<b>Executive Forward Plan Reference</b>	<b>E2841 E2855</b>
---	------------------------

**Consideration of Single Member Items Requisitioned to Cabinet**

<b>Date of Meeting</b>	4-May-16
<b>The Issue</b>	<p>The Council on 12th November 2015 resolved in relation to the east of Bath Park and Ride proposal to:</p> <ol style="list-style-type: none"> <li>1. Call for the Communities, Transport and Environment Policy Development &amp; Scrutiny Panel to undertake an open and transparent public scrutiny, examining a wide range of integrated transport solutions for the east of Bath; and</li> <li>2. Ask that the cross-party Local Development Framework Steering Group review all the options for the location of an east of Bath Park &amp; Ride prior to Cabinet selecting a preferred site early next year, giving due consideration to the following: <ul style="list-style-type: none"> <li>• responses received to the east of Bath Park&amp; Ride consultation;</li> <li>• feasibility and deliverability of each site option;</li> <li>• costs associated with each site option;</li> <li>• transport benefits of each site option; and</li> <li>• visual impact of each site option.</li> </ul> </li> </ol>
<b>The decision</b>	The Cabinet <b>NOTED</b> the reports outlining the findings and conclusions from the Communities, Transport and Environment Policy Development & Scrutiny Panel Inquiry Day and the sites review undertaken by the LDF Steering Group; in order to help their deliberations in determining the recommended solution to the transport issues to the east of Bath.
<b>Rationale for decision</b>	The Council's Getting Around Bath Strategy and the adopted Core Strategy indicate the need for and east of Bath Park and Ride as part of an integrated transport solution.
<b>Other options considered</b>	Do nothing in terms of the transport infrastructure in relation to the economic and housing growth associated with the District.
<b>The Decision is NOT subject to Call-In</b>
