E3622 Co-Living Position Statement (WL)

Cabinet Member for Built Environment, Housing and Sustainable Development

Author/Contact: Richard Daone

Free to Decide: Not before 7th Jun 2025

Co-living is a relatively new model of housing with no standard definition in national policy. It is acknowledged that there is currently the potential for an inconsistent approach to Co-Living planning applications without formal, visible guidance on the issue. Therefore, we have produced an interim Position Statement which will clarify the Local Plan policies the Council will consider when assessing planning applications for co-living proposals, and how they will be applied. This Single Member Decision seeks approval of the Co-Living position Statement.
