3. **Recording at Meetings:-**

The Openness of Local Government Bodies Regulations 2014 now allows filming and recording by anyone attending a meeting. This is not within the Council's control. Some of our meetings are webcast. At the start of the meeting, the Chair will confirm if all or part of the meeting is to be filmed. If you would prefer not to be filmed for the webcast, please make yourself known to the camera operators. We request that those filming/recording meetings avoid filming public seating areas, children, vulnerable people etc; however, the Council cannot guarantee this will happen.

The Council will broadcast the images and sounds live via the internet www.bathnes.gov.uk/webcast.

The Council may also use the images/sound recordings on its social media site or share with other organisations, such as broadcasters.

4. **Public Speaking at Meetings**

** COVID alert: From the 6 May 2021 all formal Council meetings of whatever nature must take place physically. However, we are constrained by health & safety considerations and social distancing measures. This means that room capacities are significantly reduced, and the visiting public may be prevented from entering a meeting room if it is at capacity. In this period, we encourage people to view the meeting online if possible. Further details are available from the Democratic Services team.

The Council has a scheme to encourage the public to make their views known at meetings. They may make a statement relevant to what the meeting has power to do. They may also present a petition or a deputation on behalf of a group.

Further details of the scheme can be found at:

Councillors and members of the public may register their intention to make a statement if they notify the subject matter of their statement before the deadline. Statements are limited to 3 minutes each. The speaker may then be asked by Cabinet members to answer factual questions arising out of their statement.

8. MINUTES OF PREVIOUS CABINET MEETING (Pages 7 - 12)

To be confirmed as a correct record and signed by the Chair

9. CONSIDERATION OF SINGLE MEMBER ITEMS REQUISITIONED TO CABINET

This is a standard agenda item, to cover any reports originally placed on the Weekly

list for single Member decision making, which have subsequently been the subject of a Cabinet Member requisition to the full Cabinet, under the Council's procedural rules

10. MATTERS REFERRED BY POLICY DEVELOPMENT AND SCRUTINY BODIES

This is a standing agenda item (Constitution rule 14, part 4D – Executive Procedure Rules) for matters referred by Policy Development and Scrutiny bodies. The Chair of the relevant PDS Panel will have the right to attend and to introduce the Panel's recommendations to Cabinet.

11. SINGLE MEMBER CABINET DECISIONS TAKEN SINCE PREVIOUS CABINET MEETING (Pages 13 - 14)

A list of Cabinet Single Member decisions taken and published since the last Cabinet meeting to note (no debate).

12. BATH CHRISTMAS MARKET (Pages 15 - 162)

The Bath Christmas Market transferred from Visit Bath to the Council in January 2021. With the expected lifting of social distancing measures in June, or at some point shortly after, the Council now needs to decide whether to proceed with planning and delivery of Bath Christmas Market in 2021, with the uncertainty over the pandemic and variants of concern entering the UK.

The Bath Christmas Market provides the gateway to an annual economic uplift for multiple commercial sectors such as accommodation, retail, hospitality and tourism in the B&NES region. The market gives a platform to local charities and supports community groups through a wide range of projects and local initiatives.

13. ACTIVE TRAVEL FUND SCHEMES (Pages 163 - 338)

The council consulted on three proposed active travel schemes in February and March this year. A decision needs to be made on whether those schemes should proceed to the next stage of consultation.

Two of the three schemes would be funded from the government's Active Travel Fund. The government, in recent funding announcements, withheld funds from authorities that did not submit bids or those that were considered weak. There are potential implications on future government funding for active travel schemes if they do not go ahead or if they are not built in accordance with the latest design standards.

This report outlines the results from the consultation, provides options and potential amendments to the proposals to take account of feedback from the consultation, and recommends next steps.

14. LIVEABLE NEIGHBOURHOODS (Pages 339 - 350)

At its meeting on 10th December 2020, Cabinet adopted the three Liveable Neighbourhood strategies (Low Traffic Neighbourhoods; Residents' Parking Schemes; and On-Street Electric Vehicle Charging Strategy). This report provides an update on work undertaken since that Cabinet meeting and recommends priority areas for liveable neighbourhood schemes.

The Committee Administrator for this meeting is Jack Latkovic who can be contacted on 01225 394452.
