

EXECUTIVE FORWARD PLAN OCTOBER 2012

This Forward Plan seeks to anticipate all the Cabinet decisions to be made by the Cabinet, or by individual Cabinet members (and occasionally key decisions by officers) over the next four months.

The Forward Plan is updated regularly and re-issued on a monthly basis. It goes beyond the minimum legal requirement for only key decisions to be published over the coming four month period, and demonstrates the Council's commitment to openness and participation in decision making. It will also assist the Council's Overview & Scrutiny Panels in planning their input to policy formulation and development, and in reviewing the work of the Cabinet. It can be seen on the Council's website at:

<http://democracy.bathnes.gov.uk/mgListPlans.aspx?RPId=122>

There is also an option on the Council's website to access the next month's "Emerging" Forward Plan. Inevitably, some of the current information may change; Government guidance recognises that the plan is a best assessment, at the time of publication, of anticipated decision making.

Should you wish to make representations to the decision taker, please contact the report author or Col Spring, Democratic Services (01225 394942). For Cabinet meeting items, a formal agenda will be issued 5 clear working days before the meeting. For individual (Single-Member) Cabinet member decisions, a Weekly List, with the details of the proposed decision, will be published and a decision will not be made until 5 clear working days have expired from the date of publication, to allow for representations.

Cabinet agenda papers and the Weekly List can be inspected on the Council's website and at the Guildhall (Bath), Hollies (Midsomer Norton), Riverside (Keynsham) and at Bath Central, Keynsham and Midsomer Norton public libraries.

Key to Codes used in the Forward Plan

Decision Types

KEY	This item is a Key decision. It is one which will have significance in terms of budget impact (spending or savings) or its impact on a community that is wider than a single electoral ward. There is no set financial threshold above which a decision is regarded as Key.
PBF	This item is part of the Council's Policy and Budget Framework. This is the list of and contents of plans and strategies agreed by the Council as being those that collectively form the framework and which are determined by the Council. The current list of such plans and strategies can be accessed on the Council's website.
TRO	This item is a Traffic Regulation Order which by statute must be advertised by the Council for public consultation, giving a date by which any objections must be received. If objections are received, then the Order cannot be implemented but a Cabinet decision is required. If no objections are received, then the Order can be implemented without the need for a Cabinet decision.
BRT	Decisions to be made by the Bath Recreation Ground Trust Board
HWB	Issues which have been referred by the (Shadow) Health & Wellbeing Board
RVW	Cabinet Response to Overview & Scrutiny Panel Review Recommendations
WoE	Decisions which will be taken by the West of England Joint Transport Committee or the West of England Joint Waste Committee

Directors Group Lead

AA	Ashley Ayre – Strategic Director, People and Communities
AP	Andrew Pate – Strategic Director, Resources
<i>vac</i>	Strategic Director, Place
JF	Jo Farrar – Chief Executive, Bath & NE Somerset Council
VH	Vernon Hitchman – Council Solicitor

Access to Information

The majority of the Cabinet's business listed in this Forward Plan will be open to the public to attend. There will inevitably be some business which contains, for example, confidential, commercially sensitive or personal information.

This is formal notice under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that parts of the Cabinet Meetings listed here will be held in private because the reports will contain exempt information under Part 1 of Schedule 2A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it.

Members of the public may make representations about why the meeting should be open to the public. The Cabinet will then make a statement of response to such representations.
