1 THE ISSUE

- 1.1 The Committee is asked to consider the Investigating Officer's report and decide whether it agrees with the Investigating Officer's finding that there has been a breach of the Code of Conduct by Councillor X.

2 RECOMMENDATION

That the Committee

- 2.1 Determines that the public interest is best served by excluding the public during consideration of the report and resolves accordingly
- 2.2 Considers the Investigating Officer's report and decide whether it agrees with the Investigating Officer's finding that there has been a breach of the Code of Conduct by Councillor X.

3 FINANCIAL IMPLICATIONS

- 3.1 The financial implications of the holding of this hearing is contained within the budget held by the Monitoring Officer.

4 THE REPORT

- 4.1 The Regulations made under the Act require the committee to take a preliminary view on the investigation report. This initial consideration can have two purposes:-

a. In the event that the report concludes that there has been no breach, that the matter should nevertheless be referred for a hearing or

b. In the event that the report concludes that there has been a breach whether or not the matter should be referred to the Adjudication Panel for England.

4.2 The only role the committee has in the light of the conclusions reached in the investigation Officer's report is whether or not to refer the matter for determination elsewhere. The Officer's recommendation is that the matter is not serious enough as to warrant the attention of the Adjudication Panel for England and accordingly the committee should merely note the report and indicate that a hearing should be held as required.

4.3 The Committee will note that it is recommended in the Public Interest Test that the report should at this stage be treated as exempt. The arguments for and against disclosure are contained in that test and the Committee will need to decide whether it agrees with the recommendations.

5 RISK MANAGEMENT

5.1 Not applicable.

6 EQUALITIES

It is intended that any hearings conducted will be conducted in accordance with the principles of fairness and natural justice.
