

A written question by Mr Keith McGarrigle to the meeting of The Bath Recreation Ground Trustees Meeting at The Guildhall Bath on 27th October 2010 .

Will Councillor Watt please inform this meeting **precisely** what discussions took place between the Trustees and The Charity Commission at their last meeting which brought about the need to change the date of this meeting from 13th October to today 27th October ?

Would the Chair also ensure full details of that meeting are included in the minutes or in a separate report to accompany the minutes of today's meeting so that beneficiaries know the **honest** position of what is going on over Bath Rugby's use of the Charity's Recreation Ground now or in the future .

I also lodge this request as a new written question to which I would like a **proper** written answer
