RISK REGISTER

- 4.1 The Risk Register follows the format of the Council's risk register for each service. It identifies the significant risks that could have a material impact on the Fund in terms of value, reputation, compliance or provision of service and sets out the action taken to manage the risk.
- 4.2 The Risk Register is reviewed regularly by the pension management team. Risks identified cannot be eliminated but can be treated via monitoring.
- 4.3 The risks identified fall into the following general categories:
- (i) Fund administration & control of operational processes and strategic governance processes and TPR compliance – mitigated by having appropriate policies and procedures in place, use of electronic means to receive and send data and information

- (ii) Service delivery partners not delivering in line with their contracts or SLAs – mitigated by monitoring and measuring performance
 - (iii) Financial loss due to payments in error, loss of assets due to investment strategy and/or managers failing to deliver required return, fraud or negligence of investment managers or custodian – mitigated by processes to reconcile payments, regular review of strategic return and manager performance and annual review of investment strategy, robust legal contracts to protect against fraud & negligence
 - (iv) Changes to the scheme – mitigated by project plans with defined milestones and responsibilities, progress reviewed periodically by management team
 - (v) Increasing political pressure to reform scheme structure and governance frameworks and direct investment decisions – mitigated by having well defined investment policies and by engaging with the government through the consultation process
- 4.4 The Fund continues to invest significantly in systems and resources to ensure the risks are managed effectively and resilience is built into the service. The arrangements in place are supported by external and internal audit reviews.
- 4.5 The top risks from the register are attached at Appendix 1 and will be supplemented by a presentation at the meeting.
