

# EXECUTIVE FORWARD PLAN MARCH 2011

This Forward Plan seeks to anticipate all the Cabinet decisions to be made by the Cabinet, or by individual Cabinet members (and occasionally key decisions by officers) over the next four months.

The Forward Plan is updated regularly and re-issued on a monthly basis. It goes beyond the minimum legal requirement for only key decisions to be published over the coming four month period, and demonstrates the Council's commitment to openness and participation in decision making. It will also assist the Council's Overview & Scrutiny Panels in planning their input to policy formulation and development, and in reviewing the work of the Cabinet. It can be seen on the Council's website at:

[http://www.bathnes.gov.uk/committee\\_papers/Executive/FwdPlan/](http://www.bathnes.gov.uk/committee_papers/Executive/FwdPlan/)

There is also an option on the Council's website to access the next month's "Emerging" Forward Plan. Inevitably, some of the current information may change; Government guidance recognises that the plan is a best assessment, at the time of publication, of anticipated decision making.

*Should you wish to make representations to the decision taker, please contact the report author or Col Spring, Democratic Services (01225 394942). For Cabinet meeting items, a formal agenda will be issued 5 clear working days before the meeting. For individual (Single-Member) Cabinet member decisions, a Weekly List, with the details of the proposed decision, will be published and a decision will not be made until 5 clear working days have expired from the date of publication, to allow for representations.*

*Cabinet agenda papers and the Weekly List can be inspected on the Council's website and at the Guildhall (Bath), Hollies (Midsomer Norton), Riverside (Keynsham) and at Bath Central, Keynsham and Midsomer Norton public libraries.*
