

Bath & North East Somerset Council		
MEETING:	Licensing (Gambling and Licensing) Committee	AGENDA ITEM NUMBER
MEETING DATE:	Tuesday 9 November 2010	
TITLE:	Application for a Premises Licence for Future Bath Plus – Southgate Events , Southgate Place, St Lawrence Street, Newark Street, Railway Street, Philip Street and New Marchants Passage, Bath	
WARD:	Abbey	
AN OPEN PUBLIC ITEM		
List of attachments to this report:		
Annex A Application for a Premises Licence		
Annex B Plan of Proposed Licensed Area		
Annex C Representations from Environmental Health		

1 THE ISSUE

- 1.1 An application has been received for a new Premises Licence under the Licensing Act 2003 in respect of **Future Bath Plus – Southgate Events, Southgate Place, St Lawrence Street, Newark Street, Railway Street, Philip Street and New Marchants Passage, Bath.**

2 RECOMMENDATION

- 2.1 That the sub committee determines this application.

3 FINANCIAL IMPLICATIONS

- 3.1 There are no financial implications arising from this report.

4 THE REPORT

- 4.1 An application has been received for a **new** Premises Licence for a maximum capacity of 4,999 persons (Annex A).

- 4.2 The application is for:

- 1) The **Provision of Regulated Entertainment** by way of **Plays, Films, Live Music, Recorded Music, Dance, Similar Entertainment and Facilities for Making Music, Dance and Similar Entertainment for a maximum of 20 days per calendar year** between the following hours:

Every Day

09.00 to 21.00

2) The **Opening Hours** are unrestricted as it is an open public space.

4.3 A site plan is attached at Annex B.

4.4 The Licensing Act 2003 (Section 4) states that it is the duty of all Licensing Authorities to carry out their functions under the Act with a view to promoting the licensing objectives. The licensing objectives are:-

- a) The Prevention of Crime and Disorder.
- b) Public Safety.
- c) The Prevention of Public Nuisance, and
- d) The Protection of Children from Harm.

Each objective is of equal importance; there are no other licensing objectives so these four are of paramount consideration at all times. When considering applications/representations/notifications the Licensing Authority will have regard to these licensing objectives.

4.5 The Licensing Authority may grant the application with or without additional conditions.

4.6 The Licensing Authority should also have regard to the Council's Licensing Policy, the Statutory Guidance issued under Section 182 of the Licensing Act 2003, and the Licensing Act itself, and in particular to:-

- a) Paragraphs 3, 5, 6, 9, 10, 15-20, 23, 24, 28, 33-37, 41 to 44 of the policy.
- b) Chapters 8, 9 and 10 of the Statutory Guidance (as revised March 2010).
- c) Sections 4, 9, 10, 11, 12, 13, 16, 17, 18, 23, 182, 183, and Schedule 2 of the Act.

4.7 If the application is refused the applicant may appeal within 21 days of the notification to the Magistrates Court. If the application is granted the person making the relevant representation may appeal within 21 days of the notification to the Magistrates Court.

On appeal the court may either dismiss the appeal; substitute the decision appealed against for any other decision which could have been made by the Licensing Authority, or remit the case to the Licensing Authority to dispose of it in accordance with the direction of the court. The court may make such order for costs as it thinks fit.

4.8 In accordance with the requirements of the Act the applicants served copies of the application upon the police, the fire authority, environmental health, development control, trading standards, and the child protection agency. **A representation has been received from Environmental Health.**

4.9 The applicant is required to place a notice at the premises for a period of 28 days starting the day after the application is made and place an advert in a local newspaper within 10 days of submitting the application to the licensing authority.

4.10 A representation has been received from the Senior Environmental Health Officer in relation to the licensing objective of Public Safety (Annex C). The representation expresses concern that one of the steps volunteered in the operating schedule may lead to a council officer bearing undue responsibility in relation to public safety. It also

highlights the need for multi-agency engagement when considering the safety arrangements that are required.

The representation requests that the proposed condition, "All of the safety issues relating to the site will be approved and signed off by either Southgate's or the Council's Safety Advisor prior to the event taking place", is not included on the licence. Instead it recommends the following:

"All safety issues relating to the site will be approved and signed off by Southgate's Safety Advisor or where necessary, a site visit will be jointly undertaken with relevant officers from any of the responsible authorities or the Safety Advisory Group, in order to determine that satisfactory safety arrangements are in place. This will also include the inspection of any temporary structures."

4.11 This report has not been sent to the Trades Union because they would have no involvement.

Name	Future Bath Plus
Address	Abbey Chambers Kingston Buildings Bath BA1 1LT
Registered number (where applicable)	
Description of applicant (for example partnership, company, unincorporated association etc)	Local authority and businesses partnership
Telephone number (if any)	
Email address (optional)	david_lawrence@bathnes.gov.uk

Part 3 – Operating Schedule

When do you want the premises licence to start?

Day	Month	Year
		20

If you wish the licence to be valid only for a limited period, when do you want it to end?

Day	Month	Year
		20

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Please give a general description of the premises (please read guidance note 1)

The site will be within the central square located between the Debenhams store and Apple store. There are four designated access/regress routes which lead onto major thoroughfares around the perimeter of the site. It is a vibrant new shopping site which was specifically designed with events of this scale in mind. The facilities are newly completed, have access to toilets and other services and are devoid of trip hazards. Electricity supply is built into the infrastructure and therefore any cabling to support screens or stage will be kept to an absolute minimum.

Initially the licence is required for the provision of a secondary screen related to the Christmas Lights Switch On Event.

Normally the events will involve a stage located on the paved areas in the square which will host a programme of live entertainment and celebration. Screens may be erected by the stage and at agreed locations throughout the site to allow the activities on stage to be relayed to audience members around square. For an audience size of more than 500 persons an event management plan will be submitted to the licensing authority and responsibility authorities 2 months in advance. The precise layout of the site including location of any stage or screens will be agreed within the plan and if necessary a meeting will be arranged with the Council's Safety Advisory Group.

The licence is intended to allow for up to twenty days of similar promotional/community events per calendar year, with dates and specific event plans to be agreed in advance with the licensing authority and the responsible authorities. These may include a BBC Children In Need concert, charitable performances, student performances (associated with the local college), a fashion event, a carnival styled event during the summer months and a spring time celebration intended to engage with the local community.

Future Bath Plus is a partnership between business organisations in Bath and the

local authority. The principal responsibility is to promote Bath to a wide and diverse audience and to ensure increased footfall in the city centre in order that the retail and visitor economy can benefit. As a consequence of the principal purpose of the company we have effective communication channels with all the retail businesses in the area.

The organisation has experience of running events and where necessary will arrange for suitable command and control processes.

The application is only to allow for a maximum of twenty days' use per calendar year, the timings requested are to allow for a modicum of flexibility on future occasions. Similarly the full range of entertainment activities have been requested to cover all eventualities.

Events will be carried out in consultation and agreement with the Southgate Management Company who have comprehensive CCTV of the whole site and the car park below.

The first event is the Christmas Lights switch on on the 18th November - two events follow immediately 19th BBC Children in Need - Nannies Choir and the 20th November Cornish Male Voice Choir. Other events will be notified as per the operating schedule.

What licensable activities do you intend to carry on from the premises?
(Please see sections 1 and 14 of the Licensing Act 2003 and Schedule 1 and 2 to the Licensing Act 2003)

(Please select)

Provision of regulated entertainment

P

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (see guidance note 9)

The licence will only be effective for a maximum of twenty days per calendar year. The specific dates will be given to the licensing authority and the police in advance.

Where the audience is intended to be in excess of 500 persons 2 months' notice shall be given to the licensing authority and responsible authorities of the date and details of each event. Responsible authorities shall have the right to veto the event if they are satisfied that any aspect will undermine the licensing objectives.

For these large scale events there will be a meeting with the Safety Advisory Group when considered appropriate by one of the responsible authorities. It is expected that the final details will be agreed with the SAG at least two weeks prior to each event, although planning meetings will take place well in advance.

b) The prevention of crime and disorder

The events will be focused on a wide span of the retail related, charitable and community activities.

For events with an audience in excess of 500 persons:

There will be a professional events management presence.

Trained and properly briefed stewards will be man barriers surrounding the event site and they will restrict and manage the access.

CCTV is permanently in place will be used to supervise events and the surrounding areas. The control point for the CCTV will have a direct link to the control centre within the SouthGate complex.

An events safety management plan will be drawn up including details of the numbers of stewards to be employed, access and egress points, evacuation procedures, major incident strategies, event cancellation and delayed openings strategies and lost property. The plan will be approved by the Safety Advisory Group at least 2 weeks in advance of the event - as necessary.

c) Public safety

A risk assessment will be carried out in advance of each event.

For events with an audience in excess of 500 persons:

There will be an event management plan. This will build on experience of event management plans utilized elsewhere in the city.

A live count and safety barriers will be put in place as appropriate to prevent overcrowding.

Members of the public will not have access to any stage or the surrounding area which will be protected by safety barriers and stewards.

All of the safety issues relating to the site will be approved and signed off by either SouthGate's or the Council's Safety Advisor prior to the event taking place.

A PA system will be in operation on the stage which will allow for any emergency announcements and loud speakers (mega horns) will be used in specific areas to manage the crowd dynamic. The content of emergency announcements will be specified in the events management plan.

There will be an identified Responsible Officer who has had extensive experience of managing public events in the city of Bath.

Clear access for emergency vehicles will be maintained at all times.

All structures will be built by competent people and will be suitable in design and construction for the job they are intended to do. This will include any marquees. .

d) The prevention of public nuisance

For events in excess in 500 persons:

Additional litter bins will be supplied when considered necessary, particularly at access and egress points. When appropriate bottles will not be allowed onto the site and will be collected in bins at the access points.

A clean up programme will be agreed with Environmental Services or the SouthGate Management Team - to immediately follow the event.

The events will finish by 9pm at the latest. The site will be cleared at the end of each event and contractors will be subject to a friendly neighbour policy.

We will be considerate of our local residents when programming entertainment acts.

e) The protection of children from harm

For events in excess of 500 persons:

A lost child and person policy will be incorporated into the event safety management plan. There will be an identified lost child point and dedicated personnel that are CRB accredited. Details and procedures are included in the plan.

There will be no adult entertainment at any of the events.

For events that are aimed at children any provision of alcohol will be excluded from the site area. For such events there will also be a dedicated child protection policy and dedicated officer.

In all other cases the SouthGate Management Team's processes will be utilized. Such processes will be documented and available for inspection as required.

Please select for Yes

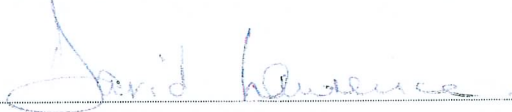

- I have made or enclosed payment of the fee ☒
- I have enclosed the plan of the premises ☒
- I have sent copies of this application and the plan to responsible authorities and others where applicable ☒
- I have enclosed the consent form completed by the individual I wish to be premises supervisor, if applicable ☒

Representation Form

Responsible Authority. (Please delete as applicable.)

~~Police / Fire / EP (noise) / (EH)Health and Safety / Child Protection / Weights and Measures / Planning Authority / Marine Agency.~~

Your Name	Sara Sturrock
Job Title	Senior Environmental Health Officer
Postal and email address	Public Protection 9-10 Bath Street Bath BA1 1SN
Contact telephone number	01225 477560

Name of the premises you are making a representation about.	
Address of the premises you are making a representation about.	Southgate Place

Which of the four licensing objectives does your representation relate to? Please state yes or no.	Yes or No	Please detail the evidence supporting your representation. Or the reason for your representation. Please use separate sheets if necessary.
To prevent crime and disorder		
Public safety	yes	<p>To remove the reference 'All of the safety issues relating to site will be approved and signed off by either Southgate's or the Council's Safety Advisor prior to the event taking place'.</p> <p>This license relates to events that may take place on private land (Southgate Shopping centre) and it would be inappropriate to require a council officer to make the final decision on whether an event can proceed. However, for large scale events it is desirable that a multi-agency approach is adopted in order to determine that appropriate safety arrangements</p>

		are in place and that the event can proceed safely. The rewording of this condition ensures that the responsibility for the safe management of the event lies firmly with the organisers, but also facilitates multi-agency engagement when appropriate
To prevent public nuisance		
The prevention of harm to children		
Suggested conditions that could be added to the licence to remedy your representation you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary and refer to checklist.	This is to be replaced by the statement 'All safety issues relating to the site will be approved and signed off by Southgate's Safety Advisor or where necessary, a site visit will be jointly undertaken with relevant officers from any of the responsible authorities or the Safety Advisory Group, in order to determine that satisfactory safety arrangements are in place. This will also include the inspection of any temporary structures'	

N.B. If you do make a representation you will be expected to attend the Licensing Panel and any subsequent appeal proceeding.
