E3655 Somer Valley Draft Design Code Supplementary Planning Document (WL)

Cabinet Member for Built Environment, Housing and Sustainable Development

Author/Contact: Richard Daone

Free to Decide: Not before 6th Oct 2025

To facilitate the delivery of high quality development in the Somer Valley a design code is being prepared which it is intended to adopt as a Supplementary Planning Document (SPD). The design code sets out the design requirements for new housing within the Somer Valley which would include the wards of Midsomer Norton North, Midsomer Norton Redfield, Paulton, Peasedown, Radstock and Westfield. The code has been prepared following engagement with stakeholders and parish and town councils. It is intended that the code will be used alongside and to supplement the current adopted Development Plan and the emerging Local Plan so as to influence the design of housing developments. This report seeks approval of the draft Design Code SPD for public consultation.

E3650 Estate Rationalisation, Bath (WL)

Cabinet Member for Economic and Cultural Sustainable Development

Author/Contact: Jennifer Raagas

Free to Decide: Not before 15th Sep 2025

Bath & North East Somerset Council is implementing an Estate Rationalisation project to improve service efficiency, reduce property costs, and support its capital investment programme.

A key part of this initiative is the proposed sale of Lewis House, which will generate capital receipts and save the Council in running costs. To enable the disposal, Council services currently based at Lewis House will be relocated to refurbished facilities at the Guildhall, Parkside, and Pixash.

The project includes a £2.69m investment to upgrade these sites, with sustainability improvements at Parkside supporting the Council's 2030 Decarbonisation targets.

This rationalisation supports the Council's long-term goals of financial sustainability, improved service delivery, and environmental responsibility.
