E3330 Retention of the Recycling Centre Booking System (WL)

Cabinet Member for Neighbourhood Services

Author/Contact: Sarah Alder

Decision made on 8 February 2022 and published on 9 February 2022

Call-in deadline: 16 February 2022

As part of the re-opening of the recycling Centres during COVID-19 restrictions in 2020, a booking system was introduced at the Midsomer Norton and Bath Recycling Centres.

The booking system received positive feedback from site users. Surveys indicate overwhelming support for it to remain in place now that COVID restrictions have been removed as the system eases congestion, speeds up visits and makes for a more pleasurable customer experience

Retaining the booking system provides several benefits; residents have certainty that they will be able to access the site at the time booked and no wasted trips as the site is too busy; it reduces vehicle queues and the associated pollution from idling engines, alongside removing any congestion on the surrounding road network.

Keynsham Recycling Centre would remain as a site with no booking system, so that residents can access this at any time during opening hours.
