6 LICENSING PROCEDURE

The Chair referenced the procedure that would be followed during the course of the meeting.

Those that were present confirmed that they had received and understood the licensing procedure.

7 EXCLUSION OF THE PUBLIC

The members of the Sub-Committee agreed that they were satisfied that the public interest would be better served by not disclosing relevant information, in accordance with the provisions of Section 100(A)(4) of the Local Government Act 1972.

It was **RESOLVED** that the public be excluded from the meeting for the following items of business and the reporting of the meeting be prevented under Section

100A(5A), because of the likely disclosure of exempt information as defined in paragraphs 1 and 2 of Part 1 of Schedule 12A of the Act, as amended.

8 CONSIDERATION OF FIT AND PROPER STATUS - 22/00116/TAXI

The Lead Officer (Licensing) introduced the report to the Sub-Committee. He stated that they were being asked to determine whether a licensee remains fit and proper to hold their combined Hackney Carriage/Private Hire Driver's licence.

The licensee was asked by the Chair to address them on the matters raised within the report and why he felt that he remained fit and proper to hold his licences.

Decision & Reasons

Members have had to consider whether or not the licensee is a fit and proper person to continue to hold his combined Hackney Carriage/Private Hire Driver's licence in the light of a conditional caution received during the term of his licence. In doing so Members took account of the Local Government (Miscellaneous Provisions) Act 1976, Human Rights Act 1998, case law and the Council Policy.

Members heard from the licensee in oral representations who indicated that there was not a lot he could add to his written statement. He updated Members that he had attended the two five-hour courses required by his conditional caution. He described the incident that gave rise to the caution as an isolated domestic matter. He indicated to members that he regretted the whole thing and noted that he had been a taxi driver for a very long time without any complaints from members of the public.

Members noted that the licensee had held his licence with BANES for approximately 16 years and found that there had been no complaints in relation to his conduct from members of the public. They noted that the Avon and Somerset Police Taxi Compliance Officer indicated that there was no suggestion that the licensee poses any risk to the public and there are no other recent matters (including traffic offences) that appear to have an impact on the assessment of whether the licensee is fit and proper to hold a licence.

Members noted that the licensee had complied with the obligations of his licence in reporting his caution and had been co-operative with the licensing department.

On balance, Members find that the licensee is a fit and proper person to continue to hold the combined Hackney Carriage/Private Hire Driver's Licence. They were satisfied that the experience of coming before the committee was enough to mark this matter and accordingly, they take no further action.

9 CONSIDERATION OF FIT AND PROPER STATUS - 21/02399/TAXI

The Sub-Committee **RESOLVED** to defer this report at the request of the licensee and said that it was not due to not take place until 11th July 2024 at the earliest.

The meeting ended at 10.36 am

3.5 The floor plans detailing the extent of the proposed licensed Premises are attached at **Annex B**.

3.6 The Licensing Act 2003 (Section 4) states that it is the duty of all Licensing Authorities to carry out their functions under the Act with a view to promoting the licensing objectives. The licensing objectives are:

- a) the prevention of crime and disorder.
- b) public safety.
- c) the prevention of public nuisance; and
- d) the protection of children from harm.

3.7 Each objective is of equal importance and these four are of paramount consideration at all times. When considering applications, representations or notifications, the Licensing Authority will have regard to these licensing objectives.

3.8 The Licensing Authority may grant the application with or without additional conditions.

3.9 Section 4(3) Licensing Act 2003 states that the Licensing Authority should also have regard to the Council's Licensing Policy, the Statutory Guidance issued under Section 182 of the Licensing Act 2003, and the Licensing Act itself, and in particular to:

- a) Paragraphs 3-6, 8-10, 13-14, 17-24, 29, 33-36, 38-41 of the 2020 policy;
- b) Chapters 2, 8, 9 and 10 of the Statutory Guidance as revised December 2023;
- c) Sections 4, 9, 10, 11, 12, 13, 16, 17, 18, 23, 182, and 183 of the Act.

- 3.10 The Licensing Authority recognises that Licensing and Planning are separate regimes. Where an application is granted by the Licensing Authority which would require planning permission this would not relieve the applicant of the need to obtain that permission. It will still be necessary for the applicant to ensure that he/she has **ALL** the necessary permissions in place to enable them to run the business within the law.
- 3.11 If the application is refused the applicant may appeal within 21 days of the notification to the Magistrates' Court. If the application is granted the person making the relevant representation may appeal within 21 days of the notification to the Magistrates' Court. On appeal the court may either dismiss the appeal, substitute the decision appealed against for any other decision which could have been made by the Licensing Authority, or remit the case to the Licensing Authority to dispose of in accordance with the direction of the court. The court may make such order for costs as it thinks fit.
- 3.12 In accordance with the requirements of the Act, copies of the application were forwarded to the Police, the Fire Authority, the Environmental Protection Team, Development Control, Trading Standards, Health Authority and the Safeguarding Children and Young Persons Team.
- 3.13 The applicant was required to place a notice at the premises for a period of 28 consecutive days starting the day after the application was made, and to place an advert in a local newspaper within 10 working days of submitting the application to the licensing authority. Due to issues with advertising the application the 28-day consultation period was extended in order to comply with the requirements of The Licensing Act 2003.
- 3.14 Representations of objection have been received within the statutory period from residents living in close proximity to the premises who express concerns that the applicant's proposals are likely to undermine the public nuisance licensing objective. (**Annex C**).
- 3.15 As a relevant representation has been received, the Licensing Sub Committee must determine the application in accordance with the Licensing Act 2003.

4 STATUTORY CONSIDERATIONS

- 4.1 An Equality Impact Assessment (EqIA) has been completed. No adverse or other significant issues were found.
- 4.2 Consideration must be given to the Human Rights Act 1998 and the "convention rights".
- 4.3 The Sub Committee have been delegated authority to determine the application on behalf of the Licensing Authority in accordance with the Licensing Act 2003.
- 4.4 When reaching a decision, the Licensing Authority must carry out its functions with a view to promoting the four licensing objectives.

5 RESOURCE IMPLICATIONS (FINANCE, PROPERTY, PEOPLE)

- 5.1 The costs of processing licences are covered by the fees charged. The fee for this application is £315.00

6 RISK MANAGEMENT

- 6.1 A risk assessment related to the issue and recommendations has been undertaken, in compliance with the Council's decision-making risk management guidance.

7 CLIMATE CHANGE

- 7.1 The licensing objectives do not require the applicant to specify steps to mitigate the impact of climate emergency. However, the applicant is encouraged to consider locally sourced ingredients and reducing single use plastic in the operation of their business.

8 OTHER OPTIONS CONSIDERED

- 8.1 None.

9 CONSULTATION

- 9.1 The Council's Monitoring Officer (Head of Legal & Democratic Services and Council Solicitor), Section 151 Officer (Director of Finance) and Head of Service – Community and Compliance have had the opportunity to input to this report and have cleared it for publication.

M – Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

24 HR CCTV in operation in and outside the property. Staff training. All staff to be trained in the prevention of underage sales to a level commensurate with their duties.
The training should be clearly documented and signed and dated by both the trainer and the member of staff receiving it. The documentation shall be available for inspection on request by an authorised officer of the licensing authority or police.

b) The prevention of crime and disorder

The premises is fitted with 24hr CCTV. The CCTV covers all communal areas of the premises including the outside seating area. We have the live feed running in reception during all opening hours so that staff are aware of what is going on at all times.
Staff are also trained to take CCTV live feed with them when leaving their desk so that they can keep an eye on when someone is waiting at the desk for them. Having CCTV is an obvious deterrent in the prevention of crime and disorder.
All staff are trained in customer service and reducing the risk of crime and disorder. Staff will all be trained in risk management and how to deal with crime and disorder.
FLY Ltd is also part of Bath Business Initiative (BID) whose aim is to reduce crime and prevent crime. We have a radio link in place to contact our wardens directly if we need support immediately.

c) Public safety

We have a fire strategy in the event of fire. The premises complies with all statutory fire safety controls.
All staff will have level 2 food hygiene.
Overcrowding will not be an issue due to the nature of our business.
We have first aid trained staff on the premises, and first aid boxes around the business.
We pay for Bath BID security and we have a walkie talkie on the reception to contact them if we ever feel threatened.
Our reception has a phone to call 999 if there is ever a public disturbance or emergency.

d) The prevention of public nuisance

There will be no additional noise created. We are a fully operating mobile café and gym business. The addition of alcohol to our offering will only be an adjunct to our current offering. Noise levels, opening hours and our current business will remain the same.
There will be no change to our bin store use (we only access bins during opening hours 7am-8pm).

e) The protection of children from harm

We will have a policy to clear glasses quickly to minimise opportunity for children to drink left over alcohol.
A recognised age verification scheme such as a PASS approved identity card/passport etc.
All staff responsible for selling age restricted goods should be trained appropriately.
Display signage to notify the public that the premises operates a Proof of Age scheme;
Use CCTV or other methods to monitor the outside the premises, to ensure that children are not purchasing by proxy;
Keep a refusals book.

Licensing Services

Dear Sir/ Madam

I am writing to object most strongly to the proposed granting of an alcohol license to the Fly Gym in Bath St.

Bath Street is an iconic part of Bath enjoyed by many and used in many film and tv productions. This proposal will not encourage them to use Bath Street in their productions. It will also spoil this lovely street by having a bar in its midst.

The gym was granted its licence to operate on the basis of a small cafe to meet the needs of its clients..As time has passed the cafe has been leased to another company, then it was empty, and now, a huge truck is parked on the pavement outside. Tables and chairs are put all over the road and pavement blocking access to pedestrians. They also store their tables and chairs in Bilbury Lane. They seem to have no regard for anyone else but making profits.

Now, they want to sell alcohol from early morning until late at night. We will have intoxicated people hanging around our property at all hours . We will also have loud music from buskers playing late into the evening and rubbish strewn everywhere.

This is not fair!

I hope you will listen to local residents and not only to a Bristol based business.

Yours faithfully

Ann Crooke

Dear Mr Cannon &/others,

I object to the subject application for a "Premises Licence" primarily on the grounds of "Prevention of Public Nuisance" but also in consideration of "Public Safety".

Bath St is for the most part a quiet residential street with the entrance of the Thermae Spa at the far end, as well as the historic attraction of the "Circular Bath", also being at the far end of Bath St. The thoroughfare is particularly quiet with virtually zero tourists present after 17.00hrs. I should add for additional information, our own building and entrance of 1 Bilbury Lane effectively "T" joins with Bath St. under the Collonades opposite the two Bank Santander ATMs.

The sale of alcohol, particularly during the evening hours of Friday, Saturday and Sunday would be totally inappropriate for the street, especially as with the slightest sign of rain, large groups of potentially drunken stag & hen groups, and rugby supporters, will vacate their tables and gather under the Collonades. This will pose a considerable "Public Nuisance" for anyone trying to use the pavement, but particularly for anyone wanting to use the ATMs. My wife is a frail 72 year old and she would be very concerned for her own "(public) safety" if she had to use the ATMs which she does when the banks are closed ie. Saturday evenings and Sundays.

Furthermore, I am personally disabled and unfortunately have to use a wheelchair for most of the time, as well as occasionally walking up to about 30 yds or so with a static or wheeled frame. We actually have permission from B&NES to have occasional vehicular access to Bath St so that I might more easily access our car which involves my wife having to erect steps etc for me to climb / be lifted/ assisted into our necessary 4x4 car. Trying to do this in the middle of groups of even partially inebriated " lads & lassies" will be something that definitely will make me concerned for my

own “ public safety”it’s frightening enough for me to do this normally totally alone, leaving aside being the evening’s entertainment for “Fly Fitness’s” drunken / partially drunk revellers.

I have already mentioned the presence of the ATMs.Now whilst I appreciate that some pubs and clubs actually have ATMs within the premises, these particular ATMs will present an open invitation to anyone who feels brave enough or drunk enough to nurse a drink for an hour or two whilst waiting for some poor unsuspecting person to fumble around using the cash machine and grab what they can.! Especially if gathered in groups under the Collonades...!

In conclusion, whether the customers buy their alcohol from inside the “café” , or sitting down around a table in the street,(which is definitely worse!) , it will still involve the unnecessary potential for drunken behaviour that is currently NOT FOR SALE in our street. PLEASE do not make the situation any worse by allowing an unnecessary alcohol licence to Fly Fitness Ltd (by the way, this is the café originally permitted for the sale of soft drinks and coffee solely to their gym users !!)....

I deeply ask for a sympathetic response,and that you decline the application,

Yours Faithfully,

S V Crooke (mr)

Subject: Comment on Fly Fitness Premises Licence

CAUTION: This email originated from outside of the organization. Do not follow guidance, click links, or open attachments unless you recognize the sender and know the content is safe.

I write to comment on the current application for Fly Fitness to gain a Premises Licence for 3-4 Bath Street.

The junction of Bath Street and Bilbury Lane is a quiet residential area comprising a number of flats and we are concerned that the retail sale of alcohol both from these premises will change the character of this quiet area and potentially pose a nuisance to residents and people accessing the adjacent cashpoint.
