<b>Decision maker/s</b>	Cllr Paul Crossley, Council Leader
<b>The Issue</b>	To consider the points raised during the public advertisement to introduce a permanent area-wide 20mph speed limit TRO in Twerton and Southdown.
<b>Decision Date</b>	01 08 2012
<b>The decision</b>	The Cabinet member agrees that, subject to scheme delivery proposals being approved through the PID process: 1.1 The scheme is approved as advertised, 1.2 That the objectors are informed accordingly.
<b>Rationale for decision</b>	The introduction of a 20mph speed limit will improve the environment, and it should encourage more walking and cycling.
<b>Financial and budget implications</b>	Funding for the scheme is available from Council Capital.
<b>Issues considered</b>	Social Inclusion; Customer Focus; Sustainability; Human Resources; Property; Young People; Human Rights; Corporate; Health & Safety.
<b>Consultation undertaken</b>	Ward Councillor; Cabinet colleagues; Staff; Other B&NES Services; Service Users; Local Residents; Section 151 Finance Officer; Chief Executive; Monitoring Officer.
<b>How consultation was carried out</b>	This was carried out by letter drop with a comment feedback freepost return, formal consultation by public advertisement of the proposals for 21 days and publication of the Single Member Decision Report.
<b>Other options considered</b>	An alternative option to introduce 20mph speed limit zones would have required the introduction of traffic calming measures but was considered to be too expensive.
