1 THE ISSUE

- 1.1 An application has been received for a new Premises Licence under s.17 of the Licensing Act 2003 in respect of The Coco Lounge, 55 High Street, Midsomer Norton BA3 2DQ.

2 RECOMMENDATION

- 2.1 That the sub committee determines this application.

3 FINANCIAL IMPLICATIONS

- 3.1 The costs of processing licences are covered by the fees charged. The fee for this application is £190.

4 THE REPORT

- 4.1 An application has been received for a new Premises Licence (Annex A).

- 4.2 The application is for:

- 1) The **Sale of Alcohol** for consumption both **on and off** the premises:

Monday - Thursday 11:00 to 18:00

Friday – Saturday 11:00 to 22:30

2) Opening hours

Monday – Thursday 08:00 to 18:00

Friday – Saturday 08:00 to 22:30

4.3 A site plan is attached at Annex B.

4.4 The Licensing Act 2003 (Section 4) states that it is the duty of all Licensing Authorities to carry out their functions under the Act with a view to promoting the licensing objectives. The licensing objectives are:

- a) The Prevention of Crime and Disorder
- b) Public Safety
- c) The Prevention of Public Nuisance
- d) The Protection of Children from Harm.

Each objective is of equal importance. As there are no other licensing objectives, these four are of paramount consideration at all times. When considering applications, representations or notifications, the Licensing Authority will have regard to these licensing objectives.

4.5 The Licensing Authority may grant the application with or without additional conditions.

4.6 Section 4(3)Licensing Act 2003 states that the Licensing Authority should also have regard to the Council's Licensing Policy, the Statutory Guidance issued under Section 182 of the Licensing Act 2003, and the Licensing Act itself, and in particular to:-

- a) Paragraphs 3, 5, 6, 9, 10, 15 - 20, 23, 24, 28, 33 - 37, 41 to 44 of the 2011 policy.
- b) Chapters 8, 9 and 10 of the Statutory Guidance (as revised in April 2012).
- c) Sections 4, 9, 10, 11, 12, 13, 16, 17, 18, 23, 182, 183, and Schedule 2 of the Act.

4.7 The Licensing Authority recognises that Licensing and Planning are separate regimes. Where an application is granted by the Licensing Authority which would require planning permission this would not relieve the applicant of the need to obtain that permission. It will still be necessary for the applicant to ensure that he/she has **ALL** the necessary permissions in place to enable them to run the business within the law.

4.8 If the application is refused the applicant may appeal within 21 days of the notification to the Magistrates' Court. If the application is granted the person making the relevant representation may appeal within 21 days of the notification to the Magistrates' Court.

On appeal the court may either dismiss the appeal, substitute the decision appealed against for any other decision which could have been made by the Licensing Authority, or remit the case to the Licensing Authority to dispose of in accordance with the direction of the court. The court may make such order for costs as it thinks fit.

- 4.9 In accordance with the requirements of the Act the applicants served copies of the application upon the police, the fire authority, environmental health, development control, trading standards, health authority and the child protection agency.
- 4.10 The applicant is required to place a notice at the premises for a period of 28 days starting the day after the application is made and place an advert in a local newspaper within 10 days for submitting the application to the licensing authority.
- 4.11 Representations have been received from the Stanley Court Residents' Association, two Stanley court residents, the PEOPLE charity and Midsomer Norton Town Council. They express concern that the applicant's proposals shall undermine both the crime prevention and the prevention of public nuisance objectives (Annex C).
- 4.12 The following condition has been proposed by the Stanley Court Residents' Association:

“No alcohol to be served to the terrace area after 9:00pm”

In response, the applicant has agreed in writing to the following condition as detailed in Annex D:

“The terrace area will not be used after 9pm”

- 4.13 This report has not been sent to the Trades Union because they would have no involvement.

5 RISK ASSESSMENT

- 5.1 A risk assessment related to the issue and recommendations has been undertaken, in compliance with the Council's decision making risk management guidance.

6. EQUALITIES

- 6.1 An Equality Impact Assessment (Eq1A) has been completed. No adverse or other significant issues were found.

7 CONSULTATION

- 7.1 In accordance with the Licensing Act 2003 (Premises Licence and Club Premises Certificate) Regulations 2005, the applicant has given notice of the application to all the relevant Responsible Authorities and has advertised the application in the manner prescribed, both at the premises and within a local publication.

8 ISSUES TO CONSIDER IN REACHING A DECISION

- 8.1 When reaching a decision, the Licensing Authority must carry out its functions with a view to promoting the four licensing objectives.
- 8.2 Consideration must be given to the Human Rights Act 1998 and the “convention rights”.

9 ADVICE SOUGHT

- 9.1 The Council's Monitoring Officer (Divisional Director-Legal & Democratic Services), section 151 Officer (Divisional Director-Finance) and the Divisional Director have had the opportunity to input to this report and have cleared it for publication.

Received

Dear Sirs

**Premises: Coco Lounge, 55 High Street, Midsomer Norton,
Radstock, BA3 2DQ**

We, the residents of Stanley Court, High Street, Midsomer Norton, have met with Mr. Peter Copsey the proprietor of the Coco Lounge. We are satisfied that he is aware of the various possible causes of nuisance that would affect the quality of life of the elderly residents of our retirement development who live close to his premises.

However, you will see from the photograph enclosed that the two flats, numbers 38 and 39 Stanley Court, above our entrance archway, are very close to the decked terrace at the front of the Coco Lounge.

The occupant of number 38 Stanley Court very strongly objects to the sale of alcohol in the Coco Lounge because he believes that this will inevitably lead to increased noise nuisance. Over and above the existing noise levels in the High Street.

In our chat with Mr. Copsey he offered to stop serving to the terrace area **AFTER 9.0 p.m.**

We think that a restriction should be made part of the licence that is being applied for, namely that alcohol must not be served on the terrace of the Coco Lounge **AFTER 9.0 P.M.**

Yours faithfully

W. R. Willis

W. R. Willis, Secretary,
Stanley Court Residents' Association.

I/We have already made a written representation and have no further comments

The premises are in Midsomer Norton High Street, an area already with a high concentration of licensed premises with the associated crime and disorder issues that come with it. It is accepted that most of these premises are to the bottom end of the High Street it is our concern that if Coco Coffee Lounge is granted a licence to serve alcohol this will cause a movement of patrons further up the High Street and may also be used as a stopping off point for drinkers heading towards the Stones Cross.

The premises has a patio area at the front of the premises where customers will consume alcohol. Clientele of Coco Coffee Lounge have to cross the front of PEOPLE in order to access this premises. PEOPLE carry out a number of activities in their premises next door involving people with disabilities. We are concerned that the presence of people on the patio would affect those entering our premises and make them reluctant to approach the site.

The clientele of PEOPLE have many vulnerabilities including physical and learning disability, mental health and recovering addicts (alcohol in particular) PEOPLE are concerned of the impact of the close proximity of alcohol provision within its parameters. The impact on PEOPLE should not be negated as the vulnerability of our clientele may make them reluctant to enter PEOPLE if people are drinking outside and the consequent abuse that may be forthcoming from those who have drunk to excess.

You may be willing to offer a concession in that no alcohol is served on the patio after 1700.

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

Dear Sirs

License Application 12/03119/LAPRE
CoCo Lounge 55.High Street.Midsomer Norton

We write to object most strongly to the above License Application. We own and reside at No 38 Stanley Court. High Street. Midsomer Norton.

Stanley Court is a private sheltered housing complex for the over 55 years of age and is established almost 20years. Our property is next to and very adjacent to the CoCo Lounge, please see enclosed photographs and location plan.

Our worries are that a licensed premises (Bar) so close, could have a negative effect on our property value, plus the obvious potential noise and nuisance problems associated with alcohol. This is already a major problem in Midsomer Norton, within a radius of 300 yards there already exist five alcohol outlets and possibly twelve in the High Street area.

The site now occupied by the CoCo Lounge has in the past been subject to various planning applications. Please see enclosed Delegated Report. All have safeguarded the amenities of nearby residents. The planning permission which it now operates under does the same.

We have no problems with the operations of the CoCo Lounge at present with the operating hours and sale of teas, coffee and light snacks. However we feel very strongly that an alcohol license in this location and with additional opening hours is totally unacceptable.

Yours faithfully,

Michael Whittock

Please detail your objection(s) as fully as possible in the box below. If you do not then the Committee may not understand why you have objected.

Please attach supporting documents/further pages as necessary and number all extra pages.

Try to be as specific as possible and give examples e.g. *On 1 February I could hear loud music from the premises between 10pm and 1 am. I am concerned that if the premises open until 2 am this will cause a nuisance to me and other residents of the street.*

Dear Ruby,

**Re. New Premises Licence Application 12/03119/LAPRE
The Coco Lounge 55 High St Midsomer Norton**

I am writing on behalf of the Town Council's Planning Committee, who as an interested party representing local residents, considered the new premises licence application ref 12/03119/LAPRE from the Coco Lounge.

The Planning Committee resolved to support the application conditionally. The need for a condition arose to avoid public nuisance because of the premise's close proximity to residential properties. In particular the Coco Lounge is next to Stanley Court, a complex of retirement homes.

The Town Council's Planning Committee's wish is to avoid disturbance to residents such as noise emanating from the applicant's terrace on Friday and Saturday nights after 9:00pm. The Planning Committee defer to you the precise formulation of the condition necessary to achieve this aim.

Yours sincerely

IMPORTANT NOTE - The above decision refers to Planning Permission only and does not grant or imply Listed Building Consent, Advertisement Consent, Building Regulation or other consents under any other legislation.

ANNEX C

APPEALS TO THE FIRST SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice (8 weeks for Advertisement appeals).
- Appeals must be made using a form which you can get from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at www.planningportal.gov.uk/pca.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990.

COMPENSATION

- In certain circumstances compensation may be claimed from the local planning authority if permission or consent is refused or granted subject to conditions by the First Secretary of State on appeal or on reference of the application to him.
- These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

DELEGATED REPORT

Application No: 11/01673/FUL

Case Officer: Victoria Griffin

Details of location and proposal and Relevant History:

55 High Street, Midsomer Norton, Radstock, Bath And North East Somerset, BA3 2DQ

The building is a terraced property situated at the top end of the High Street and is located within the main town centre.

This application relates to the change of use of the tea rooms/kitchen showroom (mixed use class A1 & A3) to cafe (class A3) incorporating ramped access and new shop front with canopy. To the front of the building is a small terrace area with proposed seating that would be enclosed by a small boundary wall.

The site falls within the Conservation Area and Housing Development Boundary.

PLANNING HISTORY:

DC - 00/00370/FUL - RF - 9 June 2000 - Change of use from offices to restaurant (Use Class A3) - Appeal dismissed 05/01/01

Grounds for refusal:

- noise generated until late at night (23:00hrs)
- parking and highway safety
- loss of amenity to nearby residential properties

DC - 01/00883/FUL - PERMIT - 27 September 2001 - Change of use to dental surgery, as amended by plans received 11th June 2001 and 6th August 2001

DC - 08/04555/FUL - PERMIT - 30 January 2009 - Change of use from showroom (Use Class A1) to mixed use of showroom (Use Class A1) and tea room (Use Class A3)

10/03893/FUL - Change of use from shop (Use Class A1) to restaurant (Use Class A3) - Refused 10/11/10

Reason for refusal - The proposed change of use to restaurant (use class A3) has the potential to generate levels of noise and odour from extraction and ventilation systems and it has not been demonstrated that the proposed development will not be harmful to the amenity of nearby residents.

Summary of Consultation/Representations:

Midsomer Norton Town Council: Support

Environmental Protection: I refer to your consultation memo of 10 May 2011 in relation to the above application and confirm that I have no objections.

Highways: Neither the existing nor proposed developments have the benefit of vehicular access or off-street parking. However, this is a highly accessible town centre location where adequate opportunities exist for both on-street and off-street parking. The proposed works on the site frontage involve the construction of a new access route from the public highway and the

construction of a new wall along the highway boundary/back of footway. This will involve works having to take place from within the limits of the public highway and, therefore, adequate notice must be given to the Council's Highway Maintenance Team prior to the commencement of works in order that measures to ensure the safety of users of the public highway can be agreed and put in place. Bearing the above in mind, the highway response is one of NO OBJECTION, subject to the following advisory note being included on the Notice of Decision for any planning permission granted:

The applicant should be advised to contact the Highway Maintenance Team on 01225 394337 prior to commencing works within the limits of, or on the application site frontage to the public highway.

Representations: One letter of support raising the following points (summarised):

I agree that there is a niche for a coffee shop at the top of the high street offering a large place to sit and enjoy a coffee, also think it would be a great venue for mothers with a baby and pram also for teenagers to have a safe environment to meet with friends and relax, also the fact that the previous coffee shop cafe amour closing leaves a perfect gap. This would also revive the top end of town offering something new, - also since the opening of the new skatepark there is a increased number of visitors to the town and at present nowhere large enough to accommodate them. At present we prefer to visit Wells to shop and have a coffee as there is no facility available in Midsomer Norton high street to do this in comfort and space. This kind of establishment is well overdue.

Policies/Legislation:

The following policies are material considerations:

D.2: General design and public realm considerations

D.4: Townscape considerations

B.H.6: Development within or affecting Conservation Areas

S.1: Hierarchy of shopping centres and the need to maintain and enhance them

S.8: Retention of shops in district, local and village centres

ES.10: Noise Quality

ES.12: Noise and Vibration

Bath & North East Somerset Local Plan including minerals and waste policies - adopted October 2007

Officer Assessment:

The key issues in the consideration of this proposal relate to the impact of the change of use on the viability of local shops, amenity of surrounding buildings and the impact on the Conservation Area.

Impact on the viability of local shops

The building is located within a row of shops that provide local amenities to the area of the city that is primarily in A1 use. In this row there is a vacant shop florists, a second hand shop and a number of takeaways. An officer assessment of town centre uses in Autumn, 2010 demonstrated that overall it was estimated that approx. 53% of town uses were A1 (retail) which was evident upon site inspection. Furthermore the existing premises has a split use which includes A3.

Policy S.8 of the Local Plan states that the change of use away from A1 in district, local and village centres will only be supported when it does not adversely impact the vitality and viability of the

centre. As a good proportion units remain in A1 use it is not considered that the proposed change of use will adversely affect the vitality and viability of the centre and the proposal would comply with Local Plan policy S.8.

Impact on residential amenity

To the rear and side of the building are residential properties and whilst no comments or objections have been raised consideration has been given to the level of potential noise and nuisance an A3 use may cause. Comments received from our Environmental Health officer has raised no objection. Noting the amenity issues that may arise it is relevant that conditions are attached to this permission to ensure that hours of operation are between 0800 - 1800 Monday to Saturday and that the use relates to a cafe only. The installation of any ventilation system at the premises would also need to be subject to a separate planning application and are not included within this proposal. It is also considered relevant to attach a condition that requests an operational statement for the running of the cafe.

It is considered that the nature of the business and the hours within which it will operate subject to conditions would not have a significant adverse impact on neighbouring properties and is considered to be acceptable.

Impact on the Conservation Area and World Heritage site

The proposed alterations to the shop front would remove an unsightly fascia board with new signage and canopy. This would be viewed alongside the side projection of the adjoining property no. 55a. Other minor alterations include replacement windows and the reinstatement of a low boundary wall with side ramped access. The proposal would not cause harm to the character or appearance of the Conservation Area.

The proposal is therefore recommended for permission subject to conditions as it would accord with Local Plan policies D2, D4, ES10, ES12, BH6, S1 and S8.

Recommendation:

PERMIT

1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 (as amended) and to avoid the accumulation of unimplemented planning permissions.

Reason: The approved use only has been found to be acceptable in this location and other uses within the same use class may require further detailed consideration by the Local Planning Authority.

Dear Kirsty

I write further to our telephone conversation of yesterday and to my email in relation to the objection received from the Stanley Court Residents Association. I confirm that my Clients would be amenable to the condition they have suggested as follows:

“That the terrace area will not be used after 9 pm”

(The Residents Association Secretary had indicated that "alcohol" should not be served on the terrace after 9 pm but I believe that they would prefer that the terrace not be used at all after this time)

I look forward to hearing from you with confirmation of the hearing date in due course.

Kind regards
