1 THE ISSUE

1.1 The Gambling Act 2005 (The Act) requires that licensing authorities review their Statement of Principles with regard to gambling every three years. Following the completion of a consultation exercise, the Committee are being asked to consider the responses received, and the officer recommendations, before the proposed Statement of Principles provided in Annex B is presented to Full Council for adoption.

2 RECOMMENDATION

The Licensing Committee is asked to:

- 2.1 Note the responses to the consultation exercise and agree that the officer recommendations should be incorporated into the revised Statement of Principles
- 2.2 Recommend that the draft Statement of Principles, provided in Annex B, is presented to Full Council for adoption.

3 RESOURCE IMPLICATIONS (FINANCE, PROPERTY, PEOPLE)

- 3.1 The cost of reviewing the Council's existing policy has been carried out by officers from Licensing and Legal Services. The majority of costs are taken by officer time and all costs are managed within existing budgets.
- 3.2 The Council has a legal responsibility to review its Statement of Principles, under the Gambling Act 2005, every three years dating from January 2007. The fees charged for the licence fees under the Act cover all activities associated with the

prescribed duties including the provision and review of the Statement of Principles.

4 STATUTORY CONSIDERATIONS AND BASIS FOR PROPOSAL

- 4.1 The Gambling Act 2005 created a new system of licensing and regulation for commercial gambling. Amongst other changes, it gave to local authorities new and extended responsibilities for licensing premises for gambling. In some cases (such as gaming machine arcades), this built on existing responsibilities. But in other major areas, including betting, casino gaming and bingo, they transferred to local authority responsibilities which previously lay with local licensing justices.
- 4.2 The new Act came fully into force in September 2007. In preparation, each licensing authority was required to develop, consult on and publish a statement of principles, setting out those principles which the authority proposes to apply in exercising its licensing functions under the Act.
- 4.3 To assist in this process, the Gambling Commission issued Guidance to licensing authorities on the manner in which they are to exercise their functions under the Act, and the principles to be applied by them, in exercising those functions. Licensing authorities are required to take account of all such Guidance when formulating a statement of principles.
- 4.4 The Guidance stated that the statement will last for a maximum of three years, but can be reviewed and revised by the authority at any time. The current statement of Principles is due to be reviewed this year so that a revised version can be in place for the 31st January 2016.

5 THE REPORT

- 5.1 A public consultation was carried out which lasted for 12 weeks from June-September 2015. The groups specified in Section 8 of this report were either emailed or written to and were asked to comment on the draft policy and asked if they had any suggestion for changes. In addition, an online questionnaire was made available via the consultation portal on the Council's website. A copy of the responses received from the consultation exercise, together with officer comments and recommendations is provided in Annex A.
- 5.2 The Committee is being asked to consider the officer recommendations and agree to their inclusion in the revised Statement of Principles.
- 5.3 The Committees attention is drawn to Para 19 which reflects the forthcoming legislative requirement for operators to undertake local area risk assessments from April 2016.
- 5.4 The Committee is asked to agree the revised Statement of Principles in Annex B and to recommend that the Statement is submitted to Full Council for their approval and adoption.

6 RATIONALE

- 6.1 The rationale for this report stems from a statutory duty on the Council to review its Statement of Principles every three years.
