### **E3576 23 Grosvenor Place, Bath: Operating Arrangements (WL)**

Cabinet Member for Built Environment, Housing and Sustainable Development

Author/Contact: Graham Sabourn

Decision made and published: 15<sup>th</sup> October 2024

Call-in deadline: 22<sup>nd</sup> October 2024

In March 2020, 23 Grosvenor Place was repurposed as part of the Council's response to the government's "Everyone In" homelessness directive during the early stages of the COVID-19 pandemic. Following the receipt of £1.2 million from the government, the building was extensively refurbished to provide 20 units of high-quality, self-contained accommodation for individuals transitioning from rough sleeping to a more stable living situation. Since April 2020, Julian House has been responsible for housing management and personal support, collecting and holding all rental income. With the refurbishment now complete, a more streamlined and cost-effective operational strategy is required. It is therefore proposed to bring the housing management and support functions in-house.

## ITEMS PREVIOUSLY LISTED IN THE FORWARD PLAN BUT NOW WITHDRAWN FOR

## THE REASONS STATED BELOW

E3251 - The Levelling-up and Regeneration Act 2023 changes which applied to the Business and Planning Act 2020 did away with Tables and Chairs permits - they are now all Pavement Licences.

E3547 - The Fashion Museum will be considered in the context of the overall Council Capital budget setting.

### **E3521 The addition of a '28 days' notice to remove tables and chairs from the highway during large events condition' on Tables and Chairs Permits**

Cabinet Member for Neighbourhood Services

Author/Contact: Aled Williams

From time to time, Bath and North East Somerset Council hosts events such as the Bath Half Marathon, Remembrance Services and Christmas Markets. These events provide value and an economic boost to the local economy. As these events attract many people, there is also potential for conflict between the attendees/spectators and street furniture/tables and chairs placed on the highway. To avoid overcrowding and reduce restrictions on ease of movement in busy areas, the Council has consulted on opinions relating to the use of a condition on Tables and Chairs Permits and Pavement Licences that will enable the authority to give 28 days' notice in writing for licence holders to remove their furniture from the highway.

### **E3547 Capital Funding for the Fashion Museum for Concept and Detailed Design Phases**

Cabinet

Author/Contact: Robert Campbell

To commit capital funding to the Fashion Museum to deliver the concept design for the project.
