### **3 FINANCIAL IMPLICATIONS**

- 3.1 The financial implications are contained within the body of the report.

### **4 COMMUNITY STRATEGY OUTCOMES**

- 4.1 The framework for service and resource planning aims to ensure that resources are aligned to corporate priorities as set out in the Council's current Corporate Plan, which in turn reflects the Bath & NE Somerset Community Strategy.

### **5 CORPORATE IMPROVEMENT PRIORITIES**

- 5.1 The framework for Service and Resource planning aims to ensure resources are aligned to corporate priorities and improving the delivery of services and cross-Council priorities, linking performance with resources and value for money.

### **6 THE REPORT**

- 6.1 In this document the Cabinet sets out the following:-

- Its medium term service and resource planning financial assumptions (Appendix 3) which set the basis for the draft budget proposal for 2013/14.
- Its draft budget proposal for 2013/14 (Appendix 2). This provides the detail of the first year of the Medium Term Service and Resource Plans and recommends revenue and capital budgets for 2013/14, together with capital commitments for future years, and recommends a level of Council Tax for 2013/14.

- 6.2 The budget proposal builds on the prudent financial management of the Council and is designed to maintain front line services as far as possible whilst recognising the significant financial challenge facing the public sector. The budget proposals include:

- A net £2.5m or 2.0% decrease in the non-schools budget (after allowing for the technical adjustments required as a result of changes in local government finance funding reforms) to £123.359m

- An overall increase in the DSG, estimated at £2.5m with a total funding of £116.6m (including academies). The Dedicated Schools Grant (DSG) increase compared to 2012/2013 is complicated by the transfer of additional responsibilities into the DSG from other funding routes. The majority of the additional funding relates to the transfer of funding for 2 year olds and the funding for post 16 special needs provision, that have transferred from the Early Intervention Grant and the Education Funding Agency respectively. Taking account of this, the overall total represents a cash freeze per pupil compared to the previous year. However as schools convert to academies the Department for Education (DFE) recoup the DSG payable to the Local Authority in order to make payments direct to the academies. The DFE estimate the recoupment will be £41.1m in 2013/2014 leaving £75.5m payable to the Local Authority.
- A freeze in the Council's level of Council Tax, which excludes Polices, Fire and Parish precepts.
- These budget proposals are set out in detail at Appendix 2.

6.3 It is important to be clear on the process to be followed in setting the 2013/14 Budget. The Monitoring Officer has given specific guidance which is set out at Appendix 4, and in particular the need for the Council to approve a balanced budget.

6.4 The Monitoring Officer has also highlighted the implications arising if it does not prove possible for the Council to set a budget at its meeting on 19<sup>th</sup> February and any decision having to be deferred until the reserve date on 28<sup>th</sup> February. This includes potential delays to the Council Tax billing process.

6.5 The Council's pay policy statement as required under The Localism Act 2011 legislation is set out at Appendix 5.

6.6 The Budget proposal set out at Appendix 2 also includes specific Annexes relating to the Council's approach to Community Assets and the on-going development of the West of England City Region Deal.
