet rural location where the amenity of the area is likely to be adversely affected by increased noise associated with the sale of alcohol and the risk it additionally attracts people who are not interested in preserving the peaceful nature of the location.
- Hours of licensing: The proposed hours (08:00 to 23:00 on Friday to Sunday and 08:00 to 21:00 Monday to Thursday) are excessive and very likely to cause disturbance at unsocial hours for neighbours at Brockham End, the golf course and the wider community who enjoy this peaceful recreation space. I am aware the Licensing Committee do not take planning matters into consideration. However, it is notable that when planning was granted recently for the conversion of the barn to a café and bunkhouse there were planning conditions imposed that the café should only operate between the hours of 09:00 and 16:00 "to safeguard the amenities of nearby occupiers". I would expect a similar consideration should be applied here as a minimum to include a restriction in the licensing hours to prevent public nuisance and protect the amenity of the location for nearby occupiers and the many people who walk, cycle and otherwise exercise there, as well as the wildlife in Piple Wood.

Public Safety

The premises are in a remote location and lack any vehicle access - they are served only by a bridleway. Therefore, I would expect the emergency services to have concerns about locating and accessing the site. The potential need for the emergency services to attend the site are heightened if alcohol is served all day long.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

Subject: PIPLEY BARN CAFE - REPRESENTATION - GEOFF FRANCIS

Hello Mr Wolyn

I understand an application has been submitted to sell alcohol from Pibley Barn Café.

I live in North Stoke which is down the hill from the café. Since the café opened there has been increased traffic in North Stoke with more people walking up to the café. I don't know what you know about North Stoke but it is at the end of a no through lane with very limited on street parking so this causes a nuisance.

I am concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening, will have on myself and other local residents.

If the licence were restricted to the current planning provision ie ending at 16:00 that would be a help.

Kind regards

Geoff Francis

Since Piplely barn has opened as a cafe, the number of people congregating in the area has reached unacceptable levels, social distancing has become impossible! blocking the public footpath, making it impossible to pass safely. Especially in these unprecedented times. We saw 4 ladies in turn use the tree for a toilet, which is very unhygienic for a public right of way. Piplely barn is not only cause disruption to the golfers and other walkers trying to enjoy the Cotswold way, kids running on the golf course, dog mess, not sure if they are aware of the damage a golf ball can do!! for example on 21st August there was an entertainer performing to an audience of well over 30 people, which was blocking the rightway, NO SOCIAL DISTANCING. Both myself and wife were subjected to taunts and ridicule, plus other members of the public using the public footpath. no one should have to put up with this in a public place! With an alcohol license the flagrant abuse of the public on Cotswolds ways, plus the inability to social distance will be abused. It is very evident there is NO control over the public that are attending these social events, without alcohol being involved. Therefore with permitting alcohol at this venue, we feel the situation will only deteriorate, causing a public nuisance. I would like to bring your attention to Piplely Barns website where you can see a photograph of a music event, which clearly shows no social distancing measures are in place, and the public would have to squeeze past the musicians to pass. We feel that allowing Piplely Barn an Alcohol licence will only escalate the problems we have seen. The present trading conditions should be reviewed in our opinion.

With reference to the above application.

Dear sir/madam

My husband and I are writing to object to the above application as we feel it will cause distress to many local residents including ourselves due to noise pollution, littering and will disturb the natural habitat for wildlife in and around the woods.

I am concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening, will have on myself and local residents.

Whilst I am aware that Planning and Licensing are separate regimes, to promote the licensing objectives, I want this licence restricted to the hours of the Planning Permission provision i.e. 9.00 to 16.00hrs (see application no: 14/02484/FUL). These hours were a condition of the planning permission "to safeguard the amenities of nearby occupiers".

Yours sincerely
Dr Hecquet

As a resident of Brockham End, I would like to register my concern about proposed liquor license at Piple Barn and the disruption that a late hour license will cause in the area. Sound carries across the valley, and we clearly hear the events that have taken place on weekend afternoons this past summer. The amount of noise has so far been restricted to the allowed opening hours of the café, which is 9:00am to 4:00pm, as specified by Planning Permission application 14/02484/FUL

The café has hosted live music and entertainment events since opening on May 9th. Most recently on the weekends of August 15th and August 22nd, there was an increase in the number of people and the level of noise, music, and voices which we could clearly hear.

I am concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening, will have on myself and local residents.

Whilst I am aware that Planning and Licensing are separate regimes, to promote the licensing objectives, I want this licence restricted to the hours of the Planning Permission provision i.e. 9.00 to 16.00hrs (see application no:14/02484/FUL). These hours were a condition of the planning permission "to safeguard the amenities of nearby occupiers".

I request that the café be able only to provide wine and beer during the hours of the current planning permission provision,

The Prevention of public nuisance

Brockham End contains a small collection of nearby dwellings consisting of Piple Barn Café, six houses and five mews apartments. The distance of the resident's homes from Piple Barn Café vary from 30 metres to 300 meters.

Piple Barn Café is on the edge of Piple woods, which is an important wildlife environment; an ecosystem providing protection and shelter for birds, rare bats, plants and trees.

Piple Barn is at the top of a valley. Sound travels. For example, I could hear clearly, acoustic non amplified music at recent Café events in the afternoon of the 15th and 16th of August.

In my view Piple Barn has positive potential as an environmentally friendly family-oriented café. I have no objection to daytime creative events and acoustic music from time to time. Nor would I object to a daytime alcohol license.

However I have real concern about the public nuisance of noise on the residents and natural environment from granting a license to sell and consume alcohol on and off the premises beyond the Café's current Planning Permission License of 4.00pm.

I know that Planning and Licensing are different functions housed within Bath and North East Somerset Council.

My request is that the alcohol license is concurrent with the Planning Permission (application no: 14/02484/FUL) which is from 9.00 am to 4.00 pm to "safeguard the amenities of nearby occupiers".

I agree that my representation be published within the report for the Licensing Committee and forwarded to the applicant in advance of the hearing.

Pipley Barn Café is located on the edge of Pipley Woods and at the head of a valley. Pipley Wood is extremely important from a wildlife perspective e.g. rare bats and birds. The valley means that any sound created in the area echoes around. Pipley Barn Café opened on 9th May 2020 and its activities since opening (i.e. live music, fire eating and juggling) can currently be heard clearly within Brockham End and the surrounding valley.

I am concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening, will have on myself and local residents.

I use the woods and surrounding countryside walks with my dogs and children and believe the increased traffic and noise pollution will adversely effect the peaceful natural habitat for wildlife and local residents.

Whilst I am aware that Planning and Licensing are separate regimes, to promote the licensing objectives, I want this licence restricted to the hours of the Planning Permission provision i.e. 9.00 to 16.00hrs (see application no:14/02484/FUL). PIPLEY BARN IS CURRENTLY OPERATING WITH ACTIVITIES INCLUDING LIVE MUSIC WHICH CAN BE CLEARLY HEARD BY ALL THE RESIDENTS OF THE LOCAL AREA.

My wife and I are regular visitors to Brockham End and enjoy the peace and tranquility of Piple Wood and the surrounding area. We particularly enjoy the open vistas spreading from Piple Wood and extending beyond Bristol towards the Bristol Channel. However, the topography does not lend itself to the introduction of a heavy noise source at the top of the valley. Our experience of the area suggests that the valley would only serve to amplify the noise.

We are concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening, will have on myself and local residents.

Try to be as specific as possible and give examples e.g. *On 1 February I could hear loud music from the premises between 10pm and 1 am. I am concerned that if the premises open until 2 am this will cause a nuisance to me and other residents of the street.*

I go to Piple Wood at least two or three times a week, and value it as a place of immense tranquility, calm and meditative wellbeing. There are increasingly fewer places where one can experience a lack of noise and research shows that people's mental health need such places.

I am deeply concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption, both on and off premises late into the evening, will have on local residents.

Whilst I am aware that Planning and Licensing are separate regimes, to promote the licensing objectives, I want this licence restricted to the hours of the Planning Permission provision i.e. 9.00 to 16.00hrs (see application no:14/02484/FUL). These hours were a condition of the planning permission "to safeguard the amenities of nearby occupiers".

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

One of the great beauties of Bath is the clear distinction between the urban and the rural. The granting of this licence would bring the noise and excess traffic of urban Bath completley needlessly and entirely inappropriately into an unspoilt rural environment - severely impacting the lives, seven days a week, and late into the night, of the people who live there and all of the animals who live in the woods.

I am deeply concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption, both on and off premises late into the evening, will have on local residents.

I am a local Bath resident who regularly visits Brockham End to enjoy the peace of an evening walk in the valley and surrounding area. Piple Barn Café is located on the edge of Piple Woods and at the head of the valley which includes Brockham End. Being in a valley means that any sound created in the area (including the current noise generated from the café premises) echoes around and can be clearly heard over long distances, which is detrimental to the peace and quiet of the area, both for its residents and visitors, and for its wildlife.

I am concerned about the potential for increased noise nuisance the granting of an alcohol licence to supply alcohol for consumption both on and off premises late into the evening, will have on myself and local residents.
