Procedure for designation of Local Sites in Bath & North East Somerset

Date of Meeting	13-Jun-12
The Issue	<i>This paper sets out the procedure for assessing and designating Sites of Nature Conservation Interest (SNCIs) and Regionally Important Geological Sites (RIGS), collectively known as "Local Sites", using standard criteria in accordance with best practice and national guidance, within Bath & North East Somerset.</i>
The decision	(1) To AGREE the procedure for designation of Local Sites in Bath & North East Somerset.
Rationale for decision	The rationale is to provide a systematic, robust, defensible approach to the designation and review of Local Sites in the District, and to bring the Council in line with current guidance.
Other options considered	None
The Decision is subject to Call-In within 5 working days of publication of the decision
