Proportionate equality analysis is being carried out on the proposals within the Directorate Plans by the Council's Communities Team.

5 THE REPORT

Introduction

- 5.1 A new Corporate Strategy was adopted by Council at their meeting on 16th February 2016. It sets out the 2020 Vision and the Council's direction of travel. It is shaped by and will deliver the 'Putting Residents First' manifesto commitments.
- 5.2 Three Directorate Plans were also developed. They flow from the Corporate Strategy and set out both the strategic and financial ambitions of each Directorate and how they will deliver the Corporate Strategy commitments.
- 5.3 The Directorate Plans were first published in 2015 and will be updated each year until 2020. Year one of the Directorate Plans is coming to a close and the budget to reflect year 2 is due to be set in February. This report presents a refreshed version of the People and Communities Directorate Plan for initial consideration and feedback as part of the 2017/18 budget setting process.
- 5.4 The corporate strategic context remains largely unchanged but the financial context continues to reflect increasingly tough financial targets. The Council is now expecting to be self-sufficient and not reliant on general government grant from 2020.

5.5 *Updates to the Directorate Plans have been highlighted by the use of italics.*

- 5.6 The plan contains a greater level of detail for the coming year. The detail for the following years will continue to develop as Council policy evolves and will take into account consultation about the services affected. There will be a staged approach to consultation with equalities impacts considered at the same time.

January PDS process

- 5.7 During January 2017, the draft Directorate Plans are being presented to the Policy Development and Scrutiny (PDS) Panels. Each PDS Panel will be engaged in this process and Panels should only concentrate on the parts of the plan relevant to their own remit.
- 5.8 This Select Committee is asked to consider the implications of the draft People and Communities Directorate Plan and make recommendations to the relevant portfolio holders and Cabinet. Where the panel wishes to either increase expenditure or reduce savings targets, alternatives should be proposed.
- 5.9 At the meeting, the lead for each Directorate Plan will highlight those aspects of the plan that are directly relevant to the Select Committee. The table below maps the remit of this panel to the related Directorate Plan:
