E3460 Hygge Park and Sulis Down Support Provider Procurement (WL)

Cabinet Member for Adult Services

Author/Contact: Victoria Allan

Decision made and published: 26th June 2023

Call-in deadline: 3rd July 2023

Accommodation for new supported living schemes is currently being built at two sites: Hygge Park in Keynsham and Sulis Down in Bath. Both will house 5 individuals with support needs in individual flats, have some communal space, and office/ living space for a support member of staff 24/7. The schemes will be open to individuals with a learning disability and/or autism with Care Act eligible care and support needs.

The Specialist Commissioning Team is responsible for commissioning a support provider to provide core support for all the individuals who will make these flats their homes. We propose to complete a competitive tender to appoint one core provider across both schemes. This approach offers the market a viable contract and an opportunity to grow their business and position within B&NES.

CALLED IN DECISIONS

This decision was the subject of a call-in by at least 9 members. The call-in has been validated under the rules within the Constitution. The decision will be examined through the overview and scrutiny process at the Corporate PDS Panel meeting on 11th July 2023 and a recommendation may be made back to the decision maker. If so, the response of the decision maker (the Cabinet member or the Cabinet, whichever is relevant) will be recorded in a subsequent Weekly List. Once made, this decision will not be eligible for a further call-in.

E3453 Entry Hill Depot Site, Entry Hill, Bath BA2 5NA – Recommendation for Disposal (WL)

Cabinet Member for Resources

Author/Contact: Glenn Chinnock

Decision made and published: 13th April 2023

Decision called in: 20th April 2023

The Entry Hill Depot Site does not offer an opportunity to develop for Residential Development in the short to medium term and therefore could be offered for sale or lease for employment use only in accordance with the local plan.

The proposal to delegate to the Head of Corporate Estate in consultation with the Head of Finance and Head of Legal Services the decision to sell to a single proposed purchaser subject to valuation by a third party without prior marketing of the site, the costs of which will be borne by the proposed purchaser whether the matter proceeds to completion or not. The rationale being that there are no alternative uses of higher value to which this land could be developed in the medium to long term, owing mostly to planning restrictions (albeit provisions to recover overage from the purchaser or their successors in title will be included in any sale contract). It is

intended that the proposed purchaser will support the local economic growth through development for employment uses resulting in an estimated additional GVA of £1.4 million pa.
