Dear Sirs

**Bath and North East Somerset Council**  
**Financial Statements for the year ended 31 March 2015**

This representation letter is provided in connection with the audit of the financial statements of **Bath and North East Somerset Council** for the year ended 31 March 2015 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

**Financial Statements**

- i We have fulfilled our responsibilities for the preparation of the financial statements in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2014/15 ("the Code"); which give a true and fair view in accordance therewith.
- ii We have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- vi Other than in relation to the valuation of land and buildings (see paragraph xv), we are satisfied that the material judgements used in the preparation of the financial statements

are soundly based, in accordance with the Code and adequately disclosed in the financial statements. There are no other material judgements that need to be disclosed.

- vii Except as disclosed in the financial statements:
  - a there are no unrecorded liabilities, actual or contingent
  - b none of the assets of the Council has been assigned, pledged or mortgaged
  - c there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- ix Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Code.
- x All events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed.
- xi Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of the Code.
- xii We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xiii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiv We believe that the Council's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Council's needs. We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements.
- xv We have not fully complied with the Code in relation to the valuation of land and buildings as indices have been used to revalue these assets. The Council's land and buildings are valued on a five year rolling programme, but given the significant value of assets that were not valued in 2014/15, the movement in the value of these assets, as indicated by nationally available indices, such as BCIS, was material. We have used the available indices to revalue those assets, but acknowledge that this is not in compliance with the Code, which requires that values are based on RICS compliant valuations.
