

Overview of Joint Working Arrangements

11th November 2015

Tracey Cox, Chief Officer

Jane Shayler, Director Adult Care and Health Commissioning

Background to Joint Working Arrangements

- **Long standing arrangements dating back to 2006**
- **Joint Working Framework between CCG and Council**
- **Sets out scope of joint working – adults, children and public health services**
- **Pooled budget arrangements (Section 75 agreements)**
- **Section 256 agreements**
- **Section 113 staffing agreements**

Joint Committee for Oversight of Joint Working

The joint committee is formally established to monitor and oversee the operation of partnership arrangements, and in particular:-

- pooled fund arrangements;**
- the exercise of any NHS functions by the Council;**
- the exercise of any health-related local authority functions by the CCG**
- Committee is due to meet 2x per year**

Pooled budgets

- **Learning Disabilities**
- **Children**
- **Community Equipment**
- **Mental Health (established in 2015/16)**
- **Better Care Fund (2015/16)**

Integrated Commissioning

- **Joint Commissioning Committee**
- **Joint Commissioning Team meetings**
- **Some joint commissioning posts**
- **Co-location of some CCG and Council staff**
- **Commissioning intentions and strategies – joint and aligned where possible**

Integrated Commissioning; Integrated Services

Sirona Care & Health, delivering integrated services including, but not only...

- **Integrated reablement and rehabilitation**
- **Continuing Health Care**
- **Health Improvement Service**
- **Health Visitors**
- **Social Work Services**

Your Care, Your Way

- Focus of our plans for system sustainability
- Outcome based commissioning approach
- Personalised care approach
- Integrated approach to commissioning and providing
- Focus on prevention and self care
- Opportunities to develop a single pooled budget across health and social care

Future opportunities?

- **Further pooling/aligned budgets**
- **A full integrated/aligned budget**
- **Further opportunities for sharing of structures, roles and responsibilities**
- **Fully integrated commissioning strategies**
