<b>The Issue</b>	Approval is sought to draw down a further £300,000 from the provisional capital budget to provide continued support for the study to improve access to Bath and remove through traffic from the city. The original budget was approved by the November 2014 <a href="#">Cabinet report</a> on the Getting Around Bath Transport Strategy
<b>Decision Date</b>	31 <sup>st</sup> Oct 2016
<b>The decision</b>	The Cabinet Members agree to release a further £300,000 to support continued study work
<b>Rationale for decision</b>	Continuation of the work of this project is essential and will play a critical role in the development of the Getting Around Bath Transport Strategy and support the Council's Core Strategy
<b>Financial and budget implications</b>	The Council in February 2014 approved a provisional budget of £5.2m to develop a transport solution for the east of Bath. Following the report to Cabinet in May 2016 further work has been commissioned to refine the site options including commissioning planning and property agents.
