FINANCIAL IMPLICATIONS

This report sets the framework for the service planning and budget processes relevant to this Panel for the next 3 years. The financial implications are set out in the enclosed annexes.

The overall financial background for the Council is set out in Appendix 5.

THE REPORT

This report forms part of the service and resource planning process. As set out in the enclosed medium term plan (Annex 1), the next steps include:

- (1) Panel comments considered by Portfolio Holders
- (2) PDS Resources meeting in January to take overview of comments from Panels and progress on budget setting plus equalities issues.
- (3) February Cabinet budget recommendations to Council
- (4) February Council approval of budget and Council Tax setting.

The draft Medium Term Service & Resource Plan for Adult Social Care & Housing is attached as Annex 1, and includes its own appendices.

The Panel needs to consider the implications of this medium term plan and make recommendations to the relevant portfolio holder(s) and Cabinet. Where the panel wishes to either increase expenditure or reduce savings targets alternatives should be proposed.

The Panel should concentrate only on the parts of the plan relevant to its own remit as the PDS Resources meeting in January will be taking an overview.

RISK MANAGEMENT

A risk assessment will be completed as part of the final budget papers and inform the Council's reserves strategy. The main risks relate in the next financial year to:

- (1) The robustness of the savings estimates.
- (2) The potential for some service levels to deteriorate as a result of the savings, some savings are from service reductions but most savings are directed at efficiencies.
- (3) The implications for staff arising from savings albeit that the costs of severance will be budgeted for corporately and unions are being consulted together with the affected staff.
- (4) The need to maintain a planned and phased approach to savings at a time when pressures are starting to require substantial and immediate cuts.

(5) Equalities impacts of the savings.

EQUALITIES

- 1.2 Service Action plans will be developed for management purposes and will be subject to Equalities Impact Assessments as they are completed.
