Exempt Appendix Title:

Appendix 2 – Partner’s IMA Guidelines (Current and Proposed) and Partner’s rationale for change

Stating the exemption:

- 3. Information relating to the financial or business affairs of any particular person (including the authority holding that information).*

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the committee resolve to exclude the public. The paragraphs below set out the relevant public interest issues in this case.

PUBLIC INTEREST TEST

If the Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters.

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local Government Act 1972. Paragraph 3 of the revised Schedule 12A of the 1972 Act exempts information which relates to the financial or business affairs of the investment managers which is commercially sensitive to the investment managers. The officer responsible for this item believes that this information falls within the exemption under paragraph 3 and this has been confirmed by the Council’s Information Compliance Manager.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. The main factor in favour of disclosure is that all possible Council information should be public and that increased openness about Council business allows the public and others affected by any decision the opportunity to participate in debates on important issues in their local area. Another factor in favour of disclosure is that the public and those affected by decisions should be entitled to see the basis on which decisions are reached.

Weighed against this is the fact that the exempt appendices contain the investment strategies of the investment managers. It would not be in the public interest if advisors and officers could not express in confidence opinions which are held in good faith and on the basis of the best information available. The information to be discussed is also commercially sensitive and if disclosed could prejudice the commercial interests of the investment managers.

It is also important that the Committee should be able to retain some degree of private thinking space while decisions are being made, in order to discuss openly and frankly the issues under discussion relating to the investment managers in order to make a decision which is in the best interests of the Fund's stakeholders.
